DETERMINATION OF QUALIFIED PROSPECTIVE BIDDER

**REQUEST FOR QUALIFICATIONS
FOR CONSTRUCTION AND MAINTENANCE SERVICES
WEST VILLAGES IMPROVEMENT DISTRICT**

The West Villages Improvement District (“District”) requests Applications for Qualification from firms interested in providing construction and maintenance services for public infrastructure improvements. Upcoming projects include the construction of various infrastructure improvements and maintenance services in and around the District including i) earthwork/excavation and construction of roadways, stormwater management facilities, water and sewer facilities, irrigation facilities, landscape, hardscape, street lighting, and other public improvements and ii) maintenance services including exotic vegetation removal, and canal/drainage, landscaping, lake and littoral maintenance, and streetlighting.

To be eligible to submit qualifications, firms must: i) hold all required applicable licenses in good standing and ii) be authorized to do business in the Sarasota County, and the State of Florida.

For construction services, any contractor pre-qualified and considered eligible by the Department of Transportation to bid to perform the type of work the project entails shall be presumed to be qualified to perform the project.

Applicants may request an Application for Qualification from Dewberry Engineers Inc. 2201 Cantu Court, Suite 107, Sarasota, Florida 34232, or via email to rellis@dewberry.com beginning **April 14th, 2022**, after **1:00 p.m.** Applicants must submit one (1) electronic copy (PDF format on a USB flash drive), by **4:00 p.m. on May 16th, 2022**. Address responses to: Mr. Richard Ellis, District Engineer, 2201 Cantu Court, Suite 107, Sarasota, Florida 34232.

Qualified firms will be selected based on experience, qualifications of personnel, and ability to perform construction or maintenance services. Packages will be reviewed and rated by a committee appointed by the District Board of Supervisors promptly after receipt of the submittals, with final selections expected to be made at a publicly noticed Board of Supervisors meeting held shortly thereafter.

At that time, all qualified firms may be assigned a project qualification and aggregate dollar limit for work under District contracts. All applicants will be promptly notified after the construction and maintenance firms are selected. The pre-qualification decisions of the Board of Supervisors shall be valid for a period of three (3) years, after which the Board of Supervisors may either extend the prequalification period for an additional two (2) years or open the prequalification process again, at its sole discretion. The District reserves the right to waive any informality in the qualifications submitted, to reject any and all qualifications submitted and to advertise for the services.

Pre-qualified firms will be eligible to bid on construction and maintenance projects subject to the applicants approved project classification and aggregate limit. Failure to pre-qualify may preclude the District from awarding contracts for construction and maintenance services to non-qualified firms.

Applicants may contact the District Engineer, Dewberry Engineers Inc., at 2201 Cantu Court, Suite 107, Sarasota, Florida 34232, or via email to rellis@dewberry.com, until the qualifications submittal deadline for further information. All requests for information shall be in writing.

Any contractor submitting a Contractor's Prequalification Statement, which in its judgment is adversely affected by the District's rating as to the contractor's qualifications and wishes to protest such decision must file with the District a notice of protest in writing within seventy-two (72) hours (excluding Saturdays, Sundays and state holidays) after receipt of the notice of the District's ranking, and shall file a formal written protest within seven (7) days (including Saturdays, Sundays and state holidays) after the date of

filing of the notice of protest. The formal written protest shall state with particularity facts and law upon which the protest is based. Failure to timely file a notice of protest or failure to timely file a formal written protest shall constitute a waiver of all further proceedings under Florida law and the District's Rules of Procedure. You may obtain a copy of the District's Rules of Procedure by contacting the District Manager's Office at 2501A Burns Road, Palm Beach Gardens, FL 33410.

Any Qualified Prospective Contractor desiring to submit a bid to provide work for the District must submit a properly completed Contractor's Prequalification Statement to the District Engineer for review and evaluation.

The District shall evaluate the Contractor's Prequalification Statement and based on the District's judgment of the information provided, shall issue in writing to the contractor, the District's rating as to the classification(s) of the Work and the maximum Bid dollar amount for which the Qualified Prospective Contractor can submit a Bid to the District.

A Qualified Prospective Contractor shall mean a prospective contractor which in the sole judgment of the District has the capability, in all respects, to perform fully the contract requirements, and the business integrity and reliability which will assure good faith performance. In determining the Qualified Prospective Contractor's qualifications, the following criteria will be considered:

- Whether the contractor can perform the contract or provide the work promptly, or within the time specified, without delay or interference;
- The character, integrity, reputation, judgment, experience, and efficiency of the contractor;
- The quality of performance of previous contract or work. For example, the following information will be considered:
 - o The cost overrun incurred by owners on previous contracts with contractor;
 - o The contractor's compliance record with contract general conditions on other projects;
 - o The contractor's record for completion of the work within the Contract Time or within Contract Milestones and contractor's compliance with scheduling and coordination requirements on other projects;
 - o The quality, availability, and adaptability of the goods or work to the particular use required;
 - o The contractor's demonstrated cooperation with owners, architects, engineers, and others on previous contracts; and;
 - o Whether the work performed and materials furnished on other contracts were in accordance with the contract documents; and
 - o Whether contractor has performed previous work for an independent special district.
- The previous and existing compliance by the Prospective Bidder with laws and ordinances relating to contracts or work;

- The sufficiency of the financial resources and ability of the contractor to perform the contract or provide the work;
- The ability of the contractor to fulfill its guarantee and warranty period;
- Such other information as may be secured by the Board having a bearing on the decision to award a contract to include, but not be limited to:
 - o The ability, experience, and commitment of the contractor to properly and reasonably plan, schedule, coordinate, and execute the work; and,
 - o Whether the contractor has ever been debarred from bidding or found ineligible for bidding on any other projects.
- The District will make such inquiries and investigations as deemed necessary to verify and evaluate the applicant's statements regarding:
 - o The necessary organization and management including experience possessed by the applicant's employees;
 - o Adequate equipment, as shown on the equipment list, to perform normal operations for each class of work in the industry such as that called for in the contract documents in force at the time of application;

For construction services, any contractor pre-qualified and considered eligible by the Department of Transportation to bid to perform the type of work the project entails shall be presumed to be qualified.

If herein required, or if requested by the District at any time after the conclusion of the initial pre-qualification process, the Qualified Prospective Contractor shall submit a certified financial statement(s) in a form acceptable to the District, prepared no later than the past 180 days, indicating current financial resources, current bonding capacity, liabilities, capital equipment, in its sole discretion, may adjust the Qualified Prospective Contractor's Prequalification contract limits

Furthermore, a Qualified Prospective Contractor acknowledges the right of the District to determine a Qualified Prospective Contractor to be not qualified to submit a Bid in response to the District's Advertisement for Bids at the sole determination of the District for, but not necessarily limited to, any of the following specific reasons:

- Failure to submit a properly completed Contractor's Prequalification Statement in accordance with the above requirements;
- Failure of the Qualified Prospective Contractor's rating by the District as to classification of the Work and the maximum Bid dollar amount to meet the requirements of the Bid;

- Reason to believe that collusion exists among Bidders;
- Determination of lack of competency as may be revealed by qualification statements, financial statements, experience records, or other sources;
- The Qualified Prospective Contractor's uncompleted work load which, in the judgment of the Board, may cause detrimental impact on timely completion of the project being bid; or
- The Qualified Prospective Contractor's Surety is unacceptable to District.
- Submission of excessive or unreasonable suggested modifications to the District's Standard Form of Construction or Maintenance Contract.

Any contractor submitting a Contractor's Prequalification Statement, which in its judgment is adversely affected by the District's rating as to the contractor's qualifications and wishes to protest such decision must file with the District a notice of protest in writing within seventy-two (72) hours (excluding Saturdays, Sundays and state holidays) after receipt of the notice of the District's ranking, and shall file a formal written protest within seven (7) days (including Saturdays, Sundays and state holidays) after the date of filing of the notice of protest. The formal written protest shall state with particularity facts and law upon which the protest is based. **Failure to timely file a notice of protest or failure to timely file a formal written protest shall constitute a waiver of all further proceedings under Florida law and the District's Rules of Procedure.** You may obtain a copy of the District's Rules of Procedure by contacting the District Manager's Office at 2501A Burns Road, Palm Beach Gardens, FL 33410.
