CONTRACTOR CLASSIFICATION LISTING

DETERMINATION OF QUALIFIED PROSPECTIVE BIDDER

**REQUEST FOR QUALIFICATIONS
FOR CONSTRUCTION AND MAINTENANCE SERVICES
WEST VILLAGES IMPROVEMENT DISTRICT**

The West Villages Improvement District ("District") requests Applications for Qualification from firms interested in providing construction and maintenance services for public infrastructure improvements. Upcoming projects include the construction of various infrastructure improvements and maintenance services in and around the District including i) earthwork/excavation and construction of roadways, stormwater management facilities, water and sewer facilities, irrigation facilities, landscape, hardscape, street lighting, and other public improvements and ii) maintenance services including exotic vegetation removal, and canal/drainage, landscaping, lake and littoral maintenance, and streetlighting.

To be eligible to submit qualifications, firms must: i) hold all required applicable licenses in good standing and ii) be authorized to do business in the Sarasota County, and the State of Florida.

For construction services, any contractor pre-qualified and considered eligible by the Department of Transportation to bid to perform the type of work the project entails shall be presumed to be qualified to perform the project.

Applicants may request an Application for Qualification from Dewberry Engineers Inc. 2201 Cantu Court, Suite 107, Sarasota, Florida 34232, or via email to rellis@dewberry.com beginning April 14th, 2022, after 1:00 p.m. Applicants must submit one (1) electronic copy (PDF format on a USB flash drive), by 4:00 p.m. on May 16th, 2022. Address responses to: Mr. Richard Ellis, District Engineer, 2201 Cantu Court, Suite 107, Sarasota, Florida 34232.

Qualified firms will be selected based on experience, qualifications of personnel, and ability to perform construction or maintenance services. Packages will be reviewed and rated by a committee appointed by the District Board of Supervisors promptly after receipt of the submittals, with final selections expected to be made at a publicly noticed Board of Supervisors meeting held shortly thereafter.

At that time, all qualified firms may be assigned a project qualification and aggregate dollar limit for work under District contracts. All applicants will be promptly notified after the construction and maintenance firms are selected. The pre-qualification decisions of the Board of Supervisors shall be valid for a period of three (3) years, after which the Board of Supervisors may either extend the prequalification period for an additional two (2) years or open the prequalification process again, at its sole discretion. The District reserves the right to waive any informality in the qualifications submitted, to reject any and all qualifications submitted and to advertise for the services.

Pre-qualified firms will be eligible to bid on construction and maintenance projects subject to the applicants approved project classification and aggregate limit. Failure to pre-qualify may preclude the District from awarding contracts for construction and maintenance services to non-qualified firms.

Applicants may contact the District Engineer, Dewberry Engineers Inc., at 2201 Cantu Court, Suite 107, Sarasota, Florida 34232, or via email to rellis@dewberry.com, until the qualifications submittal deadline for further information. All requests for information shall be in writing.

Any contractor submitting a Contractor's Prequalification Statement, which in its judgment is adversely affected by the District's rating as to the contractor's qualifications and wishes to protest such decision must file with the District a notice of protest in writing within seventy-two (72) hours (excluding Saturdays, Sundays and state holidays) after receipt of the notice of the District's ranking, and shall file a formal written protest within seven (7) days (including Saturdays, Sundays and state holidays) after the date of

filing of the notice of protest. The formal written protest shall state with particularity facts and law upon which the protest is based. Failure to timely file a notice of protest or failure to timely file a formal written protest shall constitute a waiver of all further proceedings under Florida law and the District's Rules of Procedure. You may obtain a copy of the District's Rules of Procedure by contacting the District Manager's Office at 2501A Burns Road, Palm Beach Gardens, FL 33410.

William Crosley, District Manager

Publication Date: _____, 2022

NOTICE TO PROSPECTIVE BIDDERS

The information required herein is for the purpose of fairly evaluating contractor qualifications to perform various construction and maintenance activities for the West Villages Improvement District (the "District").

APPLICANTS FOR PREQUALIFICATION AS BIDDERS FOR THE WEST VILLAGES IMPROVEMENT DISTRICT CONTRACTS ARE HEREBY NOTIFIED THAT INCLUSION OF FALSE, DECEPTIVE OR FRAUDULENT STATEMENTS ON THIS APPLICATION CONSTITUTES FRAUD. FURTHERMORE, YOU ARE HEREWITH NOTIFIED THAT THE WEST VILLAGES IMPROVEMENT DISTRICT CONSIDERS SUCH ACTION ON THE PART OF THE APPLICANT TO CONSTITUTE GOOD CAUSE FOR DENIAL, SUSPENSION, OR REVOCATION OF THE PROSPECTIVE BIDDER'S QUALIFICATION FOR BIDDING ON ITS PROJECTS.

Please be advised that this application must be complete within itself without reference to any other application or statement. All sections of the application shall be completed. If any of the requested information does not apply, it shall be indicated as "None" or "N.A." as applicable. Failure to make entries in every section of this application may result in a disqualification.

All financial information provided in this application and accompanying audited financial statements are exempt from public record laws pursuant to Section 119.071(1)(c), *Florida Statutes*, and will be kept confidential. District can request annual audits and annual resubmittal of any or all financial statements from any prequalified contractor.

The properly completed Contractor's Prequalification Statement shall be submitted to the District Engineer, Richard Ellis at Dewberry Engineers Inc., 2201 Cantu Court, Suite 107, Sarasota, Florida 34232. Any questions with regard to the requests for information contained herein shall be addressed to the District Engineer, Dewberry Engineers Inc., at 2201 Cantu Court, Suite 107, Sarasota, Florida 34232, or via email to rellis@dewberry.com.

Donald Woodruff

President

Underground Utility & Excavation Contractor

Location: Bradenton, FL

Don has 49 years of involvement in the underground utility and roadway construction business, as he has grown up with the family business. He holds the position of President and is directly involved with the management of all company resources. He oversees all aspects of the business from the bidding process, scheduling and coordination of projects, throughout the construction phases of a job, and then the final completion of projects. He

has direct experience in all phases of the construction process having started out as a pipe crew laborer, to crew foreman. Trained on all operations of field equipment utilized in the construction process. Promoted to Superintendent and held positions of project management. He is experienced in various types of construction projects such as gravity sanitary sewer, roadway and design projects, water transmission, earth moving, storm drainage improvement, and demolition projects.

Benefits to County/City/Owner:

- 49 years of experience in underground utility and roadway construction
- Experienced in gravity sanitary sewer, roadway and design projects, water transmission, earth moving, storm drainage improvement, and demolition projects.

Relevant Experience:

- ☒ Pipeline
- ☒ Design-Build
- ☒ Heavy-Civil
- ☒ CMAR

Professional Certifications:

- Certified General Contractor, CGC026840
- Certified Underground & Excavating Contractor, CUC032662
- Certified Contractor V Fire License, 56528900012005

Relevant Project Experience:

- Brandon Urban Dispersed Wells Transmission Main, Div 2, Brandon, FL
- Braden River Utilities Reclaimed Water Interconnections, Bradenton, FL
- Peace River Regional Integrated Loop System Ph2 Interconnect and Segment B, Desoto County, FL
- 44th Avenue East from 30th St. to 45th St., Manatee County, FL
- White Eagle Blvd Phase III, Lakewood Ranch, FL
- CMR Gasparilla Road Widening (CR 711), Charlotte County, FL
- 44th Avenue East Roadway Imps, Manatee County, FL
- Harbor Isles Phases 3 & 4A, Bradenton, FL
- SWFWMD-Sawgrass Lake Restoration Project, Pinellas Park, FL
- River Road/US 41 Intersection Imps, Sarasota County, FL
- Habitat Restoration at Bennett Park, Manatee County, FL
- Anna Maria Island Boardwalk & Landscape Design Build, Anna Maria, FL
- US 301 Roadway Improvements, Parrish, FL

- Samoset & Oneco Collection Systems, Bradenton, FL
- Hunter's Green, Tampa, FL

Matt Anderson, PE

Director of Project Operations

PE Construction Manager

Location: Bradenton, FL

Matt is a Project Manager, providing management and guidance for assigned projects striving to achieve project efficiency and constructability.

Knowledge & Experience regarding various phases and aspects of the construction process: Engineering—Design, construction, and manage projects from the conceptual stages through engineering and building phases. Including layout, design, preliminary estimates, engineering

specifications, construction schedules, and field inspections (8 years). Heavy Construction – Water, waste water, reclaimed water transmission and distribution systems, storm water systems, water treatment plants, storm water pump stations, road construction, land clearing, and mass excavation.

Benefits to County/City/Owner:

- 22 years of experience in construction
- 14 years of experience at Woodruff & Sons, Inc.

Professional Registrations:

- PE: Florida, No. 62598

Relevant Experience:

- ☒ Pipeline
- ☒ Design-Build
- ☒ Heavy-Civil
- ☒ CMAR

Education: BS, Agricultural Engineering, University of Florida

Software: AutoCAD, Primavera, Microsoft Excel & Word

Relevant Project Experience:

▪ **Cypress St. Outfall Regional Stormwater Improvements Design Build, City of Tampa, FL = \$35,583,704.**

The Project includes approximately 7,740-lf of various size box culverts along West Cass Street, North Rome Avenue and West Gray Street; also the installation of 24" gravity sanitary sewer, 36" water transmission main, various size water distribution mains, various size gravity sewer and roadway reconstruction from right of way to right of way along the route.

▪ **Braden River Utility Reclaimed Water Interconnect, Lakewood Ranch Stewardship District, Lakewood Ranch, FL = \$2,383,365.** Installation of 20" reclaimed water main; 20" PVC by open cut method; 20" FPVC by HDD method and 36" steel casing by jack-and-bore method.

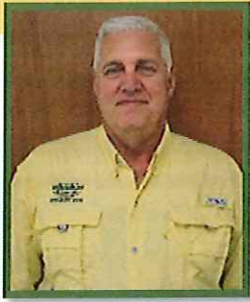

▪ **Peace River Regional Integrated Loop Systems Phase 2 Interconnect and Segment B, Peace River Manasota Regional Water Supply Authority, Desoto County, FL = \$10,742,192.** Construct 7-miles of 42" diameter transmission main, three new master meter stations and various interconnections with the existing transmission mains; 300-lf of 60" jack-and-bore, pressure testing, chlorinating and de-chlorinating; surface restoration included replacing asphalt and base at roadways, concrete curb, sidewalks and sodding.

▪ **44th Avenue East (30th Street to 45th Street), Manatee County, Manatee County, FL = \$10,402,588.** Construct a 4-lane road with sidewalks, curbs, gutters, turn lanes and intersection connections; pavement signing and marking and street lighting for the entire project limits; utility construction includes installation of 8" PVC water main and 36" DIP water main from the 8" PVC water main to a connection; storm water management construction includes 2 retention ponds, 2 floodplain mitigation sites, drainage pipes, and drainage structures; pit crossed with earthwork and settlement plate monitoring; wetland mitigation construction includes 2 on-site mitigation sites and 1 off-site mitigation site; all appurtenances necessary to connect to the County's existing system and the removal of existing water mains.

▪ **CMR Gasparilla Road Widening (CR 711), Charlotte County, Charlotte County, FL = \$14,070,893.** Construct roadway and utility improvements for approximately 2.5-miles; utility scope includes installing approximately 16,000-lf of 24" and 12" water main; 15,000-lf of 20" force main and 28,000-lf of 16" and 12" reclaimed water main utilizing the methods of open cut, horizontal directional drilling and jack-and-bore.

▪ **Anna Maria Island Boardwalk & Landscape Design Build, FDOT, District 1, Anna Maria, FL = \$789,903.** Construct new parking facilities, boardwalk, shelters, and approach to existing pier, new storm drainage system, electrical conduit for proposed lighting, irrigation and landscaping, constructed in multiply phases to maintain access to the pier, commercial, and pedestrian traffic.

- **River Road & US 41 Intersection Improvements, Sarasota County, Sarasota County, FL = \$8,195,251.** Approximately 9,000-lf of RCP of various sizes, approximately 6,000-lf of road construction, pond construction; export approximately 40,000-cy of material, installation of 250-lf of 80,000-lb bridge truss for signalization.
- **30th Avenue N. 29th Street N and Vicinity Storm Drainage, City of St. Petersburg, St. Petersburg, FL = \$3,324,115.** Remove and replace roadway and base, concrete curb, granite curb, concrete driveway and sidewalk, asphalt driveway, reinforced concrete pipe sizes 12" to 24"; construct 7'x 4' concrete box culvert; 19"x 30" ERCP; 72" RCP; 54" RCP; 30" RCP; 24" RCP; 18" RCP; 56 catch basins (inlets); 49 manholes; 1 Suntree nutrient baffle box system; 72" jack & bore; micro tunnel underneath CSX rail road; miscellaneous potable water main offsets and adjustments; miscellaneous sanitary sewer adjustments; miscellaneous milling, overlay, sodding, and restoration.
- **Holmes Beach Drainage Imps for 74th Street & 63rd Street Basins, City of Holmes Beach, FL = \$1,219,427.** Work consists of replacing existing Stormwater pipes and inlets, installing new Stormwater pipes and inlets and constructing bio-retention swales.
- **44th Avenue East (1st Street to 19th Street), Manatee County Government, Bradenton, FL = \$8,955,511.** Construct 3 lane road and 4 lane road including sidewalks, curbs and gutter; turn lanes for the intersections to be incorporated along with a new access road and cul-de-sac; realign driveways; new street lighting, re-install signalization for intersection, install new signalization along new pavement, signing and markings.
- **63rd Avenue East Bridge over Pearce Canal, Manatee County Government, Bradenton, FL = \$1,550,256.** Replace existing bridge with approximately 87' wide, 35' single span five lane concrete bridge and approximately 451' of approach length, including sidewalks and installation of a new main water line and air release valves, hydrant and new service connections.

Eric Epler

Project Manager

Location: Bradenton, FL

Eric is a Project Manager, providing management and guidance for assigned projects striving to achieve project efficiency and constructability.

Knowledge & Experience regarding various phases and aspects of the construction process: Performing detailed quantity and earthwork take-offs for construction cost estimates.

Negotiating and issuing subcontracts, purchase orders and change orders. Developing and updating detailed construction schedules. Generating and issuing pay requests, cost projections, general project correspondence and project specific documentation during the course of construction.

Benefits to County/City/Owner:

- 36 years of experience in construction
- 10 years of experience at Woodruff & Sons, Inc.

Professional Registrations:

- American Traffic Safety Association Traffic Supervisor (expired)
- American Red Cross First Aid, CPR
- AGC Supervisory Training Programs 1 thru 12

Education: H.B. Plant High School, Tampa Florida Graduated 1980
S.U.N.Y. Maritime College – 2 years

Software: Bid2Win Estimating Software, Primavera Scheduling Software, Numerous Earthwork Estimating programs, Numerous Microsoft Office products (Excel, Word, etc.)

Relevant Experience:

- ☒ Pipeline
- ☒ Design-Build
- ☒ Heavy-Civil

Relevant Project Experience:

- **Force Main 34A, Manatee County, Bradenton, FL - \$2,092,387.** Construct 6,200-LF 16" and 18" Force Main via open cut and directional bore. Installed a bypass line over an aerial crossing to replace the old pipe with new pipeline. Developed a MOT plan that simplified the work zone with only one initial change to the traffic pattern.
- **Rye Road Force Main, DR Horton, Bradenton, FL = \$2,263,819.** Construct 12,000-LF 14", 12", 8" and 6" Force main via open cut and directional bore including a large diameter bore under SR64. Install a 12' concrete path to replace the old sidewalk adjacent to the roadway. Included significant clearing, restoration and maintenance of traffic including the safe passage of pedestrians to and from an elementary school.
- **Port Manatee Berth 9, Orion Marine Group, Palmetto, FL = \$1,026,204.** Project includes demolition and removal of the old concrete dock, installation of Suntime Nutrient Separating Baffle Boxes and associated storm piping, new water services to service ships off-loading & on-loading cargo, and installation of base materials for the new heavy-duty paving sections which includes 27" of graded aggregate base supplied by Woodruff.
- **53rd Avenue Widening and Force Main 27A, Manatee County, FL = \$12,021,697.** Install numerous utilities including 6,800-LF of new 42" DIP force main, bypass pipes on a 20" Longboat Key force main to offset this pipe in 2 location while maintaining flow, 24" DIP reclaimed main, 18" DIP water main, numerous smaller utilities, thousands of feet of storm drains and construction of new roadway to convert the existing 2 lane road into a 4 lane, divided arterial roadway. Maintain utility, drainage and MOT phases including signalized intersections.
- **White Eagle Blvd Phases 3 and 4, Lakewood Ranch Stewardship District, Lakewood Ranch, FL = \$9,184,339.** New roadway extension of White Eagle Blvd from 44th Avenue E to SR64 Future Connection. Included all phases of construction including erosion control, clearing, mass earthwork, pond excavation, major utilities and storm installation, construction of a new 4 lane divided roadway with curbs and sidewalks, signing and striping. The addition of Phase 4 road construction, revisions to an existing portion, required numerous MOT phases, and additional utilities added out-of-sequence requiring installation without damage to newly constructed facilities.
- **Tidewater Preserve – Numerous Phases, Manatee County, Bradenton, FL = \$4,725,921.** Multi-phase residential project consisting of single and multi-family units. Included erosion control, clearing and grubbing, earthwork and grading, underground utilities and storm installations, asphalt paving, curbs and sidewalks. Included installation of a new lift station in wet, rocky conditions and working around numerous occupied residences without disruption.
- **Siesta Key Force Main, Cardinal Contractors, Sarasota County, FL = \$827,118.** Installation of 3,000-LF of 20" PVC and HDPE Force Mains via open cut and horizontal directional bores. Includes a Jack & Bore under Midnight Pass Road, maintenance of traffic and restoration of roadways and surrounding areas.

Dennis Holt
Chief Estimator, Pipeline Preconstruction

Location: Bradenton, FL

Dennis has 49 years of involvement in the civil construction industry, inclusive of construction survey layout, infrastructure installation, project management, and 37 years of estimating.

Benefits to County/City/Owner:

- 49 years of experience in total
- 37 years of estimating experience
- 47 years of experience at Woodruff & Sons, Inc.

Relevant Experience:

- ☒ Pipeline
- ☒ Design-Build
- ☒ Heavy-Civil

Education:

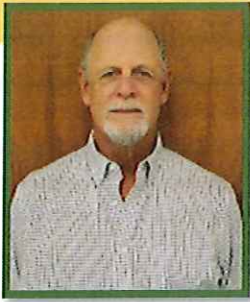

AS, Civil Engineering Technology
AS, Architectural Design
Civil Engineering, University of South Florida, 3.5 years

Professional Certifications:

- Certified General Contractor, CGC026816
- Certified Underground & Excavating Contractor, CUC032658
- Certified Contractor V Fire License, 56528800012005

Relevant Project Experience:

- Anna Maria Island Boardwalk & Landscape Design Build, Florida Department of Transportation, District 1, Anna Maria, FL. Construct new parking facilities, boardwalk, shelters, and approach to existing pier, new storm drainage system, electrical conduit for proposed lighting, irrigation and landscaping, constructed in multiply phases to maintain access to the pier, commercial, and pedestrian traffic.
- Performed topographical surveys for design of major sanitary sewer gravity collection system in Oakland County, Michigan.
- Performed infrastructure inspections for civil engineering firm on variety of development projects in Wayne, Oakland, Macomb, Washtenaw and Monroe Counties in Michigan.
- Performed survey layout, prepared cut sheets and as-built drawings for Manatee County's first major gravity sewer collection system.
- Project managed storm water collection project for City of Madeira Beach, City of Tampa, City of Bradenton and City of Sarasota.
- Project managed potable water distribution projects for City of Sarasota, City of Bradenton, Manatee County and Sarasota County.
- Project managed sanitary sewer rehabilitation projects for City of Bradenton, City of Plant City, City of Sarasota, Lee County, Collier County and City of St. Petersburg, Florida.
- Prepared estimates for competitive bidding for private sector developments i.e., golf courses, subdivisions, infrastructure improvements, earthwork, roads.
- Prepared estimates for competitive bidding under municipal projects stemming from State of Florida Department of Transportation, Manatee, Hillsborough, Sarasota, Pinellas and Charlotte County, City of Arcadia, City of Palmetto, City of Bradenton, City of St. Petersburg, City of Tampa, Plant City, West Coast Regional Water Supply Authority, Peace River Water Supply Authority, Tampa Bay Water Supply Authority.

Rick Hoffman

Estimator and Superintendent

Location: Bradenton, FL

Rick Hoffman is an Estimator and Superintendent.

Estimator – Prepare estimates for competitive bidding for both public and private sector civil projects i.e., infrastructure improvements, earthwork, roadways, subdivisions, etc.

Superintendent – Ability to supervise, manage, and motivate work crews and oversee all earthwork & roadwork activities. Capable of handling multiple projects simultaneously. Site Manager Road Crew Foreman – Supervise and oversee project road building activities. Pipe Foreman – Supervised crews in installation of underground utilities, storm drain, inlets, lift stations, man holes, and basins.

Benefits to County/City/Owner:

- 48 years of experience in construction
- 48 years of experience at Woodruff & Sons, Inc.

Professional Certifications:

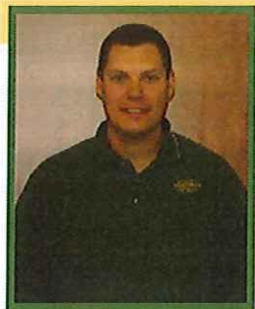

- CSX/Seminole Gulf Railway – Roadway Worker Protection/Contractor Safety
- FDOT – Worksite Traffic Supervisor
- FDEP – Stormwater Management Inspector
- American Red Cross – First Aid & CPR

Relevant Experience:

- ☒ Pipeline
- ☒ Design-Build
- ☒ Heavy-Civil

Relevant Project Experience:

- **Villages of Lakewood Ranch – Lorraine Rd, Lakewood Ranch Stewardship, FL = \$11,421,604.** Construction a 4 lane divided roadway from University Parkway south to extends of the SMR south property line. Includes all earthwork associated with this project, as well as the extension of water, irrigation and sanitary sewer force main. An existing 8" steel gas main runs within the project corridor and required special attention during construction. Installed 24" watermain as a dry line for future connection.
- **Villages of Lakewood Ranch Boulevard South, Lakewood Ranch Stewardship, FL = \$15,758,406.** Construction approximate 3,000-lf of 16", 800-lf of 12" PVC watermain, 700-lf of 18" HDPE pipe for horizontal directional drill, stub-outs, fire hydrants and adjusting existing valves to meet proposed roadway grades.
- **Braden River Utility Reclaimed Water Interconnect, Lakewood Ranch Stewardship, FL = \$2,383,365.** 2 of 4 phases distribute reclaimed water to community for their distribution; install approximately 17,000-lf of 20" PVC pipe, 12,000-lf was fusible PVC pipe installed by horizontal directional drill, testing & surface restoration.
- **44th Avenue East Improvements (1st St E to 19th St E), Manatee County, Bradenton, FL = \$8,955,511.** Install approximately 14,000-lf of RCP of various sizes, approximately 7000-lf of road construction, 115-lf of 48" jack-and-bore underneath CS, 120-lf of 36" jack-and-bore underneath CSX, pond construction including the export of approximately 100,000-cy of material, numerous water main deflections and adjustments 6" through 24".
- **White Eagle Blvd Phase III, Lakewood Ranch Stewardship District, Lakewood Ranch, FL = \$6,777,196.** Construct boulevard extending north; utility installation included a combination of irrigation main, water main and force main ranging in size from 6" to 16" by open cut method for an approximately total of 25,848' pipe installation by HDD method ranged in size from 12" to 18" for a total of 1,935 feet; two jack-and-bores for a total of 227 feet.
- **44th Avenue East (30th St. to 45th St.), Manatee County, Bradenton, FL = \$10,402,588.** Construct a 4-lane road with sidewalks, curbs, gutters, turn lanes and intersection connections; pavement signing and marking and street lighting for the entire project limits; utility construction includes installation of 8" PVC water main and 36" DIP water main from the 8" PVC water main to a connection; storm water management construction includes 2 retention ponds, 2 floodplain mitigation sites, drainage pipes, and drainage structures; pit crossed with earthwork and settlement plate monitoring; wetland mitigation construction includes 2 on-site mitigation sites and 1 off-site mitigation site; all appurtenances necessary to connect to the County's existing system and the removal of existing water mains.

Chad Wakeman

Estimator and Project Manager

Location: Bradenton, FL

Chad is an Estimator and Project Manager.

Estimator – Prepare estimates for competitive bidding for both public and private sector civil projects i.e., infrastructure improvements, earthwork, roadways, subdivisions, etc.

Project Manager - Provide management and guidance for assigned projects striving to achieve project efficiency and constructability.

Grade Control and Site Positioning Technology Supervisor – Create GPS models for grade control equipment, computerized earthwork and material takeoff's for estimators. Earthwork Foreman - Supervise and oversee project earthwork and road building activities. Equipment Operator.

Benefits to County/City/Owner:

- 22 years of experience in construction
- 22 years of experience at Woodruff & Sons, Inc.

Certifications:

- OSHA 30-Hour
- FDOT – MOT Intermediate Course Certified

Degree:

- Bachelor of Science Civil Engineering – University of Florida

Software:

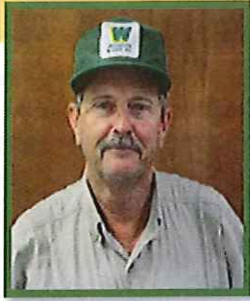

- AutoCAD, Primavera, Microsoft Excel & Word, AGTEK, Bid2Win

Relevant Experience:

- ☒ Pipeline
- ☒ Design-Build
- ☒ Heavy-Civil

Relevant Project Experience:

- **Braden River Utility Reclaimed Water Interconnect, Lakewood Ranch Stewardship, FL = \$2,383,365.** 2 of 4 phases distribute reclaimed water to community for their distribution; install approximately 17,000-lf of 20" PVC pipe, 12,000-lf was fusible PVC pipe installed by horizontal directional drill, testing & surface restoration.
- **44th Avenue East Improvements (1st St E to 19th St E), Manatee County, Bradenton, FL = \$8,955,511.** Install approximately 14,000-lf of RCP of various sizes, approximately 7000-lf of road construction, 115-lf of 48" jack-and-bore underneath CS, 120-lf of 36" jack-and-bore underneath CSX, pond construction including the export of approximately 100,000-cy of material, numerous water main deflections and adjustments 6" through 24".
- **White Eagle Blvd Phase III, Lakewood Ranch Stewardship District, Lakewood Ranch, FL = \$6,777,196.** Construct boulevard extending north; utility installation included a combination of irrigation main, water main and force main ranging in size from 6" to 16" by open cut method for an approximately total of 25,848' pipe installation by HDD method ranged in size from 12" to 18" for a total of 1,935 feet; two jack-and-bores for a total of 227 feet.
- **44th Avenue East (30th St. to 45th St.), Manatee County, Bradenton, FL = \$10,402,588.** Construct a 4-lane road with sidewalks, curbs, gutters, turn lanes and intersection connections; pavement signing and marking and street lighting for the entire project limits; utility construction includes installation of 8" PVC water main and 36" DIP water main from the 8" PVC water main to a connection; storm water management construction includes 2 retention ponds, 2 floodplain mitigation sites, drainage pipes, and drainage structures; pit crossed with earthwork and settlement plate monitoring; wetland mitigation construction includes 2 on-site mitigation sites and 1 off-site mitigation site; all appurtenances necessary to connect to the County's existing system and the removal of existing water mains.
- **CMR MCAT Fleet Facility, Manatee County, Manatee County, FL = \$2,718,192.**
- **Tallevast Road Sidewalk, Manatee County, Manatee County, FL = \$1,421,832.** Install cement concrete sidewalk on the north side of Tallevast Road from 15th Street East to the Post Office and widening, milling and overlay from railroad tracks to frontage of future MCAT Fleet Facility. Work also includes the construction of water services, adjustment of valve boxes and relocation of valves.
- **CMR Gasparilla Road Widening (CR 711), Charlotte County, Charlotte County, FL = \$14,070,893.** Construct roadway and utility improvements for approximately 2.5-miles; utility scope includes installing approximately 16,000-lf of 24" and 12" water main; 15,000-lf of 20" force main and 28,000-lf of 16" and 12" reclaimed water main utilizing the methods of open cut, horizontal directional drilling and jack-and-bore.

Jerry Konieczny
Director of Field Operations
Project Site Superintendent
Location: Bradenton, FL

Jerry is the Director of Field Operations, supervising over 150 employees. Field Superintendent - Supervises, manages, and motivates work crews and oversees all earthwork and roadwork activities. Capable of handling multiple projects simultaneously. Project Supervisor - Supervised and oversee all project construction activities. Pipe Foreman - Supervised crews in installation of underground utilities, storm drains, inlets, lift stations, man holes, and basins.

Benefits to County/City/Owner:

- 49 years of experience in construction
- 49 years of experience at Woodruff & Sons, Inc.

Professional Certifications:

- NUCA Competent Person
- NUCA Confined Space Entry
- American Red Cross – First Aid & CPR

Relevant Experience:

- ☒ Pipeline
- ☒ Design-Build
- ☒ Heavy-Civil

Relevant Project Experience:

- **Brandon Urban Dispersed Wells Transmission Main, Div 2, Tampa Bay Water, Brandon, FL = \$6,897,049.** Second portion of a raw water transmission main collecting raw water at well sites along 6.3 mile route of a 30" diameter ductile iron pipe with 700-lf of 42" jack-and-bores connections to exiting well site pump stations, pressure testing and surface restoration including asphalt paving and base, curb, sidewalks and sodding.
- **Braden River Utility Reclaimed Water Interconnect, Lakewood Ranch Stewardship, FL = \$2,383,365.** 2 of 4 phases distribute reclaimed water to community for their distribution; install approximately 17,000-lf of 20" PVC pipe, 12,000-lf was fusible PVC pipe installed by horizontal directional drill, testing & surface restoration.
- **Peace River Regional Integrated Loop Systems Phase 2 Interconnect and Segment B, Peace River Manasota Regional Water Supply Authority, Desoto County, FL = \$10,742,192.** Install approximately 7-miles of 42" ductile iron water main pipe with 300-lf of 60" jack-and-bore, pressure testing, chlorinating and de-chlorinating prior to making numerous connections to existing pipelines of varying sizes, surface restoration included replacing asphalt and base at roadways, concrete curb, sidewalks and sodding.
- **44th Avenue E. Improvements (1st St E to 19th St E), Manatee County, Bradenton, FL = \$8,955,511.** Install approximately 14,000-lf of RCP of various sizes, approximately 7000-lf of road construction, 115-lf of 48" jack-and-bore underneath CSX, 120-lf of 36" jack-and-bore underneath CSX, pond construction including the export of approximately 100,000-cy of material, numerous water main deflections and adjustments 6" through 24".
- **34A Force Main Replacement (26th Street West), Manatee County, Manatee County, FL = \$2,092,488.** Install new 10", 16" and 18" force mains by open cut and HDD; included developing and implementing MOT, roadway reconstruction and coordination shut downs of lift stations with by-pass hauling of effluent during final tie-ins.
- **River Road & US 41 Intersection Improvements, Sarasota County, Sarasota County, FL = \$8,195,251.** Retrofit a major urban intersection, install approximately 9000-lf of reinforced concrete drainage pipe of various sizes, 6000-lf of roadway reconstruction under traffic with all required signs and barricades for maintenance of traffic, excavate retention ponds and export approximately 40,000-cy of surplus excavated material from jobsite.
- **US301 Roadway Improvements, Manatee County, Parrish, FL = \$21,014,304.** Construct, mill and resurface, asphalt pavement, base work, drainage improvements, curb and gutters, signalization, lighting, highway signing and pavement marking and sidewalk for approximately 3.6 miles.
- **Anna Maria Island Boardwalk & Landscape Design Build, Florida Department of Transportation, District 1, Anna Maria, FL = \$789,903.**
- **Dansville, Phase III, Pinellas County, Largo, FL = \$2,066,356.** Neighborhood up-grade that included installation of 3000-lf of gravity sanitary sewer collection system, 3000-lf of 6-8" water-mains with water service reconnections and complete roadway construction with storm drain collection piping.

Scott Withrow

Safety Manager

Location: Bradenton, FL

Scott is the Safety Manager, responsible for the administration of Safety, Health & Environmental program for construction activities.

Manage new employee orientation for any new hires on the site.

Conduct daily safety inspections to ensure compliance with Woodruff & Sons, Inc. policies. Investigate accidents to determine root causes and implement with corrective measures.

Benefits to County/City/Owner:

- 30 years of experience in the construction industry.
- 27 years of experience managing safety and safety related programs in the construction and construction equipment field.

Relevant Experience:

- ☒ Pipeline
- ☒ Design-Build
- ☒ Heavy-Civil

Professional Certifications/Qualifications

- Bachelor of Science-Safety Technology, Marshall University
- Qualified Instructor of Multiple OSHA Subjects
- U.S. Dept. of Labor Mine Safety and Health Approved Instructor, IS UNLIMITED
- Tampa Bay Excavation Task Force Member
- FDOT MOT Advanced Course Certified
- Knowledgeable in Industrial Hygiene Sampling
- Radiation Safety Office Training from Troxler Laboratories

Relevant Work Experience:

Woodruff & Sons, Inc. - Safety Manager, 2018-Current

- Safety responsibilities for all Woodruff & Sons, Inc. projects in Florida.
- Ensure the development, implementation and updating of all company safety policies and procedures.
- Maintain and enhance company loss prevention program.
- Attend and participate in project pre-construction and management meetings.

Global Contracting Group, Inc. – Safety Director of Mine Services, 2016 - 2018

- Responsibly for safety activities associated with start-up of a heavy civil and mining construction company.
- Developed and implement all safety related policies and procedures and conducted all safety training.
- Managed corporate substance abuse program, Federal and Non-Federal.
- Participated in pre-construction meetings as part of project management team.

James Construction Group, LLC. – Area Safety Director, 2012-2016

- Safety responsibilities for construction projects performing work for the mining reclamation, civil, and private industry.
- Facilitate and/or conduct corporate Accident Prevention Program Safety and Health Standards.
- Provide, enhance and support safety leadership training for supervision.
- Administer corporate and project risk assessments.

Kanawha Stone Company, Inc. - Corporate Safety and Risk Director, 2004-2012

- Managed all safety responsibilities for construction projects providing site preparation services for highway, civil, mining and private industry including Federal Highway Administration, Wal-Mart, Sam's Club, Lowe's and various mall development groups.
- Managed corporate construction captive and participated in the Captive Risk Committee having the responsibility of identifying captive exposures and resolution to the exposures.
- Responsible for reviewing all contracts to assure appropriate insurance and safety requirements were included prior to signing and submittals.
- Manage field and site safety personnel.

*Give in sufficient detail for the District to evaluate your experience in the classifications of work for which you are requesting prequalification.

16. Have you ever failed to complete any work awarded to you? Yes _____ No X If so, where and why? _____

17. Has any officer or partner of your organization ever been an officer, partner, or owner of some other organization that has failed to complete a construction or maintenance contract? Yes _____ No X
 If so, state name of individual, other organization and reason therefore.

18. List any and all litigation with owners or major subcontractors to which the Applicant has been a party in the last five (5) years and describe the outcome or resolution.
No resolved or unresolved litigation in the last 5 years that would be considered material in nature or of material substance.

19. Has the Applicant or any of its affiliates ever been either disqualified or denied prequalification status by a governmental entity? No If so, discuss the circumstances surrounding such denial or disqualification as well as the date thereof. _____

20. Within the past five (5) years, has the Applicant failed to complete a project within the scheduled contract time? No If so, discuss the circumstances surrounding such failure to complete a project on time as well as the date thereof.

21. Does the Applicant have adequate equipment to perform normal construction or maintenance operations for each class of work for which prequalification is sought? Yes X No _____ If no, please explain:

PROJECTS APPLICANT COMPANY COMPLETED IN THE LAST TWO YEARS

Company Name Woodruff & Sons, Inc. Date 05-16-22

List all projects completed in the last two years for which the contract value individually exceeded 3% of the applicant's annual total work completed for the year the project was started. Include in the list projects that were started earlier than two years but were completed within the last two years.

[illegible]

¹ 'Prime or Sub' should indicate whether applicant performed the work as a prime contractor or as a subcontractor.

2 'Owner Name/Location' should indicate the Owner of the project if the applicant performed the work as a prime contractor or the general contractor if the applicant performed the work as a subcontractor.

³ Name & Phone Number of Owner's Representative on this Project' should list a reference from the business entity listed in the previous column familiar with applicant's contract performance.

see attached Pre-Qualification Work Classes

W&S 3 yr FL Prev_Contracts_Dec2021 (with Project title).xlsx

PREQUALIFICATION WORK CLASSES

The major classes of work, with their code numbers (Rule 14-22.003(3)(b), Florida Administrative Code), are as follows (the use of code numbers is optional, and they not required for the prequalification application or its supporting documents):

1. **BASCULE BRIDGE REHABILITATION**
2. **BRIDGE DECK OVERLAYS**
3. **BRIDGE PAINTING**
4. **CATHODIC PROTECTION**
5. **COMPUTERIZED TRAFFIC CONTROL**
6. **DEBRIS REMOVAL***
7. **DRAINAGE**
8. **ELECTRICAL WORK**
9. **FENCING**
10. **FLEXIBLE PAVING**
11. **GRADING**
12. **GRASSING, SEEDING AND SODDING**
13. **GUARDRAIL**
14. **HOT IN PLACE RESURFACING ***
15. **HOT PLANT-MIXED BITUM. COURSES**
16. **INTELLIGENT TRANSPORTATION SYSTEMS ***
17. **INTERMEDIATE BRIDGES**
18. **LANDSCAPING ***
19. **MAJOR BRIDGE - BASCULE SPANS**
20. **MAJOR BRIDGE - BRIDGES OF CONVENTIONAL CONSTRUCTION WHICH ARE OVER A WATER
OPENING OF 1,000 FEET OR MORE**
21. **MAJOR BRIDGE - CABLE STAYED CONSTRUCTION**
22. **MAJOR BRIDGE - CAST IN PLACE / POST-TENSIONED / SUPER- STRUCTURE**
23. **MAJOR BRIDGE - CONCRETE SEGMENTAL CONSTRUCTION**
24. **MAJOR BRIDGE - CURVED STEEL GIRDERS**
25. **MAJOR BRIDGE - MULTI-LEVEL ROADWAYS**
26. **MAJOR BRIDGE - STEEL TRUSS CONSTRUCTION**
27. **MINOR BRIDGES**
28. **PAVEMENT MARKING**
29. **PORTLAND CEMENT CONCRETE ROADWAY PAVING**
30. **R&R INTERMEDIATE BRIDGES**
31. **R&R MAJOR BRIDGE - BRIDGES OF CONVENTIONAL CONSTRUCTION WHICH ARE OVER A
WATER OPENING OF 1,000 FEET OR MORE**
32. **R&R MAJOR BRIDGE - CABLE STAYED CONSTRUCTION**
33. **R&R MAJOR BRIDGE - CONCRETE SEGMENTAL CONSTRUCTION**
34. **R&R MAJOR BRIDGE - MULTI-LEVEL ROADWAY**
35. **R&R MAJOR BRIDGE - STEEL TRUSS CONSTRUCTION**
36. **R&R MAJOR BRIDGE- CURVED STEEL GIRDERS**
37. **R&R MINOR BRIDGES**
38. **ROADWAY SIGNING**
39. **TRAFFIC SIGNAL**
40. **OTHER WORK CLASSES, not listed separately on application (see next two pages)**

** Work classes marked with an asterisk require additional documentation that must accompany the application to be considered for review. The requirements for these work classes can be found at http://www.dot.state.fl.us/cc-admin/PreQual_Info/prequalified.shtm*

You can request prequalification in "Other Work Classes" not specifically listed on the application. This list is intended to provide examples of frequently used work classes, and is not all-inclusive.

The optional code number for all "Other Work Classes" is 40.

- ASPHALT PAVEMENT REPAIRS
- ASPHALT RUMBLE STRIPS
- CAST-IN-PLACE SOUND WALLS
- CONCRETE
- CONCRETE BRIDGES AND MEDIANS (PAINTING)
- CONCRETE GROOVING
- CONCRETE PAVEMENT LIFTING
- CONCRETE PAVEMENT REPAIRS
- CONCRETE REHABILITATION (SPALL REPAIR)
- CONCRETE SURFACE SEALER AND WATER PROOFING
- CONCRETE TRAFFIC SEPARATOR
- CURBS
- CURED-IN-PLACE PIPE LINING & REHABILITATION
- DREDGING
- DRILL SHAFT
- DRIVEWAYS
- DRIVING STEEL SHEET PILE
- EPOXY INJECTION
- FENDER SYSTEMS
- FIBER OPTIC CABLE INSTALLATION, SPLICING & TESTING
- FIBER WRAP BRIDGE COLUMNS
- FIBER WRAP BRIDGE PIERS (OR PILES)
- FOUNDATION DRILLING
- GROUT INJECTION
- GUNITE
- GUTTERS
- HANDRAILS
- JOINT AND CRACK SAWING
- JOINT AND CRACK SEALING
- JOINT REHABILITATION

- RUBBLE RIP RAP
- SEALCOAT
- SEALING
- SEAWALL
- SHOTCRETE
- SIDEWALKS
- SINKHOLE REMEDIATION & STABILIZATION
- SLURRY SEAL PAVING
- SOUNDWALL
- SPALL REPAIRS
- STRUCTURAL STEEL CLEANING & PAINTING
- TIEDBACK WALLS
- TRAFFIC SEPARATORS
- TREE REMOVAL
- TREE-TRIMMING
- UNDERGROUND UTILITIES (WATER & SEWER)
- UNDERGROUND UTILITIES (ELECTRIC)
- UNDERGROUND UTILITIES (GAS)
- UNDERSEAL
- UTILITY WORK

LIST OF ADDITIONAL DOCUMENTS FOR INCLUSION IN APPLICATION

Please include the following additional information with this application:

1. Applicants shall provide letters of recommendation from at least two agencies or firms with direct knowledge of the applicant's key personnel and work performance in sufficient detail to assist in rating the applicant's ability to perform the classification of work for which the applicant is applying for prequalification. The letters must contain specific information regarding the following:
 - (a) Specific projects, including project numbers and location.
 - (b) Size of projects by dollar value.
 - (c) Description of projects and classes of work performed with applicant's own employees and equipment.
 - (d) Whether projects were timely completed.
 - (e) Whether the applicant was cooperative and facilitated changes to the project when required.
2. Applicants shall list the name of any subcontractor(s) that may be utilized to complete any work falling within the scope of the Contractor Classification Listing(s) for which the Applicant is submitting its Application for Qualification.

(Continued on Next Page)

Letter of Recommendation

Following are projects completed by Woodruff & Sons, Inc. whose key personnel and crews completed similar work descriptions to West Villages Improvements Districts Pre-Qualifications.

- Lorraine Road
 - Project Number: Engineer # 215612556
 - Project Location: Lorraine Road South of University Parkway in Sarasota County
 - Contract Amount: \$11,421,604.86
 - Description: Clearing, Earthwork, Storm Sewer, Water Main, Force Main, Roadway, Pedestrian Tunnel, Street Lighting
- Lakewood Ranch Blvd – Fruitville Road to South Village
 - Project Number: Engineer # CIP 95758
 - Project Location: Lakewood Ranch Blvd & Coburn Road in Sarasota County
 - Contract Amount: \$15,758,406.83
 - Description: Clearing, Earthwork, Gravity Wall, Storm Sewer, Water Main, Sanitary Sewer, Roadway, Signalization, Street Lighting
- Rangeland Parkway at Lakewood Ranch West of Lorraine Road
 - Project Number: Engineer # 15614850
 - Project Location: Rangeland between Lorraine Road & Benito Court in Manatee County
 - Contract Amount: \$4,046,049.97
 - Description: Clearing, Earthwork, Box Culvert, Storm Sewer, Water Main, Irrigation Main, Roadway

1) Were projects timely completed? ☒ Yes ☐ No

2) Was applicant cooperative and facilitated changes to the project when required? ☒ Yes ☐ No

Additional Comments: Very Professional! Highly Recommended.

Name: _____

Mike Blackrick

**SWORN STATEMENT UNDER SECTION 287.133(3)(a),
FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES**

THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER
AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted to West Villages Improvement District for Prequalification of Construction and/or Maintenance Contractors.
2. This sworn statement is submitted by Woodruff & Sons, Inc.
[Print Name of Entity Submitting Sworn Statement]
whose business address is P.O. Box 10127 Bradenton, FL 34282-0127
and (if applicable) its Federal Employer Identification Number (FEIN) is 35-1058916
(If the entity has no FEIN, include the Social Security Number of the individual signing this
sworn statement: _____.)
3. My name is Donald P. Woodruff and my relationship to the
entity named above is President.
4. I understand that a "public entity crime" as defined in Section 287.133(1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.
5. I understand that "convicted" or "conviction" as defined in Section 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.
6. I understand that an "affiliate" as defined in Section 287.133(1)(a), Florida Statutes, means:
 1. A predecessor or successor of a person convicted of a public entity crime; or,
 2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.
7. I understand that a "person" as defined in Section 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

8. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies.)

X Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor any affiliate of the entity, have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members or agents who are active in management of the entity or an affiliate of the entity, has been charged with and convicted of a public entity crime subsequent to July 1, 1989, AND (please indicate which additional statement applies):

_____ There has been a proceeding concerning the conviction before an Administrative Law Judge of the State of Florida, Division of Administrative Hearings. The final order entered by the Administrative Law Judge did not place the person or affiliate on the convicted vendor list. (Please attach a copy of the final order.)

_____ The person or affiliate was placed on the convicted vendor list. There has been a subsequent proceeding before an Administrative Law Judge of the State of Florida, Division of Administrative Hearings. The final order entered by the Administrative Law Judge determined that it was in the public interest to remove the person or affiliate from the convicted vendor list. (Please attach a copy of the final order.)

_____ The person or affiliate has not been placed on the convicted vendor list. (Please describe any action taken by or pending with the Florida Department of Management Services.)

8. Streetlighting

Maintenance

1. Exotic Vegetation Removal
2. Canal/Drainage Maintenance
3. Landscape and Irrigation Maintenance
4. Lake and Littoral Maintenance
5. Streetlighting

DETERMINATION OF QUALIFIED PROSPECTIVE BIDDER

The West Villages Improvement District ("District") is authorized to maintain a list of qualified contractors ("Qualified Prospective Contractors") to submit bids for the procurement of District construction and maintenance projects. Any Qualified Prospective Contractor desiring to submit a bid to provide work for the District must submit a properly completed Contractor's Prequalification Statement to the District Engineer for review and evaluation.

The District shall evaluate the Contractor's Prequalification Statement and based on the District's judgment of the information provided, shall issue in writing to the contractor, the District's rating as to the classification(s) of the Work and the maximum Bid dollar amount for which the Qualified Prospective Contractor can submit a Bid to the District.

A Qualified Prospective Contractor shall mean a prospective contractor which in the sole judgment of the District has the capability, in all respects, to perform fully the contract requirements, and the business integrity and reliability which will assure good faith performance. In determining the Qualified Prospective Contractor's qualifications, the following criteria will be considered:

- The ability, capacity, and skill of the contractor to perform the contract or provide the work required;
- Whether the contractor can perform the contract or provide the work promptly, or within the time specified, without delay or interference;
- The character, integrity, reputation, judgment, experience, and efficiency of the contractor;
- The quality of performance of previous contract or work. For example, the following information will be considered:
 - o The cost overrun incurred by owners on previous contracts with contractor;
 - o The contractor's compliance record with contract general conditions on other projects;
 - o The contractor's record for completion of the work within the Contract Time or within Contract Milestones and contractor's compliance with scheduling and coordination requirements on other projects;
 - o The quality, availability, and adaptability of the goods or work to the particular use required;
 - o The contractor's demonstrated cooperation with owners, architects, engineers, and others on previous contracts; and;
 - o Whether the work performed and materials furnished on other contracts were in accordance with the contract documents; and
 - o Whether contractor has performed previous work for an independent special district.
- The previous and existing compliance by the Prospective Bidder with laws and ordinances relating to contracts or work;

- The sufficiency of the financial resources and ability of the contractor to perform the contract or provide the work;
- The ability of the contractor to fulfill its guarantee and warranty period;
- Such other information as may be secured by the Board having a bearing on the decision to award a contract to include, but not be limited to:
 - o The ability, experience, and commitment of the contractor to properly and reasonably plan, schedule, coordinate, and execute the work; and,
 - o Whether the contractor has ever been debarred from bidding or found ineligible for bidding on any other projects.
- The District will make such inquiries and investigations as deemed necessary to verify and evaluate the applicant's statements regarding:
 - o The necessary organization and management including experience possessed by the applicant's employees;
 - o Adequate equipment, as shown on the equipment list, to perform normal operations for each class of work in the industry such as that called for in the contract documents in force at the time of application;

For construction services, any contractor pre-qualified and considered eligible by the Department of Transportation to bid to perform the type of work the project entails shall be presumed to be qualified.

If herein required, or if requested by the District at any time after the conclusion of the initial pre-qualification process, the Qualified Prospective Contractor shall submit a certified financial statement(s) in a form acceptable to the District, prepared no later than the past 180 days, indicating current financial resources, current bonding capacity, liabilities, capital equipment, in its sole discretion, may adjust the Qualified Prospective Contractor's Prequalification contract limits

Furthermore, a Qualified Prospective Contractor acknowledges the right of the District to determine a Qualified Prospective Contractor to be not qualified to submit a Bid in response to the District's Advertisement for Bids at the sole determination of the District for, but not necessarily limited to, any of the following specific reasons:

- Failure to submit a properly completed Contractor's Prequalification Statement in accordance with the above requirements;
- Failure of the Qualified Prospective Contractor's rating by the District as to classification of the Work and the maximum Bid dollar amount to meet the requirements of the Bid;

- Reason to believe that collusion exists among Bidders;
- Determination of lack of competency as may be revealed by qualification statements, financial statements, experience records, or other sources;
- The Qualified Prospective Contractor's uncompleted work load which, in the judgment of the Board, may cause detrimental impact on timely completion of the project being bid; or
- The Qualified Prospective Contractor's Surety is unacceptable to District.
- Submission of excessive or unreasonable suggested modifications to the District's Standard Form of Construction or Maintenance Contract.

Any contractor submitting a Contractor's Prequalification Statement, which in its judgment is adversely affected by the District's rating as to the contractor's qualifications and wishes to protest such decision must file with the District a notice of protest in writing within seventy-two (72) hours (excluding Saturdays, Sundays and state holidays) after receipt of the notice of the District's ranking, and shall file a formal written protest within seven (7) days (including Saturdays, Sundays and state holidays) after the date of filing of the notice of protest. The formal written protest shall state with particularity facts and law upon which the protest is based. **Failure to timely file a notice of protest or failure to timely file a formal written protest shall constitute a waiver of all further proceedings under Florida law and the District's Rules of Procedure.** You may obtain a copy of the District's Rules of Procedure by contacting the District Manager's Office at 2501A Burns Road, Palm Beach Gardens, FL 33410.
