Remarks by WVID Chairman John Luczynski
Public Decorum at WVID Board of Supervisors Meetings
Updated: August 7, 2023

I'd like to take a few moments today to review the West Villages Improvement District public comment policy, specifically as it relates to public decorum during meetings and workshops.

The WVID policy includes rules governing decorum at public meetings and workshops, particularly when addressing the Board of Supervisors. However, outbursts during recent meetings have made it clear it was not only necessary for the Board to review the policy, but also take steps to ensure it is being properly enforced.

The policy, which was approved in 2016, definitively states:

- Community members wishing to speak must direct their comments to the Board as a whole, not a specific member of the Board or any staff member.
- No person, other than a Board member or staff member, can enter into a discussion with a public speaker while they are speaking, without the permission of the chairman or presiding officer.
- Speakers and attendees must refrain from disruptive behavior, making vulgar or threatening remarks, or launching personal attacks against the Board, staff or community members.

The WVID policy gives the chairman or presiding officer the discretion to remove attendees who disregard the rules from the meetings. In this scenario, the presiding officer may declare a recess and contact local law enforcement. If a person does not immediately leave the premise, the presiding officer may request that the person be placed under arrest.

The prevalence of disruptive behavior by some attendees has proven there is a need to strictly enforce the WVID public comment and public decorum policy. This includes adding a law enforcement presence, who will have the authority to remove attendees who have been deemed unruly and out of order.

The WVID Board of Supervisors encourages citizen participation and appreciates civil feedback from attendees. Thank you for your cooperation and support so that we may conduct business in a respectful and professional manner.

**WEST VILLAGES IMPROVEMENT DISTRICT

Chairman	John Luczynski	Present in person
Vice Chairman	Steve Lewis	Present in person
Supervisor	Tom Buckley	Present in person
Supervisor	Christine Masney	Present in person

Also present were District Operations’ Manager, Ryan Johanneman, of Special District Services, Inc.; Michelle Krizen and Andrew Karmeris, District Managers, of Special District Services, Inc.; and members of the public noted on the sign-in sheet.

D. DISCUSSION REGARDING PUBLIC DECORUM AT BOARD MEETINGS

Chairman Luczynski read the Board approved public decorum statement.

E. COMMENTS FROM THE PUBLIC FOR ALL AGENDA ITEMS

Victor Dobrin stated he felt that the January meeting minutes do not accurately reflect the sentiment of his public comments. He further stated that in his opinion, the Coral Springs Improvement District reflects a good example of utility service by a district.

F. APPROVAL OF MINUTES

1. January 11, 2024, Regular Board Meeting

The minutes of the January 11, 2024, Regular Board Meeting were presented for consideration.

A **MOTION** was made by Mr. Buckley, seconded by Mr. Lewis approving the minutes of the January 11, 2024, Regular Board Meeting, as presented.

G. ATTORNEY-CLIENT SESSION RELATIVE TO GRAN PARADISO HOA IRRIGATION LITIGATION

Ms. Whelan advised that the Attorney-Client Session was not needed at this time.

H. GENERAL DISTRICT MATTERS

I. UNIT OF DEVELOPMENT NO. 1

1. Consider Cooperation Agreement with Master Developer and School Board

Ms. Whelan stated that this agreement relates to the construction of a school within the District's boundaries. It sets forth the preliminary understanding and agreement related to the parties' cooperation relative to the future school site.

Section 2 describes the areas and improvements to be constructed for this project that will be conveyed by the School Board to the District after completion (stormwater facilities and wetlands, drainage ditch, and access roadway and Manasota Beach Road turn lanes). The District's only obligation under the agreement is to accept the completed public infrastructure improvements for perpetual maintenance.

Mr. Meisel commented that the District should not maintain and that the school board should maintain. Staff clarified that District owns all other stormwater ponds and wetlands within its boundaries and this provides continuity. Mr. Meisel inquired if there were any improvements that are not maintained by the District. Mr. Luczynski, Mr. Lewis, and Ms. Whelan went over the Gran Paradiso HOA Maintenance Agreement which provides maintenance of District improvements.

Mr. Meisel asked why we were a party to this agreement with the developer and the school board and stated that he feels like there is a conflict of interest relative to the approval of this document. Ms. Whelan responded that the document was prepared by the school board and reiterated that the District's only obligation under this agreement, and the only thing the Board is essentially considering approving is to agree to take ownership and perpetual maintenance of public improvements. The District does not have any control or obligations relative to the development of the public infrastructure or the school site.

Mr. Lewis commented that he feels that the District's obligations under this agreement are not different than any other agreement with local governments for the joint development of public improvements. He asked Ms. Whelan whether she saw anything improper regarding the Board's approval of this agreement which relates to the District's confirmation that it will accept and maintain completed public improvements. Ms. Whelan concurred that these improvements were within the scope of public improvements that the District is permitted to finance, construct, own, operate and maintain. Cooperation Agreement with Master Developer and School Board approved in substantial form.

A **MOTION** was made by Mr. Lewis, seconded by Mr. Buckley approving the Cooperation Agreement with the Master Developer and the School Board, in substantial final form, as presented. Upon being put to a vote, the **MOTION** carried 4 to 1 with Mr. Meisel dissenting.

2. Designate Contractor Prequalification Evaluation Committee

Mr. Crosley stated that during the January meeting, the Board approved Resolution 2024-02 authorizing the Request for Proposals to Prequalify Contractors. March 7, 2024, is the deadline for contractors to submit their applications. On March 11, 2024, a committee will evaluate the applications received. The committee will then present its findings and recommendations to the Board at the March 14, 2024, meeting.

Accordingly, the Board needs to designate certain individuals to serve on the Evaluation Committee. In the past, the Evaluation Committee has consisted of certain members of District staff. In keeping with past practice, staff requests that the Board designate the District Manager, the District Operations' Manager and District Engineer as the Evaluation Committee members.

Mr. Luczynski inquired whether this was just for landscaping. Mr. Crosley confirmed that this was for additional pre-qualifications for all categories and will not affect any prior pre-qualifications so there is no need for a pre-qualified contractor to resubmit an application.

The Board designated William Crosley, Giacomo Licari, and Ryan Johanneman to serve as the Evaluation Committee.

A **MOTION** was made by Mr. Lewis, seconded by Ms. Masney and passed unanimously designating William Crosley, Giacomo Licari, and Ryan Johanneman to serve as the Evaluation Committee, as presented.

3. Consider Change Order No. 6 between the District and The deMoya Group, Inc. for Wellen Park Boulevard Roundabout & US 41/SR 45 Improvements Project

Mr. Licari presented Change Order No. 6, which was submitted by The deMoya Group in connection with the Wellen Park Boulevard Roundabout and US 41 Project. The change order reflects an increase in the contract price in the amount of \$147,688 for reworking the stormwater improvements and additional FDOT requirements regarding mowing and maintenance. Costs are in line with industry standards and staff recommends approval.

Mr. Meisel asked who prepared the plans.

Mr. Luczynski stated that Stantec prepared the plans and sometimes quantities change from plan preparation to construction. This project was complex and there have been hiccups since the permitting was occurring while the design was still being prepared to expedite the development of the project. There has been a need for the moving of fiber lines, etc. This all relates to managing normal obstacles that come up during the development of major infrastructure projects.

Mr. Lewis inquired whether this was normal.

Mr. Licari confirmed that it was normal to have change orders once you started excavating and understand the true conditions of the site.

Ms. Masney asked whether the District would receive final as-builts when the project has been completed. Mr. Licari confirmed that they would be received before final acceptance. Ms. Whelan confirmed that she can personally attest to how diligent Mr. Licari and the engineering team have been regarding obtaining final construction drawings prior to final acceptance and acquisition of public improvements.

A **MOTION** was made by Mr. Lewis, seconded by Mr. Meisel and passed unanimously approving Change Order No. 6 between the District and The deMoya Group, Inc. for the Wellen Park Boulevard Roundabout and US 4/Sr 45 Improvements Project, as presented.

J. UNIT OF DEVELOPMENT NO. 6

1. Consider Agreement between the District and RESPEC Company, LLC for General Irrigation Program Implementation Services

Mr. Johanneman indicated that this Agreement was for the general implementation of the District's irrigation program for fiscal year 2024. This is a standard agreement, substantially similar to the agreements we have entered into with RESPEC in the past. The compensation owed to RESPEC under the agreement will not exceed \$80,000.

Mr. Lewis asked staff to explain, for the benefit of the public, what a hydrologist is. Mr. Crosley provided an overview and explained who Dave Kelly was. He also explained that this was a not-to-exceed amount where we are only invoice for actuals.

A **MOTION** was made by Mr. Meisel, seconded by Mr. Lewis and passed unanimously approving the Agreement between the District and RESPEC Company, LLC for General Irrigation Program implementation services not to exceed \$80,000, as presented.

A **MOTION** was then made by Mr. Lewis, seconded by Mr. Buckley and passed unanimously opening the Public Hearing.

K. UNIT OF DEVELOPMENT NO. 10

1. Consider Matters Related to Financing

a. Public Hearing – Master Assessments

- **Proof of Publication**

Proof of publication was presented which showed the notice of the Public Hearing had been published in the *Sarasota Herald-Tribune* on January 24, 2024, and January 31, 2024, as legally required.

- **Receive Public Comment regarding the Public Hearings to Consider Imposition of Special Assessments and to Consider Adoption of Assessment Roll**

There was no public comment at this time.

- **Consider Master Engineer's Report**

Mr. Licari presented the final Master Engineer's Report and confirmed that costs were reasonable and that there had been no changes to the report since the preliminary version was approved in January.

Mr. Meisel asked about the scope of the project, the bond issuance, the improvement conveyance and the reimbursement process.

Mr. Lewis explained the improvement conveyance and reimbursement process. He furthered that the Engineer's Report sets forth the overall scope, but ultimately, what gets reimbursed depends on what public infrastructure is finished first.

Ms. Whelan explained that we historically do not finance 100% of the public improvement costs, so the master reports and master assessment process set forth a maximum not-to-exceed amount relative to what the project would cost if 100% were financed.

Mr. Lewis explained that the District typically issues debt for less than the total construction costs because the lots cannot bear the maximum debt load and also bonds for 100% of public improvements costs are likely not marketable.

Mr. Meisel asked about platting status. Mr. Luczynski indicated that Phase 1 had been platted, but Phase 2 has not yet been platted.

Mr. Meisel inquired about which builders would be within this project. Mr. Luczynski responded that multiple builders were anticipated for this project.

A **MOTION** was made by Mr. Buckley, seconded by Mr. Lewis and passed unanimously approving the Master Engineer's Report, as presented.

- **Consider Master Assessment Report**

Mr. Karmeris presented the final Master Assessment Report and stated that the only change from the preliminary version approved at the January Board meeting was that the word "preliminary" was removed from the report. However, the body of the report and charts and exhibits remain the same.

Ms. Whelan explained, for the benefit of the public, that the District had previously established its Unit No. 10, which is the Village I development area, planned to be developed as Palmera. The establishment of Unit 10 kicked off the assessment process at the January Board meeting and set a Public Hearing to be held during today's meeting after which the Board would levy and impose the master assessment liens for Unit 10. The proposed assessments and bonds do not affect existing developed properties, and only relate to currently undeveloped property owned by the master developer.

Ms. Whelan solicited public comment. There was no public comment.

A **MOTION** was made by Mr. Lewis, seconded by Mr. Buckley and passed unanimously approving the Master Assessment Report, as presented.

A **MOTION** was then made by Mr. Lewis, seconded by Ms. Masney and unanimously passed to close public hearing portion of the meeting.

- **Consider Resolution No. 2024-06 – Levying Master Special Assessments**

Resolution No. 2024-06 was presented, entitled:

RESOLUTION 2024-06

A RESOLUTION AUTHORIZING THE DISTRICT'S SERIES 2024 PROJECT FOR CONSTRUCTION AND/OR ACQUISITION OF INFRASTRUCTURE IMPROVEMENTS; EQUALIZING, APPROVING, CONFIRMING, AND LEVYING SPECIAL ASSESSMENTS ON PROPERTY WITHIN UNIT OF DEVELOPMENT NO. 10 OF THE DISTRICT SPECIALLY BENEFITED BY SUCH SERIES 2024 PROJECT TO PAY THE COST THEREOF; PROVIDING FOR THE PAYMENT AND THE COLLECTION OF SUCH SPECIAL ASSESSMENTS BY THE METHODS PROVIDED FOR BY CHAPTERS 170 AND 197, FLORIDA STATUTES, AND CHAPTER 2004-456, LAWS OF FLORIDA, AS AMENDED; CONFIRMING THE DISTRICT'S INTENTION TO ISSUE CAPITAL IMPROVEMENT REVENUE BONDS; MAKING PROVISIONS FOR TRANSFERS OF REAL PROPERTY TO GOVERNMENTAL BODIES AND OTHER EXEMPT ENTITIES; PROVIDING FOR THE RECORDING OF AN ASSESSMENT NOTICE; PROVIDING FOR SEVERABILITY, CONFLICTS AND AN EFFECTIVE DATE.

Ms. Whelan indicated that included in the agenda package was a standard resolution approving and confirming the levying of master not-to-exceed special assessments on the lands in Unit 10. Additionally, the resolution approves the Master Engineer's Report and the Master Special Assessment Methodology Report just presented. Ms. Whelan explained that when Phase 1 bonds were priced, staff would bring back a supplemental methodology and assessment resolution for Board consideration.

A **MOTION** was made by Mr. Lewis, seconded by Mr. Buckley and passed unanimously adopting Resolution No. 2024-06, as presented.

L. ADMINISTRATIVE MATTERS

1. District Engineer

Mr. Licari reported that he had received correspondence from Ajax regarding the start date of the Playmore Road resurfacing project. It was requested of Ajax, who agreed, that this project be deferred until after the Atlanta Braves' spring training season has ended in order to allow some relief from vehicular traffic. Additionally, District staff conducted a site inspection of the West Villages Parkway/Playmore and the Preto Boulevard/Playmore intersections after recent evidence of vehicles going through the intersections without adhering to the posted stop signs. It is anticipated that these intersections will be signalized in the future. More immediate action will be considered in addition to the existing stop sign to provide drivers with additional notification of a "Stop Ahead" or "All Way Stop Ahead" by pavement markings or signage.

2. District Attorney

a. Discussion Regarding Required Ethics Training

Ms. Whelan reported that she had several items for the Board. As of January 1, 2024, Supervisors of special districts must now complete four hours of ethics training every year. Kutak Rock has prepared a memorandum describing how to get the training through the Commission on Ethics and Attorney General's Office, and report compliance which is included in the agenda package. SDS will also circulate the e-mail to the Board very soon if they have not already. Please note that Supervisors will certify completion of

their ethics training for the previous year on the annual Form 1 – Statement of Financial Interests. Accordingly, Supervisors must certify that they completed the ethics training requirements for 2024 on their 2025 Form 1.

There was no substantive update on the irrigation litigation.

As previously discussed with the Board, the parties attended a hearing on the District's motion for Summary Judgment on January 16, 2024, relative to the assessment litigation. A ruling on that motion has not yet been entered by the judge but will be provided to the Board once received.

Ms. Whelan indicated that normally when insurance defense is provided, the insurance defense counsel takes the lead on litigation matters. That did not happen in the irrigation litigation or assessment litigation cases due to the nature of the emergency injunction motions which were filed along with the complaints, which required prompt and immediate attention to the litigation. As the Board is aware from past practice, it can take months for the insurance company to otherwise respond relative to coverage. Now that, after the appeal, we are essentially through the bulk of the emergency motion litigation with respect to the irrigation litigation and now that the emergency injunction motion has been dismissed by the plaintiffs with respect to the assessment litigation case, the transfer of the role of primary lead counsel to the insurance defense counsel, Joe Brown and the litigation team, will occur. The litigation team will still be available as backup and to assist insurance defense counsel as they may require.

With respect to the urbanization litigation, the District is still awaiting the insurance company review relative to confirmation as to whether we have insurance coverage for this claim, but otherwise there is no update on the litigation.

At the last Board meeting, Kutak Rock was asked to again confirm that special districts such as WVID are able to amend their special acts to provide for a definitive turnover provision in lieu of utilizing the Ch. 189.401, F.S. urban area calculation process, given Mr. Meisel's assertion that this conduct was not permitted. The Board was updated on this research after that meeting, but for the benefit of the public, again reviewed the applicable statutes to confirm that the District has the authority to modify its election process as proposed. The lobbying team has additionally confirmed that there is nothing in legislative procedure requirements that would prohibit this action. The provision that Mr. Meisel referred to prohibits a special district from exempting itself from the election requirements in sec. 189.04, F.S. However, the District is not proposing to amend its special act relative to the requirements in sec. 189.04, F.S. Instead, the urban area calculation process is contained in sec. 189.041, F.S. for which there is no exemption prohibition and for which, to our knowledge, all stewardship and improvement special districts similar to WVID have declined to utilize in favor of a defined turnover threshold as this Board has requested staff to pursue legislatively.

The validation hearing for Unit 10 has been set for March 18, 2024, at 9:30 AM.

Ms. Whelan announced that she would be taking family leave in late summer and Michael Eckert will manage District matters in her absence. Mr. Eckert is a seasoned veteran with decades of experience in special district work and also has experience with WVID staff. He will start to transition into District matters starting in the next few weeks.

3. District Operations' Manager

Mr. Johanneman had nothing further to report.

4. District Manager

Mr. Crosley reported that the District would hold a public Master Irrigation Presentation Meeting on March 5, 2024, at 1 PM in the Public Safety Building. The District Engineer, District Operations' Manager and Dave Kelly, the District's hydrologist, will provide an overview of the District's master irrigation system and will hold a Q&A session. In addition, a Public Irrigation Rate Study Public Outreach Meeting will be held on March 21, 2024, at 1 PM also in the Public Safety Building. This workshop meeting will be an opportunity for the public to get an overview of the GovRates 2023 rate study and to hold a Q&A session.

Additionally, Sarasota County/City of North Port have updated their FEMA flood maps and will hold 3 open houses to discuss the new maps, which are to be effective March 27, 2024. There are some affected areas within the District that have revisions in the maps. The maps are posted on the City of North Port website.

It was noted that the next Regular Board Meeting would be held March 14, 2024.

M. BOARD MEMBER COMMENTS

Mr. Luczynski stated that he had recently spoken with Spencer Anderson from Sarasota County, and the County has received \$25 Million of federal HUD funding for the south River Road widening project. The County has been trying to coordinate a public/private partnership for this project but the federal funding has caused some issues with that approach. The County has requested that its preference is for the District to be involved and handle some or all of the construction of the project, with the engineering costs to ultimately be funded by the master developer and for the construction costs to be funded by the County, utilizing HUD funding. There is also a need for a combined stormwater infrastructure plan that the District needs to be involved with. The District would need to enter into a tri-party agreement with the County and the master developer which will be brought before the Board for consideration in the future.

Mr. Meisel inquired about the costs and the involvement of the City of North Port. Mr. Luczynski commented that the City was not involved with this project.

Ms. Whelan stated that her understanding, per John Luczynski's description, is that the District would oversee and fund the costs of the project, but since the District does not have the funds on hand to proceed with this project, the master developer has agreed to enter into a deficit funding agreement with the District where they will ultimately be responsible for funding the costs so that the District does not have to go out and issue additional bond debt for this project.

N. ADJOURNMENT

There being no further business to come before the Board, the Special Board Meeting was adjourned at 11:07 a.m. on a MOTION made by Mr. Lewis, seconded by Mr. Buckley and passed unanimously.

West Villages Improvement District

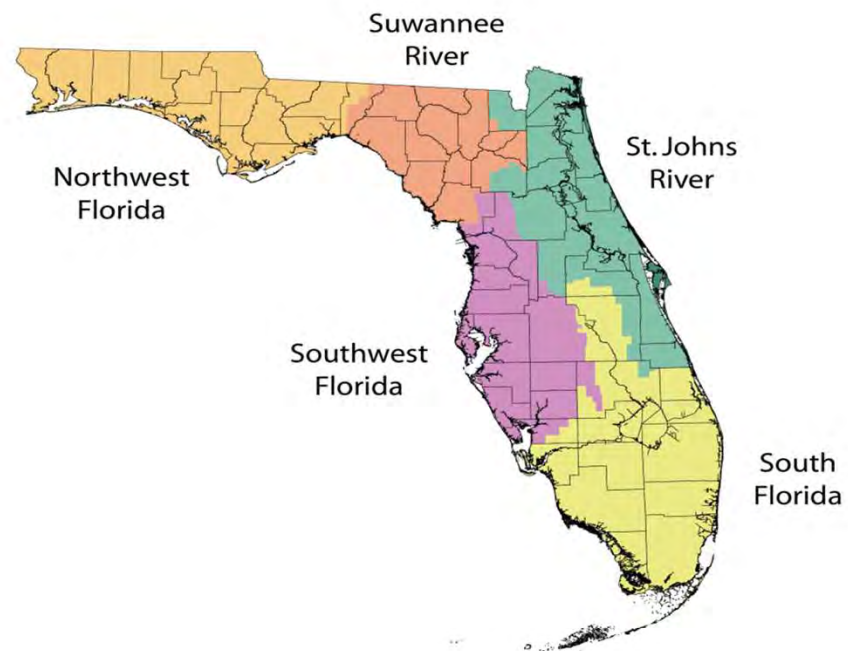

Presentation on WVID Irrigation Program

Water Use Regulation In Florida

- The State of Florida holds water in trust for use by its citizens and the environment.
- Through the five water management district, Florida provides for the regulation of water use through its water use permitting process.
- The right to water use is limited to the terms and conditions of the water use permit.

Florida Water Resources Act of 1972

- This Act, codified as Chapter 373 of the Florida Statutes, is the basic document outlining the state's system of water management.
- The Legislature divided the state into five water management districts.

Water Use Permit

- WVID WUP Boundary and Villages
- Encompasses Approx. 11,400 Acres

Southern Water Use Caution Area (SWUCA)

- Southern Water Use Caution (SWUCA) was designated in 1992 to address declines in aquifer levels due primarily to groundwater withdrawals. Drawdowns in aquifer levels in some areas exceeded 50 feet.
- **Challenges**
 - Reduced flows in the upper Peace River
 - Reduced lake levels in the Ridge Lakes area (extends roughly 90 miles along the center of the state in Polk and Highlands counties)
 - Rate of saltwater intrusion into the Upper Floridan aquifer along the coast, especially in the Most Impacted Area (MIA), an area of about 708 square miles located along the coast of southern Hillsborough, Manatee and northwestern Sarasota counties

SWUCA Recovery Strategy

- Development of a regional water supply plan
- Use of existing rules
- Enhancements to existing rules
- Provide financial incentives for conservation and development of alternative supplies
- Development and implementation of water resource development projects to aid in reestablishing minimum flows to rivers and enhance recharge
- Resource monitoring, reporting and cumulative impact analysis

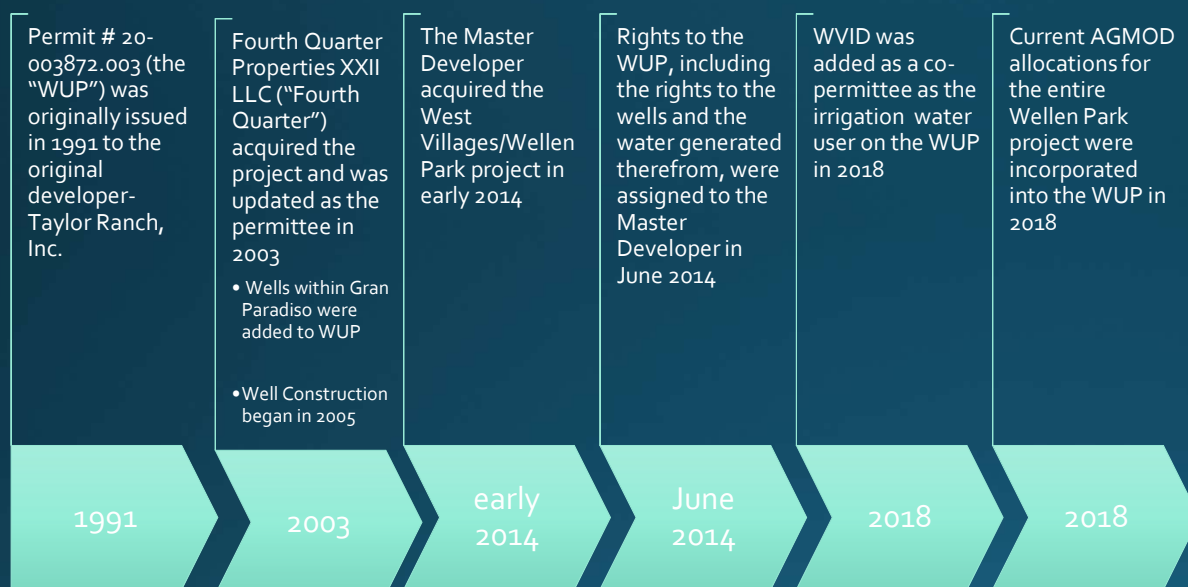

Most Impacted Area (MIA)

- Drawdowns in aquifer levels in the Southern Water Use Caution Area (SWUCA), due primarily to groundwater withdrawals, are affecting rates of saltwater intrusion into the Upper Floridan aquifer along the coast, especially in the Most Impacted Area (MIA), an area of about 708 square miles located along the coast of southern Hillsborough, Manatee and northwestern Sarasota counties. A minimum aquifer level was set to reduce the rate of intrusion.

Conjunctive Use of Alternative Water Supplies

- An alternative water supply includes using a nontraditional source of water.
- In the SWUCA Alternative Water Supplies include:
 - Surface water
 - Reclaimed water
 - Intermediate Aquifer (Hawthorne Aquifer System)-Groundwater
- WVID **20+ Years** of planning to develop Conjunctive Use of Alternative Water Supplies

The Wellen Park Water Use Permit

Brief History of the Wellen Park Water Use Permit

Basics of
WUP 20-003872.023

- Co-Permittees: The Ranch Land Operations, LLLP and WVID as water user
- The permittee holds the sole and exclusive right to the following within Wellen Park:
 1. Surface water (i.e. irrigation lakes)
 2. Reclaimed water (i.e. supplied by the City of North Port, Sarasota County, and/or Englewood Water District)
 3. Groundwater (i.e. wells)
- Expires: **50 year** WUP up for renewal on **August 24, 2068**
- Use: Landscape/Recreation and Agricultural

WUP 20-003872.023
Wellen Park
Irrigation
Allocations

- The WUP dictates the amount of irrigation water available to the Wellen Park development, as well as to the individual communities within Wellen Park
- Permitted quantities are based on SWFWMD's irrigation allocation calculation program (AGMOD)
 - The AGMOD calculation is based on the amount of irrigable acres located within a specific project boundary, as well as property use type, irrigation type, and soil type
 - Capacity of the wells, volume of irrigation storage lakes, etc. are not relevant to determination of demands

WUP: 20 003872.023 Requires

Special Condition 15:

The Permittee shall immediately implement the District-approved water conservation plan that was submitted in support of the application for this permit. Conservation measures that the Permittee has already implemented shall continue, and proposed conservation measures shall be implemented as proposed in the plan.

Progress reports on the implementation of water conservation practices indicated as proposed in the plan as well as achievements in water savings that have been realized from each water conservation practice shall be submitted as part of the Permit Transition and Expansion Summary Report every ten years (2028).

WUP 20-003872.023 - Conservation Conditions

15. The Permittee shall immediately implement the District-approved water conservation plan that was submitted on May 9, 2018 in support of the application for this permit. Conservation measures that the Permittee has already implemented shall continue, and proposed conservation measures shall be implemented as proposed in the plan. Progress reports on the implementation of water conservation practices indicated as proposed in the plan as well as achievements in water savings that have been realized from each water conservation practice shall be submitted as part of the Permit Transition and Expansion Summary Report every ten years.(449)

- WVID and the Master Developer are required to implement the SWFWMD-approved Water Conservation Plan
 - i.e., violation of the conservation plan is a violation of the WUP
- In relevant part, the Water Conservation Plan, has the following requirements:
 - 1. WVID/Master Developer are to supply irrigation water to the customer (i.e. the community HOAs) based on SWFWMD's AGMOD irrigation allocation program
 - 2. Customers (i.e. the community HOAs) must create and implement their own water conservation plan
 - 3. WVID/Master Developer must ensure the customers' (i.e. the community HOA's) compliance with the AGMOD allocations

WUP 20-003872.023 Conservation Conditions

- 2. Customers must create and implement a water conservation plan
 - “Prior to any customer receiving irrigation water from WVID, the customer must apply a water conservation plan that at a minimum addresses the following practices outlines below.”

WUP 20-003872.023 Conservation Conditions

- 3. Customer compliance with AGMOD allocations

If the customer uses more water for irrigation than their AGMOD allocation, WVID will notify the customer that they are over using irrigation supplies. If the customer does not come into compliance with irrigation demand allocation within 90 days, WVID will inform the customer that they are required to submit a corrective action plan. That plan, at a minimum, will include a review of their existing irrigation conservation plan and address how it is being implemented, along with providing any foreseeable updates to their plan. The corrective action plan will require identification of the cause of the over use, and corrective actions taken to return their use into compliance. Furthermore, the corrective action plan will identify actions taken by the customer to ensure there will not be a recurrence of same issues, which caused the initial over use.

Water Conservation

- The WVID is committed to using the lowest quality water sources in conjunction with water conservation practices to provide all users within its service area with irrigation water in the most effective and efficient manner.
- The WVID as a government entity is a supplier of water that uses an integrated system to distribute water for the use of irrigation within its Current WUP Service Area. The WVID will meter water within its distribution system to measure the amount of water that is provided to each customer. The WVID is not responsible for the customer's irrigation system and its implementation.

Efficient and Effective Use of Groundwater

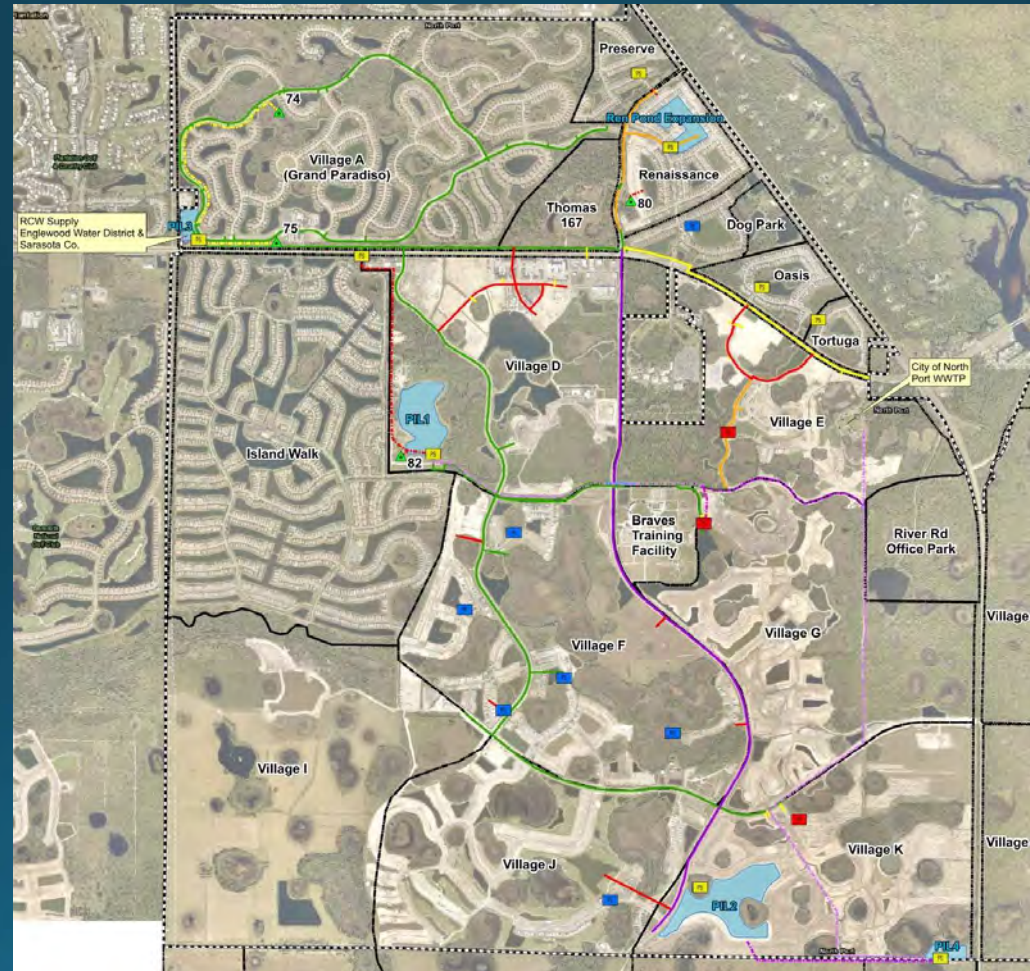

- Everyday Groundwater is not used. The water is “banked” with “interest”.
- WUP Allocated 2,490,000 GPD An. Avg.
- When WVID Irrigation System is fully developed: If Groundwater is used only for 8 months of the year (OCT-May)
 - 2,490,000 GPD becomes **3,735,000 gpd**
 - Used only 6 months of the year = **4,980,000 gpd**

Efficient and Effective Use of Groundwater is Water Conservation

IRRIGATION USERS

- **Direct Connection to Master Distribution System.**

The Irrigation water is delivered to end-users via a meter connected directly to the master irrigation system. (Examples: Commercial properties: Publix, Grand Living).

- **Irrigation Lakes with Private Irrigation Pumps**

This Irrigation water is delivered to Irrigation Lakes via a POC (Point of Connection). End-users utilize private irrigation pumps to distribute irrigation water (examples: Gran Place, Avelina). Some users share the pumps stations (examples: Lakespur & Everly).

- **Irrigation Lakes with WVID Irrigation Pumps**

WEST VILLAGES IMPROVEMENT DISTRICT
Unit of Development No. 10

SPECIAL DISTRICT SERVICES, INC

1.0 INTRODUCTION

The West Villages Improvement District (the “District”) is a local unit of special-purpose government with portions located in the City of North Port, Florida (the “City”) within Sarasota County, Florida (the “County”). The District was created in June 2004 by Chapter 2004-456, Laws of Florida, a special act of the Florida Legislature, as amended (the “Act”). The Act provides legal authority for the District to finance the acquisition, construction, operation, and maintenance of the public infrastructure improvements authorized by the Act. In order to address its authorized purpose, the District has and continues to create separate Units of Development. This First Supplemental Special Assessment Methodology Report (the “First Supplemental Report”) applies exclusively to Unit of Development No. 10 (“Unit No. 10”) of the District and the plan of development which currently contemplates a total of 1,149 residential dwelling units of varying product types.

Unit No. 10 includes approximately 878.3+/- acres and was created by the District to acquire and construct public infrastructure improvements designed to provide special benefit to the lands within Unit No. 10 (the “Unit No. 10 Improvements”). The West Villages Improvement District Unit of Development No. 10 Master Engineer’s Report dated January 11, 2024 was prepared by Dewberry Engineers Inc., 2201 Cantu Court, Suite 107, Sarasota, Florida (the “District Engineer”), and sets forth the Unit No. 10 Improvements including public roadways, including thoroughfares, arterial, collector, or local streets; stormwater improvements; water and sewer facilities; irrigation facilities; public roadway, landscape, lighting, signage, and furnishings; entry features; and consulting and contingencies (collectively the “Project”). The total estimated costs of the construction of the Project are \$98,600,000.

The District presently plans to issue approximately \$18,810,000 of its Capital Improvement Revenue Bonds (Unit of Development No. 10), Series 2024 (Assessment Area One) (the “Series 2024 Bonds”) to finance a portion of the master infrastructure improvements comprising the Project, as described in the Engineer’s Report. It is expected that in the future the District may finance additional portions of the Project with the issuance of additional bonds in one or more series.

This First Supplemental Report supplements the Master Special Assessment Methodology Report, dated January 11, 2024 (the “Master Report”), and will equitably allocate the costs being incurred by the District to issue the Series 2024 Bonds in order finance a portion of the Unit No. 10 Improvements benefiting certain assessable lands within Unit No. 10 in the District. Capitalized terms used herein and not otherwise defined shall have the same meaning as set forth in the Master Report.

2.0 PROJECTS TO BE FUNDED BY THE DISTRICT

The Project as designed is an integrated system of facilities that provides specific benefits to all of the assessable lands within Unit No. 10. The total cost of the Project is currently estimated to be \$98,600,000. The total costs for master infrastructure and neighborhood infrastructure for Phase 1 within Unit No. 10 (“Assessment Area One”) is estimated to be \$69,700,000 (collectively, the “Assessment Area One Project”). A detail of the estimated costs of the Assessment Area One Project is included herein on **Table A**.

The Project area consists of approximately 878.3 gross acres of land and Assessment Area One is anticipated to include approximately 589 of the planned 1,149 residential units of various unit types as outlined on **Table C**.

The Series 2024 Bonds, when issued will be repaid through the levy of non-ad valorem special assessments on all assessable property in Assessment Area One within Unit No. 10 (the “Series 2024 Assessments”). Any portion of the Assessment Area One Project not financed through the issuance of

the Series 2024 Bonds will be paid for by Manasota Beach Ranchlands, LLLP or its successors or assigns (collectively the “Developer”).

The construction costs for the Project identified in this First Supplemental Report were provided by the District Engineer. Special District Services, Inc., as District Manager, makes no representation regarding the accuracy or validity of those costs and did not undertake any analysis or verification regarding such costs.

3.0 FUNDING OF IMPROVEMENTS

To defray the Series 2024 Bonds, the District will impose the Series 2024 Assessments on benefited real property within Unit No. 10. These Series 2024 Assessments are based on the direct, special and peculiar benefits accruing to such property from the improvements comprising the Assessment Area One Project. The use of non-ad valorem special assessments has an advantage in that the properties that receive the special benefits from the Assessment Area One Project are the only properties that are obligated to pay for those facilities and services. Without these improvements, development of the property would not be possible.

In summary, special assessments may be levied: (1) for facilities which provide special benefits to property as distinct from general benefits, (2) only against property which receives that special benefit, (3) in proportion to the benefits received by the properties, and (4) according to fair and reasonable methods that the governing body of the jurisdiction determines. The Series 2024 Assessments placed upon various benefited properties in Unit No. 10 must be sufficient to cover the debt service of the Series 2024 Bonds that will be issued for financing all or a portion of the Assessment Area One Project. The Series 2024 Assessments must be fairly and reasonably allocated to the properties being assessed.

4.0 ALLOCATION OF BENEFIT AND ASSESSMENTS

In developing the methodology used for special assessments in the District, two interrelated factors were used:

- A.** Allocation of Benefit: Each parcel of land, lot and/or unit within Unit No. 10 in the District benefits from the construction and financing of the proposed improvements.
- B.** Allocation of Cost/Debt: The special assessments imposed on each parcel of land, lot and/or unit within Unit No. 10 cannot exceed the value of the benefits provided to such parcel of land, lot and/or unit.

Upon the sale of the Series 2024 Bonds, the District’s debt will be distributed on 589 platted single family lots consisting of eighty-eight (88) 50’ lots, two hundred eighty-seven (287) 65’ lots, forty-five (45) 75’ lots, thirty-seven (37) townhome lots & one hundred thirty-two (132) coach lots as outlined herein on **Table F** and **Exhibit “A”** attached hereto. For the purpose of this First Supplemental Report each 50’ single family residential dwelling unit will be the base unit upon which other product types will be compared to and has been assigned one (1) *ERU*. (Refer to **Table C** attached hereto for proposed *ERU* Factors).

Given the District’s approved land use plan and the type of infrastructure to be funded by the proposed Series 2024 Assessments, this method results in a fair allocation of benefits and an equitable allocation of costs for the Assessment Area One Project. The special benefit received and applied to each parcel and/or residential dwelling unit/lot as a result of the construction of the Assessment Area One Project will exceed the cost of such units allocated to each parcel and/or unit/lot. However, if the future platting results in changes in land use or proportion of benefit per acre and/or unit type, this allocation methodology may not be applicable and it may be necessary for the District to revise the allocation

methodology.

To the extent land is sold in bulk to a third party, prior to platting, then the District will assign debt based upon the development rights conveyed based upon the *ERU* factors as shown herein on **Table C**.

5.0 COLLECTION OF SPECIAL ASSESSMENTS

The Series 2024 Assessments are planned to be collected through the Uniform Method of Collection (the "Uniform Method") described in Section 197.3632, *Florida Statutes* ("F.S.") for platted lots, or any other legal means available to the District.

Since there are costs associated with the collection of the Series 2024 Assessments (whether by Uniform Method or other methods allowed by Florida law), these costs must also be included in the special assessment levy. These costs generally include the 1% collection fee of the County Tax Collector, a 1% service fee of the County Property Appraiser and a 4% discount for early payment of taxes. These additional costs may be reflected by dividing the annual debt service and maintenance assessment amounts by a factor of 0.94. In the event the special assessments are direct billed, then the collection costs and discounts may not apply.

6.0 FINANCING STRUCTURE

The estimated cost of construction for the Assessment Area One Project is \$69,700,000. The construction program and the costs associated with Unit No. 10 are identified herein on **Table A**.

All or a portion of the capital improvements comprising the Assessment Area One Project is assumed to be financed by the Series 2024 Bonds which, when issued, will be payable from and secured by the Series 2024 Assessments levied annually against all assessable properties within Unit No. 10 in the District. Based on the current market conditions the total aggregate principal amount of the Series 2024 Bonds (approximately \$18,810,000) for Unit No. 10 is shown herein on **Table B**. The proceeds of the Series 2024 Bonds will provide a maximum of approximately \$17,670,033 for construction related costs. The sizing of the Series 2024 Bonds is assumed to include capitalized interest, a debt service reserve fund equal to 50% of the maximum annual net debt service and issuance costs as shown herein on **Table B**.

7.0 MODIFICATIONS, REVISIONS AND TRUE-UP MECHANISM

Allocation of costs and debt, shown herein on **Table C and Table D**, for the infrastructure improvements financed by the District for the Assessment Area One Project (estimated at \$69,700,000) is initially based on the estimated number of product types and residential dwelling units (589) projected to be constructed within Assessment Area One within Unit No. 10 in the District and benefited by the infrastructure improvements comprising the Assessment Area One Project. Based on a Series 2024 Bond size of approximately \$18,810,000 at an assumed interest rate of 5.65% the estimated annual debt service on the Unit No. 10 Bonds will be approximately \$1,315,634 which has not been grossed up to include the 1% County Tax Collector fee, 1% County Property Appraiser fee, and 4% discount for early payment of taxes.

To ensure that each platted parcel or unit is assessed no more than their pro-rata amount of the annual debt service shown in **Table E and Table F**, the District will be required to perform a "true-up" analysis, which requires a computation at the time of submission of each plat or re-plat to determine the potential remaining assessable units. The District shall, at the time a plat or re-plat is submitted to the City and/or County:

A. Assume that the total number of *ERUs* relative to the Assessment Area One Project is at least 616.80.

B. Ascertain the number of assessable residential parcels/lots in the plat (unrecorded at this time) or re-plat and any prior plats (“Planned Assessable Units/Lots”) and total amount of *ERUs* associated with such Planned Assessable Units/Lots.

C. Ascertain the current amount of potential remaining assessable parcels/lots (“Remaining Assessable Units/Lots,” and together with the Planned Assessable Units/Lots, the “Total Assessable Units/Lots”) and total number of *ERUs* associated with the Remaining Assessable Units/Lots.

If the *ERUs* associated with the Total Assessable Units/Lots are equal to 616.80, then no action would be required at that time. However, if the sum of the *ERUs* associated with the Total Assessable Units/Lots are less than 616.80, then the Developer will be obligated to remit to the District an amount of money sufficient to enable the District to retire an amount of proposed Series 2024 Bonds such that the amount of debt service allocated to each *ERU* associated with the Total Assessable Units/Lots does not exceed the amounts set forth in **Table D**. Conversely, if the sum of the *ERUs* associated with the Total Assessable Units/Lots are more than 616.80 after the filing of the final plat for Assessment Area One, then the District shall equitably reallocate the assessments resulting in a reduction in the par debt allocations per unit type set forth in **Table D**.

All assessments levied run with the land. A determination of a true-up payment shall be at the sole discretion of the District. It is the responsibility of the landowner of record to make any required true-up payments that are due including any accrued interest. The District will not release any liens on the property for which true-up payments are due until provision for such payment has been satisfied. It is recommended that the true-up mechanism be formalized in an agreement between the District and the Developer.

In the event that additional land is annexed into Unit No. 10 which is currently not subject to the Series 2024 Assessments and is developed in such a manner as to receive special benefit from the Assessment Area One Project described herein, it will be necessary for this assessment methodology to be re-applied to include such parcels. The additional land will, as a result of re-applying this allocation methodology, then be allocated an appropriate share of the Series 2024 Assessments while all currently assessed parcels will receive a relative reduction in their Series 2024 Assessments.

8.0 PRELIMINARY ASSESSMENT ROLL

The debt associated with the District’s improvement plan will be initially distributed on 589 platted single family lots consisting of eighty-eight (88) 50’ lots, two hundred eighty-seven (287) 65’ lots, forty-five (45) 75’ lots, thirty-seven (37) townhome lots & one hundred thirty-two (132) coach lots as outlined herein on **Table F** and **Exhibit “A”** attached hereto. As plats are approved parcels and/or lot/units within Unit No. 10 will be assessed in the manner described herein.

The lands within Unit No. 10 consist of approximately 878.3+/- acres as described in **Exhibit “A”** attached hereto.

As of the date of this First Supplemental Report, Unit No. 10 is partially platted and a portion of the property in Unit No. 10 is undeveloped. The anticipated par amount of Series 2024 Bonds to be issued by the District to pay for a portion of the Assessment Area One Project is approximately \$18,810,000. Upon the issuance of the Series 2024 Bonds, the Series 2024 Assessments levied against the lands within Assessment Area One within Unit No. 10 in the District will be apportioned on the platted 589 residential units. When fully developed, Unit No. 10 is expected to contain approximately 1,149 residential dwelling units of varying product types.

RESOLUTION NO. 2024-08

A RESOLUTION DELEGATING TO THE CHAIRMAN OF THE BOARD OF SUPERVISORS OF WEST VILLAGES IMPROVEMENT DISTRICT (THE "DISTRICT") THE AUTHORITY TO APPROVE THE SALE, ISSUANCE AND TERMS OF SALE OF WEST VILLAGES IMPROVEMENT DISTRICT CAPITAL IMPROVEMENT REVENUE BONDS (UNIT OF DEVELOPMENT NO. 10), SERIES 2024 (ASSESSMENT AREA ONE), AS A SINGLE SERIES OF BONDS UNDER THE MASTER TRUST INDENTURE (THE "SERIES 2024 BONDS") IN ORDER TO FINANCE THE ASSESSMENT AREA ONE PROJECT; ESTABLISHING THE PARAMETERS FOR THE PRINCIPAL AMOUNTS, INTEREST RATES, MATURITY DATES, REDEMPTION PROVISIONS AND OTHER DETAILS THEREOF; APPROVING THE FORM OF AND AUTHORIZING THE CHAIRMAN TO ACCEPT THE BOND PURCHASE CONTRACT FOR THE SERIES 2024 BONDS; APPROVING A NEGOTIATED SALE OF THE SERIES 2024 BONDS TO THE UNDERWRITER; APPROVING THE FORMS OF THE MASTER TRUST INDENTURE AND FIRST SUPPLEMENTAL TRUST INDENTURE AND AUTHORIZING THE EXECUTION AND DELIVERY THEREOF BY CERTAIN OFFICERS OF THE DISTRICT; APPOINTING A TRUSTEE, PAYING AGENT AND BOND REGISTRAR FOR THE SERIES 2024 BONDS; APPROVING THE FORM OF THE SERIES 2024 BONDS; APPROVING THE FORM OF AND AUTHORIZING THE USE OF THE PRELIMINARY LIMITED OFFERING MEMORANDUM AND LIMITED OFFERING MEMORANDUM RELATING TO THE SERIES 2024 BONDS; APPROVING THE FORM OF THE CONTINUING DISCLOSURE AGREEMENT RELATING TO THE SERIES 2024 BONDS; AUTHORIZING CERTAIN OFFICERS OF THE DISTRICT TO TAKE ALL ACTIONS REQUIRED AND TO EXECUTE AND DELIVER ALL DOCUMENTS, INSTRUMENTS AND CERTIFICATES NECESSARY IN CONNECTION WITH THE ISSUANCE, SALE AND DELIVERY OF THE SERIES 2024 BONDS; AUTHORIZING THE VICE CHAIRMAN AND ASSISTANT SECRETARIES TO ACT IN THE STEAD OF THE CHAIRMAN OR THE SECRETARY, AS THE CASE MAY BE; SPECIFYING THE APPLICATION OF THE PROCEEDS OF THE SERIES 2024 BONDS; AUTHORIZING CERTAIN OFFICERS OF THE DISTRICT TO TAKE ALL ACTIONS AND ENTER INTO ALL AGREEMENTS REQUIRED IN CONNECTION WITH THE ACQUISITION AND CONSTRUCTION OF THE ASSESSMENT AREA ONE PROJECT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Board of Supervisors of West Villages Improvement District (the "Board" and the "District," respectively) has determined to proceed at this time

with the sale and issuance of West Villages Improvement District Capital Improvement Revenue Bonds (Unit of Development No. 10), Series 2024 (Assessment Area One) (the "Series 2024 Bonds") to be issued under and pursuant to a Master Trust Indenture, dated as of the first day of the first month and year in which Bonds are issued thereunder (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, Fort Lauderdale, Florida, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture to be dated as of the first day of the first month and year in which the Series 2024 Bonds are issued thereunder (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture") between the District and the Trustee, in order to finance a portion of the Costs of the Assessment Area One Project;

WHEREAS, the Board has determined that given the nature of the market, the necessity for moving rapidly and the nature of the security for the Series 2024 Bonds, it is necessary and desirable for the Series 2024 Bonds to be sold by negotiated sale rather than competitive bid;

WHEREAS, the Board has received a proposal from FMSbonds, Inc. (the "Underwriter") for the purchase of the Series 2024 Bonds within parameters to be established by the Board and the Board has determined that authorization of the Chairman or other designated person to enter into a Bond Purchase Contract (the "Purchase Contract") in substantially the form attached hereto as Exhibit A for the sale of the Series 2024 Bonds to the Underwriter within the Parameters (hereinafter defined) herein set forth is in the best interests of the District for the reasons hereafter indicated; and

WHEREAS, in conjunction with the sale and issuance of the Series 2024 Bonds, it is necessary to approve the forms of the Master Indenture and Supplemental Indenture, to establish the parameters for the delegated award of the Series 2024 Bonds as set forth in Schedule I attached hereto (the "Parameters"), to authorize the Chairman to approve the use of the Preliminary Limited Offering Memorandum relating to the Series 2024 Bonds and the form of the final Limited Offering Memorandum, to approve the form of the Series 2024 Bonds and to provide for various other matters with respect to the Series 2024 Bonds and the undertaking of the Assessment Area One Project.

NOW, THEREFORE, BE IT RESOLVED that:

1. Definitions. All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meaning ascribed to them in the Indenture.

2. Award. The Purchase Contract in the form attached hereto as Exhibit A is hereby approved in substantial form and the sale of the Series 2024 Bonds to the

Underwriter upon the terms and conditions therein set forth, but within the Parameters, is hereby approved. The Chairman is hereby authorized and directed to execute and deliver the Purchase Contract on behalf of the District, with such changes, additions, deletions and insertions as shall be approved by the official executing such Purchase Contract, which approval shall be conclusively evidenced by the execution and delivery thereof. In the absence or unavailability of the Chairman, the Vice Chairman is authorized and directed to execute the Purchase Contract, and in the absence or unavailability of the Vice Chairman, any other member of the Board is authorized and directed to execute the Purchase Contract. The Purchase Contract, when executed and delivered by the District and the Underwriter, shall be the legal, valid and binding obligation of the District, enforceable in accordance with its terms.

3. Negotiated Sale. The Board hereby determines that a negotiated sale of the Series 2024 Bonds to the Underwriter is in the best interests of the District because the market for instruments such as the Series 2024 Bonds is limited, because of prevailing market conditions and because the delays caused by soliciting competitive bids could adversely affect the District's ability to issue and deliver the Series 2024 Bonds.

4. Approval of Forms of Master Indenture and Supplemental Indenture; Appointment of Trustee, Paying Agent and Bond Registrar. Attached hereto as Exhibit B are the forms of the Master Indenture and Supplemental Indenture, which are each hereby authorized and approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest the Master Indenture and Supplemental Indenture and the Chairman is hereby authorized to deliver to the Trustee the Master Indenture and Supplemental Indenture which, when executed and delivered by the Trustee, shall each constitute the legal, valid and binding obligation of the District, enforceable in accordance with its respective terms. U.S. Bank Trust Company, National Association, is hereby appointed as Trustee, Paying Agent and Bond Registrar under the Indenture.

5. Description of Series 2024 Bonds. The Series 2024 Bonds shall be dated as of their date of delivery and may be issued in one or more Series having such details as shall be set forth in the Purchase Contract and as reflected in the Supplemental Indenture, but within the Parameters. The Series 2024 Bonds may be signed by the manual or facsimile signature of the Chairman and attested by the manual or facsimile signature of the Secretary. The Series 2024 Bonds shall, subject to the Parameters, be subject to redemption on the terms, at the times and prices and in the manner provided in the Purchase Contract and in the form of Series 2024 Bonds attached to the Supplemental Indenture, which form is hereby approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution

thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest and seal the Series 2024 Bonds and the Chairman is hereby authorized to deliver to the Trustee for authentication and delivery to the Underwriter upon payment by the Underwriter of the purchase price therefor, the Series 2024 Bonds which, when authenticated and delivered by the Trustee, shall be legal, valid and binding obligations of the District, enforceable in accordance with their terms.

6. Approval of Form of Preliminary Limited Offering Memorandum and Limited Offering Memorandum; Approval of Form of Continuing Disclosure Agreement. The Chairman is hereby authorized to approve the form and content of the Preliminary Limited Offering Memorandum, which is attached hereto as Exhibit C (the "Preliminary Limited Offering Memorandum") with such changes, additions, deletions and insertions as shall be approved by the Chairman prior to its distribution and the final form of which is to be dated the date of execution and delivery of the Purchase Contract (the "Limited Offering Memorandum") relating to the Series 2024 Bonds. The Chairman is hereby authorized to execute on behalf of the District such Limited Offering Memorandum with such changes, additions, deletions and insertions as the Chairman may approve (such approval to be conclusively evidenced by the execution of the Limited Offering Memorandum), and to deliver such Limited Offering Memorandum to the Underwriter in sufficient quantities for use by the Underwriter in marketing the Series 2024 Bonds. The Chairman is hereby authorized to deem "final" the Preliminary Limited Offering Memorandum, as of its date, for the purposes and within the meaning of Rule 15c2-12 of the Securities and Exchange Commission (except for information concerning the offering prices, interest rates, selling compensation, aggregate principal amount, principal amount per maturity, delivery dates, ratings or other terms dependent upon such matters, and except for such technical and conforming changes which shall be approved by the Chairman which approval shall be evidenced by the execution thereof).

The Continuing Disclosure Agreement relating to the Series 2024 Bonds in the form attached hereto as Exhibit D is hereby approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest the Continuing Disclosure Agreement which, when executed and delivered by the District, shall be the legal, valid and binding obligation of the District, enforceable in accordance with its terms.

7. Open Meetings. It is hereby found and determined that all official acts of this Board concerning and relating to the issuance, sale, and delivery of the Series 2024 Bonds, including but not limited to adoption of this Resolution, were taken in open meetings of the members of the Board and all deliberations of the

members of the Board that resulted in such official acts were in meetings open to the public, in compliance with all legal requirements including, but not limited to, the requirements of Section 286.011, Florida Statutes.

8. Other Actions. The Chairman, the Secretary, and all other members, officers and employees of the Board and the District are hereby authorized and directed to take all actions necessary or desirable in connection with the issuance and delivery of the Series 2024 Bonds and the consummation of all transactions in connection therewith, including the execution of all certificates, documents, papers, and agreements necessary to the undertaking and fulfillment of all transactions referred to in or contemplated by the Preliminary Limited Offering Memorandum, the Limited Offering Memorandum, the Indenture, this Resolution, the Continuing Disclosure Agreement and the Purchase Contract, in all cases within the Parameters.

The Vice Chairman is hereby authorized to act in the stead of the Chairman in any undertaking authorized or required of the Chairman hereunder and any Assistant Secretary is hereby authorized to act in the stead of the Secretary in any undertaking authorized or required of the Secretary hereunder.

9. Deposits to Funds and Accounts. The Trustee is hereby authorized and directed to apply the proceeds of the Series 2024 Bonds in the amounts and in the manner set forth in Section 402 of the Supplemental Indenture.

10. Undertaking of the Assessment Area One Project; Execution and Delivery of Other Instruments. The Board hereby authorizes the undertaking of the Assessment Area One Project and authorizes and directs the District staff and Consulting Engineer to proceed with due diligence to the completion thereof in accordance with the Indenture and as described in the Limited Offering Memorandum. The Board hereby authorizes the Chairman and the Secretary to execute and deliver, receive or enter into such agreements, contracts, documents, instruments, certificates and proceedings incident thereto or necessary in order to effect the undertaking of the Assessment Area One Project and the issuance, sale and delivery of the Series 2024 Bonds, including but not limited to the execution and delivery of the DTC Letter of Representation.

11. Approval of Prior Actions. All actions taken to date by the members of the Board and the officers, agents and consultants of the District in furtherance of the issuance of the Series 2024 Bonds are hereby approved, confirmed and ratified.

12. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

13. Effective Date. This Resolution shall take effect immediately upon its adoption.

Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statement attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$[_____] aggregate principal amount of Capital Improvement Revenue Bonds (Unit of Development No. 10), Series 2024 (Assessment Area One) (the "Bonds" or the "Series 2024 Bonds"). The Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Series 2024 Bonds shall be \$[_____] (representing the \$[_____] aggregate principal amount of the Series 2024 Bonds, [plus/less net original issue premium/discount of \$[_____] and] less an underwriter's discount of \$[_____] (such payment and delivery and the other actions contemplated hereby to take place at the time of such payment and delivery being hereinafter referred to as the "Closing").

2. The Bonds. The Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State") organized and existing under the

provisions of Chapter 2004-456, Laws of Florida, as amended by Chapters 2006-355, 2007-307, 2008-284, and 2022-241, Laws of Florida and other applicable provisions of law (collectively, the "Act"). The Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of April 1, 2024 (the "Master Indenture"), as supplemented by the First Supplemental Trust Indenture dated as of April 1, 2024 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), and Resolution Nos. 2024-05 and 2024-12 adopted by the Board on January 11, 2024 and March 14, 2024, respectively (collectively, the "Bond Resolution").

The Series 2024 Assessments, the revenues of which comprise the Series 2024 Pledged Revenues for the Bonds, have been levied by the District on certain of the District Lands designated as Unit of Development No. 10 ("Unit No. 10"), which are those lands within the District specially benefited by the Assessment Area One Project pursuant to certain resolutions adopted or to be adopted by the Board prior to the issuance of the Bonds (collectively, the "Assessment Resolution").

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Bonds, that the entire principal amount of the Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(b) Except as otherwise set forth in Exhibit B attached hereto, the District will treat the first price at which 10% of each maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of the Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date (as defined below) has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold to the public.

(c) The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering

price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the District when it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(1) "public" means any person other than an underwriter or a related party, and

(2) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(3) "sale date" means the date of execution of this Purchase Contract.

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and provided to the Underwriter its Preliminary Limited Offering Memorandum dated [____], 2024 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto and any amendments and supplements thereto that may be authorized

by the District for use with respect to the Bonds, being herein collectively called the "Preliminary Limited Offering Memorandum"), relating to the Bonds, which the District has deemed final as of its date, except for certain permitted omissions (the "Permitted Omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12" or the "Rule") in connection with the limited offering of the Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Underwriter to circulate and use the Preliminary Limited Offering Memorandum in connection with the limited offering of the Bonds. The District, at its expense, shall deliver or cause to be delivered to the Underwriter, within seven (7) business days after the date hereof but not later than three (3) days prior to the Closing Date and in sufficient time to allow the Underwriter to comply with all of the requirements of the Rule and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the "MSRB"), a final Limited Offering Memorandum dated [____], 2024 (such Limited Offering Memorandum, including the cover pages and all appendices thereto and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds, being herein collectively called the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda"). The District hereby ratifies and approves the circulation and use of the Limited Offering Memoranda by the Underwriter.

Upon execution and delivery by the District and the Trustee (and assuming the due authorization, execution and delivery of the Indenture by the Trustee), the Indenture will constitute a legal, valid and binding obligation of the District, enforceable in accordance with its terms, subject only to applicable bankruptcy, insolvency, and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law). Upon execution by the District and the other parties thereto (and assuming the due authorization, execution and delivery of such agreements by the other parties thereto) the Financing Documents and the Ancillary Agreements to which it is a party will constitute the legal, valid and binding obligations of the District, enforceable in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);

(d) The District is not in material breach of or material default under any applicable provision of the Act or any applicable constitutional provision, or statute or, to the best of its knowledge, administrative regulation of the State or the United States of America or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement, or other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of its knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or material event of default under any such instrument; and the execution and delivery of the Bonds, the Financing Documents, the Ancillary Agreements to which it is a party and the Limited Offering Memorandum, the delivery of the Preliminary Limited Offering Memorandum, and the adoption of the Bond Resolution and the Assessment Resolution, and compliance with the provisions on the District's part contained therein, will not conflict with or constitute a material breach of or material default under any applicable constitutional provision or law or, to the best of its knowledge, any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement, or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption, use or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as provided by the Assessment Resolution, the Bonds and the Indenture. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default (as therein defined) under the Bonds, the Financing Documents or the Ancillary Agreements to which the District is a party;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which (i) are required for the due authorization by the District, or (ii) would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by the District, of its obligations to issue the Bonds, or under the Bonds, the Bond Resolution, the Assessment Resolution, Financing Documents or the Ancillary Agreements to which it is a party have been duly obtained, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Bonds;

(g) The Bonds, when issued, executed and delivered in accordance with the Indenture and when delivered to and paid for by the Underwriter at the Closing in accordance with the provisions of this Purchase Contract, will be validly issued and outstanding obligations of the District, entitled to the benefits of the Indenture, and upon such issuance, execution and delivery of the Bonds, the Indenture will provide, for the

benefit of the holders from time to time of the Bonds, a legally valid and binding pledge of the Series 2024 Pledged Revenues. On the Closing Date, all conditions precedent to the issuance of the Bonds set forth in the Indenture will have been complied with or fulfilled;

(h) There is no claim, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to its best knowledge, threatened against the District: (i) contesting the corporate existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (ii) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memoranda or the collection of Series 2024 Assessments or the pledge of the Series 2024 Pledged Revenues pursuant to the Indenture; (iii) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District in any respect relating to the authorization for the issuance of the Bonds, or the authorization of the Assessment Area One Project, the Bond Resolution, the Assessment Resolution, the Financing Documents and the Ancillary Agreements to which the District is a party, or the application of the proceeds of the Bonds for the purposes set forth in the Limited Offering Memoranda; (iv) contesting the federal tax status of the Bonds; or (v) contesting the completeness or accuracy of the Limited Offering Memoranda or any supplement or amendment thereto;

The end of the Underwriting Period shall be the next business day after the Closing Date;

(n) Except as disclosed in the Limited Offering Memoranda, the District is not now in default and has not been in default at any time after December 31, 1975 in the payment of the principal of or the interest on any governmental security issued or guaranteed by it which would require disclosure pursuant to Section 517.051, Florida Statutes or Rule 69W-400.003 of the Florida Department of Financial Services;

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government pursuant to the Act, with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Series 2024 Pledged Revenues to secure the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The Bond Resolution and Assessment Resolution have been duly and validly authorized, executed, and delivered by the District, have been duly approved and adopted and/or executed by the District, are in full force and effect, and constitute legal, valid and binding obligations of the District. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of Series 2024 Assessments," "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "The District Manager and Other Consultants"), "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS," "THE DEVELOPMENT – Developer Agreements" (solely as to the description of the agreements), "AGREEMENT BY THE STATE," "LITIGATION – The District," "LITIGATION – Contraction/De-Annexation Related Litigation," "LITIGATION – Potential Litigation Related to Urban Area Calculation," "CONTINUING DISCLOSURE" (as it relates to the District only), "VALIDATION" and

"AUTHORIZATION AND APPROVAL," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** – Based on inquiry of the District's Registered Agent for service of process and the fact that we have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Series 2024 Pledged Revenues pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake the Project*** - The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

ARTICLE II

FORM, EXECUTION, DELIVERY AND DESIGNATION OF BONDS

Section 201. Issuance of Bonds. For the purpose of providing funds for paying all or part of the Cost of a Series Project, Bonds of a Series, without limitation as to aggregate principal amount, may be issued under this Master Indenture subject to the conditions hereinafter provided in Section 207 hereof. Debt Service on each Series of Bonds shall be payable solely from the Pledged Revenues and Pledged Funds pledged to such Series of Bonds in the Supplemental Indenture authorizing the issuance of such Series of Bonds and, as may be provided in such Supplemental Indenture, all of the provisions of this Master Indenture shall be for the benefit and security of the present and future Owners of such Series of Bonds so issued, without preference, priority or distinction, as to lien or otherwise, of any one Bond of such Series over any other Bond of such Series. The District may also issue from time to time, Additional Bonds, Completion Bonds and Refunding Bonds of a Series under and pursuant to the terms of the Supplemental Indenture authorizing the issuance of such Series of Bonds.

Section 202. Details of Bonds. Bonds of a Series shall be in such denominations, numbered consecutively, shall bear interest from their date until their payment at rates not exceeding the maximum rate permitted by law, shall be dated, shall be stated to mature in such year or years in accordance with the Act,

and shall be subject to redemption prior to their respective maturities, subject to the limitations hereinafter provided, as provided for in the Supplemental Indenture authorizing the issuance of such Series of Bonds. Bonds of a Series may be Current Interest Bonds, Variable Rate Bonds, Capital Appreciation Bonds, Option Bonds or any combination thereof and may be secured by a Credit Facility or Liquidity Facility, all as shall be provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds. Bonds of a Series (or a part of a Series) may be in book-entry form at the option of the District as shall be provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds.

Debt Service shall be payable in any coin or currency of the United States of America which, at the date of payment thereof, is legal tender for the payment of public and private debts. Interest shall be paid to the registered Owner of Bonds at the close of business on the Record Date for such interest; provided, however, that on or after the occurrence and continuance of an Event of Default under clause (a) of Section 902 hereof, the payment of interest and principal or Redemption Price or Amortization Installments pursuant hereto shall be made by the Paying Agent to such person who, on a special record date which is fixed by the Trustee, which shall be not more than fifteen (15) and not less than ten (10) days prior to the date of such proposed payment, appears on the registration books of the Bond Registrar as the registered Owner of a Bond. Any payment of principal, Maturity Amount or Redemption Price shall be made only upon presentation of the Bond at the designated corporate trust office of the Paying Agent in Fort Lauderdale, Florida; provided, however, that presentation shall not be required if the Bonds are in book-entry only form. Payment of interest shall be made by check or draft (or by wire transfer to the registered Owner if such Owner requests such method of payment by delivery of written notice to the Paying Agent prior to the Record Date for the respective interest payment to such account as shall be specified in such request, but only if the registered Owner owns not less than \$1,000,000 in aggregate principal amount of the Bonds or, if less than such amount, all of the Bonds then Outstanding). Unless otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, interest on a Series of Bonds will be computed on the basis of a 360-day year of twelve 30-day months.

Section 203. Execution and Form of Bonds. The Bonds shall be signed by or bear the facsimile signature of the Chairman, shall be attested and countersigned by the Secretary, and the certificate of authentication appearing on the face of the Bonds shall be signed by the Trustee; provided, however, that each Bond shall be manually signed by either the Chairman, the Secretary or the Trustee. The official seal of the District shall be imprinted or impressed on each Bond. In case any officer whose signature or a facsimile of whose signature appears on any Bond shall cease to be such officer before the delivery of such Bond, such signature or such facsimile shall nevertheless be valid for all purposes the same as if he or she had remained in office until such delivery. Any Bond may bear the facsimile signature of, or may be signed by, such persons as at the actual time of the

execution of such Bond shall be proper officers to execute such Bond although at the date of such Bond such persons may not have been such officers. The Bonds, and the provisions for registration and reconversion to be endorsed on such Bonds, shall be substantially in the form set forth in a Supplemental Indenture. The Trustee may appoint one or more authenticating agents.

Section 204. Negotiability, Registration and Transfer of Bonds. The District shall cause books for the registration and for the transfer of the Bonds as provided in this Master Indenture to be kept by the Bond Registrar. All Bonds shall be registered as to both principal and interest. Any Bond may be transferred only upon an assignment duly executed by the registered Owner or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar, such transfer to be made on such books and endorsed on the Bond by the Bond Registrar. No charge shall be made to any Owner for registration and transfer as hereinabove provided, but any Owner requesting any such registration or transfer shall pay any tax or other governmental charge required to be paid with respect thereto. The Bond Registrar shall not be required to transfer any Bond during the period between the Record Date and the Interest Payment Date next succeeding the Record Date of such Bond, during the period between the Record Date for the mailing of a notice of redemption and the date of such mailing, nor after such Bond has been selected for redemption. The Bonds shall be and have all the qualities and incidents of negotiable instruments under the laws of the State, and each successive Owner, in accepting any of the Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the laws of the State.

Section 205. Ownership of Bonds. The person in whose name any Bond shall be registered shall be deemed the absolute Owner thereof for all purposes, and payment of Debt Service shall be made only to or upon the order of the registered Owner thereof or his attorney or legal representative as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. The Trustee, the District, the Bond Registrar and the Paying Agent may deem and treat the registered Owner of any Bond as the absolute Owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment thereof and for all other purposes whatsoever, and neither the Trustee, the District, the Bond Registrar nor the Paying Agent shall be affected by any notice to the contrary.

Section 206. Special Obligations. Each Series of Bonds shall be a special and direct obligation of the District. Neither the Bonds nor the interest and premium, if any, payable thereon shall constitute a general obligation or general indebtedness of the District within the meaning of the Constitution and laws of the State. The Bonds and the interest and premium, if any, payable thereon do not constitute either a pledge of the full faith and credit of the District or a lien upon any property of the District other than as provided herein or in the Supplemental

Indenture authorizing the issuance of such Series of Bonds. No Owner or any other person shall ever have the right to compel the exercise of any ad valorem taxing power of the District or any other public authority or governmental body to pay Debt Service or to pay any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds. Rather, Debt Service and any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds, shall be payable solely from, and shall be secured solely by, the Series Pledged Revenues and the Series Pledged Funds pledged to such Series of Bonds, all as provided herein and in such Supplemental Indenture.

Section 207. Authorization of Bonds.

(a) There shall be issued from time to time in Series, under and secured by this Master Indenture, Bonds without limitation as to aggregate principal amount for the purposes of:

(i) paying all or part of the Cost of a Series Project or Series Projects or refunding a Series of Bonds or any portion thereof then Outstanding; and

(ii) depositing the Series Reserve Account Requirement to the Series Reserve Account for such Series of Bonds.

(b) Each Series of Bonds, upon initial issuance thereof, shall be executed by the District for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the District or upon its order, but only upon the further receipt by the Trustee of the following:

(i) an executed and attested original or certified copy of this Master Indenture;

(ii) an executed and attested original or certified copy of the Supplemental Indenture fixing the amount of and security for the Series of Bonds authorized to be issued thereby and establishing, among other things, the dates on which, and the amounts in which, such Series of Bonds will mature (provided that the final maturity date of such Series of Bonds shall be not later than permitted by the Act with respect to such Series of Bonds), designating the Paying Agent and Bond Registrar, fixing the Amortization Installments, if any, for the Term Bonds of such Series, awarding the Series of Bonds, specifying the interest rates or the method for calculating such interest rates with respect to such Series of Bonds, specifying the redemption provisions and prices thereupon, specifying other details of such Series of Bonds, and directing the delivery of such Series of Bonds to or upon the order of the initial purchaser thereof upon payment of the purchase price therefor set forth in such Supplemental Indenture;

(iii) an opinion of counsel for the District substantially to the effect that the signer is of the opinion that this Master Indenture and the Supplemental Indenture relating to such Series of Bonds have been duly and validly authorized in accordance with the terms hereof and of the Act, and have been duly approved and adopted, that the issuance of such Series of Bonds has been duly authorized, and that this Master Indenture and the Supplemental Indenture constitute binding obligations of the District, enforceable against the District in accordance with their terms except as enforcement thereof may be affected by bankruptcy and other similar laws relating to creditor's rights generally; and

(iv) an opinion of Bond Counsel for the District substantially to the effect that the signer is of the opinion that the Bonds of such Series are valid, binding and enforceable obligations of the District and, if such Series of Bonds are Tax-Exempt Bonds, that interest thereon is excludable from gross income of the Owners under the income tax laws of the United States in effect on the date such Series of Bonds are delivered to the initial purchasers.

Execution of a Series of Bonds by the District shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the District and payment to the Trustee of the initial purchase price for a Series of Bonds shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the underwriter of such Series of Bonds.

The Trustee shall be provided with reliance letters with respect to the opinions required in paragraphs (iii) and (iv) above. When the documents mentioned in subsections (i) through (iv) above shall have been received, and when the Bonds of such Series shall have been executed and authenticated as required by this Master Indenture, such Series of Bonds shall be delivered to, or upon the order of, the District, but only upon payment to the Trustee of the purchase price of such Series of Bonds, together with accrued interest, if any, thereon as set forth in a certificate of delivery and payment executed by the Chairman of the District.

(c) To the extent not set forth in the Supplemental Indenture authorizing the issuance of a Series of Bonds, the proceeds (including accrued interest and any premium) of each Series of Bonds shall be applied as soon as practicable upon delivery thereof to the Trustee as follows:

(i) the amount received as accrued interest on the Bonds, if any, shall be deposited to the credit of the Series Interest Account and Capitalized Interest, if any, shall be deposited to the credit of the Series Capitalized Interest Account;

(ii) an amount equal to the Series Reserve Account Requirement or the initial cost of satisfying the Series Reserve Account Requirement if not

satisfied by the deposit of cash, shall be deposited to the credit of the Series Reserve Account; and

(iii) the balance shall be deposited and applied as provided for in the Supplemental Indenture authorizing the issuance of such Series of Bonds.

Section 208. Mutilated, Destroyed or Lost Bonds. If any Bonds become mutilated, destroyed or lost, the District may cause to be executed and delivered a new Bond in substitution therefor upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, and upon payment by the Owner of the reasonable expenses and charges of the District and the Trustee in connection therewith and, in the case of a Bond destroyed or lost, upon the Owner filing with the Trustee evidence satisfactory to it that such Bond was destroyed or lost and of his or her ownership thereof, and upon furnishing the District and the Trustee with indemnity satisfactory to them.

Section 209. Parity Obligations Under Credit Agreements. As may be provided for or required in any Supplemental Indenture, the District may incur financial obligations under a Letter of Credit Agreement or a Liquidity Agreement payable on parity with respect to the lien on the Trust Estate pledged to a Series of Bonds issued under this Master Indenture and a Supplemental Indenture, without meeting any financial test or requirement set forth in this Master Indenture or the corresponding Supplemental Indenture, but only if the Letter of Credit Agreement or Liquidity Agreement supports a related Series of Bonds then being issued which does meet such tests or requirements.

Section 210. Bond Anticipation Notes. Whenever the District shall authorize the issuance of a Series of Bonds, the District may by resolution authorize the issuance of Bond Anticipation Notes in anticipation of the sale of such authorized Series of Bonds in a principal amount not exceeding the principal amount of such Series of Bonds. The aggregate principal amount of Bonds of such Series and all other Bonds previously authenticated and delivered to pay the Cost of the Series Project or Series Projects for which the proceeds of the Bond Anticipation Notes will be applied shall not exceed such Cost. The interest on such Bond Anticipation Notes may be payable out of the related Series Interest Account to the extent provided in the resolution of the District authorizing such Bond Anticipation Notes. The principal of and interest on such Bond Anticipation Notes and renewals thereof shall be payable from any moneys of the District available therefor or from the proceeds of the sale of the Series of Bonds in anticipation of which such Bond Anticipation Notes are issued. The proceeds of sale of Bond Anticipation Notes shall be applied to the purposes for which the Bonds anticipated by such Bond Anticipation Notes are authorized and shall be deposited in the appropriate Fund or Account established by the Indenture for such purposes; provided, however, that the resolution or resolutions authorizing such Bond Anticipation Notes may provide for the payment of interest on such Bond Anticipation Notes from the proceeds of sale

of such Bond Anticipation Notes and for the deposit in the related Series Capitalized Interest Account. In the event that the District adopts a resolution authorizing the issuance of Bond Anticipation Notes, the District will promptly furnish to the Trustee a copy of such resolution, certified by an Authorized Officer, together with such information with respect to such Bond Anticipation Notes as the Trustee may reasonably request, including, without limitation, information as to the paying agent or agents for such Bond Anticipation Notes. The Trustee shall have no duties or obligations to the holders of such Bond Anticipation Notes unless specifically so authorized by the resolution of the District authorizing the issuance of such Bond Anticipation Notes and unless the Trustee accepts in writing such duties and obligations.

Section 211. Tax Status of Bonds. Any Series of Bonds issued under this Master Indenture may be issued either as Tax-Exempt Bonds or Taxable Bonds. The intended tax status of any Series of Bonds to be issued may be referenced in any Supplemental Indenture authorizing the issuance of such Series of Bonds.

ARTICLE III REDEMPTION OF BONDS

Section 301. Redemption Generally. The Bonds of any Series shall be subject to redemption, either in whole on any date or in part on any Interest Payment Date, and at such times, in the manner and at such prices, as may be provided by the Supplemental Indenture authorizing the issuance of such Series of Bonds. The District shall provide written notice to the Trustee of any optional redemption on or before the forty-fifth (45th) day next preceding the date to be fixed for such optional redemption. Notwithstanding any other provision of this Master Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, if less than all of the Bonds of a Series shall be called for redemption, the particular Bonds of such Series to be redeemed shall be selected by lot in such reasonable manner as the Bond Registrar in its discretion may determine. The portion of any Series of Bonds to be redeemed shall be in an Authorized Denomination and, in selecting the Bonds of such Series to be redeemed, the Bond Registrar shall treat each such Bond as representing that number of Bonds of such Series which is obtained by dividing the principal amount of such Bond by an Authorized Denomination (such amount being hereinafter referred to as the "unit of principal amount").

If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then upon notice of intention to redeem such unit or units of principal amount as provided below, the registered Owner of such Bond, upon surrender of such Bond to the Paying Agent for payment to such registered Owner of the redemption price of the unit or units of principal amount called for redemption, shall be entitled to receive a new Bond or Bonds of such Series in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of such Series representing the unredeemed balance of the principal amount shall be issued to the Owner thereof without any charge therefor. If the Owner of any Bond of a denomination greater than the unit of principal amount to be redeemed shall fail to present such Bond to the Paying Agent for payment in exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption.

Subject to the provisions of Section 506(b) hereof, the District may purchase a Bond or Bonds of a Series in the open market at a price no higher than the highest Redemption Price (including premium) for the Bond to be so purchased with any funds legally available therefor and any such Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of Bonds of such Series as provided in Section 506(b) hereof or as otherwise provided in the Supplemental Indenture relating to such Series of Bonds.

Section 302. Notice of Redemption; Procedure for Selection. The District shall establish each redemption date, other than in the case of a mandatory redemption, in which case the Trustee shall establish the redemption date, and the District or the Trustee, as the case may be, shall notify the Bond Registrar in writing of such redemption date on or before the forty-fifth (45th) day next preceding the date fixed for redemption, which notice shall set forth the terms of the redemption and the aggregate principal amount of Bonds to be redeemed. Except as otherwise provided herein, notice of redemption shall be given by the Bond Registrar not less than thirty (30) nor more than forty-five (45) days prior to the date fixed for redemption by first-class mail, postage prepaid, to any Paying Agent for the Bonds to be redeemed and to the registered Owner of each Bond to be redeemed, at the address of such registered Owner on the registration books maintained by the Bond Registrar (and, for any Owner of \$1,000,000 or more in principal amount of Bonds, to one additional address if written request therefor is provided to the Bond Registrar prior to the Record Date); and a second notice of redemption shall be sent by registered or certified mail at such address to any Owner who has not submitted his Bond to the Paying Agent for payment on or before the date sixty (60) days following the date fixed for redemption of such Bond, in each case stating: (a) the numbers of the Bonds to be redeemed, by giving the individual certificate number of each Bond to be redeemed (or stating that all Bonds between two stated certificate numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption); (b) the

CUSIP numbers of all Bonds being redeemed; (c) in the case of a partial redemption of Bonds, the principal amount of each Bond being redeemed; (d) the date of issue of each Bond as originally issued and the complete official name of the Bonds including the Series designation; (e) the rate or rates of interest borne by each Bond being redeemed; (f) the maturity date of each Bond being redeemed; (g) the place or places where amounts due upon such redemption will be payable; and (h) the notice date, redemption date, and Redemption Price. The notice shall require that such Bonds be surrendered at the designated corporate trust office of the Paying Agent for redemption at the Redemption Price and shall state that further interest on such Bonds will not accrue from and after the redemption date; provided, however, that such presentation shall not be required while such Bonds are registered in book-entry only format. CUSIP number identification with appropriate dollar amounts for each CUSIP number also shall accompany all redemption payments.

Any required notice or redemption shall also be sent by registered mail, overnight delivery service, telecopy or other secure means, postage prepaid, to any Owner of \$1,000,000 or more in aggregate principal amount of Bonds to be redeemed, to certain municipal registered securities depositories in accordance with the then-current guidelines of the Securities and Exchange Commission, which are known to the Bond Registrar to be holding Bonds thirty-two (32) days prior to the redemption date and to at least two of the national information services that disseminate securities redemption notices in accordance with the then-current guidelines of the Securities and Exchange Commission, when possible, at least thirty (30) days prior to the redemption date; provided that neither failure to send or receive any such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds.

Failure to give notice by mailing to the Owner of any Bond designated for redemption or to any depository or information service shall not affect the validity of the proceedings for the redemption of any other Bond.

Section 303. Effect of Calling for Redemption. On the date designated for redemption of any Bonds, notice having been filed and mailed in the manner provided above, the Bonds called for redemption shall be due and payable at the Redemption Price provided for the redemption of such Bonds on such date and, moneys for payment of the Redemption Price being held in a separate account by the Paying Agent in trust for the Owners of the Bonds to be redeemed, interest on the Bonds called for redemption shall cease to be entitled to any benefit under this Master Indenture, and the Owners of such Bonds shall have no rights in respect thereof, except to receive payment of the Redemption Price thereof, and interest, if any, accrued thereon to the redemption date, and such Bonds shall no longer be deemed to be Outstanding.

Section 304. Cancellation. Bonds called for redemption shall be canceled upon the surrender thereof pursuant to the provisions of Section 511 hereof.

ARTICLE IV ACQUISITION AND CONSTRUCTION FUND

Section 401. Acquisition and Construction Fund. There is created and established by Section 502 hereof a fund designated as the "Acquisition and Construction Fund" which shall be held by the Trustee and there shall be deposited to the credit of the Series Acquisition and Construction Accounts the amounts specified in the Supplemental Indenture relating to such Series of Bonds.

Section 402. Payments from Acquisition and Construction Fund. Payments of the Cost of constructing and acquiring a Series Project shall be made from the Acquisition and Construction Fund as herein provided. Notwithstanding the deposit of Capitalized Interest into the

related Series Capitalized Interest Account, Capitalized Interest shall also include any amount directed by the District to the Trustee in writing to be withdrawn from the related Series Acquisition and Construction Account and deposited into such Series Capitalized Interest Account, provided that such direction includes a certification that such amount represents earnings on amounts on deposit in the related Series Acquisition and Construction Account and that, after such deposit, the amount on deposit in such Series Acquisition and Construction Account, together with earnings thereon, will be sufficient to pay for the remaining Costs of the related Series Project which are to be funded from such Series Acquisition and Construction Account.

ARTICLE V

ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF

Section 501. Lien. There is hereby irrevocably pledged for the payment of the Bonds of each Series issued hereunder, subject only to the provisions of this Master Indenture and any Supplemental Indenture permitting the application

thereof for the purposes and on the terms and conditions set forth in this Master Indenture and any such Supplemental Indenture with respect to each Series of Bonds, the Trust Estate; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Series Trust Estate securing such Series of Bonds, the Pledged Funds and Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and shall not secure any other Bonds or Series of Bonds.

The foregoing pledge shall be valid and binding from and after the date of initial delivery of the Bonds and the proceeds of sale of the Bonds and all the moneys, securities and funds set forth in this Section 501 shall immediately be subject to the lien of the foregoing pledge, which lien is hereby created, without any physical delivery thereof or further act. Such lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the District or the Trustee, irrespective of whether such parties have notice thereof. Such lien shall be prior and superior to all other liens now existing or hereafter created.

Section 502. Establishment of Funds. The following funds are hereby established and shall be held by the Trustee:

(a) Acquisition and Construction Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Acquisition and Construction Account and a separate Series Costs of Issuance Account for each Series of Bonds issued hereunder;

Notwithstanding the foregoing, the Supplemental Indenture authorizing any Series of Bonds may establish such other Accounts or dispense with the Accounts set forth above as shall be deemed advisable by the District in connection with such Series of Bonds.

Section 503. Acquisition and Construction Fund.

(ii) subject to Section 806 hereof, payments made to the District from the sale, lease or other disposition of the Series Project or any portion thereof;

(iii) the balance of insurance proceeds with respect to the loss or destruction of the Series Project or any portion thereof;

(iv) amounts received by the District from a governmental entity pursuant to an interlocal agreement or other similar agreement between the District and such governmental entity providing for the payment by such governmental entity of a portion of the Costs of a Series Project, but only to the extent Bonds funded the Series Project;

(v) amounts received from impact fee credits and/or utility connection fee credits; and

(vi) such other amounts as may be provided in a Supplemental Indenture.

Amounts in such Series Acquisition and Construction Account shall be applied to the Cost of the Series Project.

(b) ***Disbursements.*** Unless otherwise provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds, payments from a Series Acquisition and Construction Account shall be paid in accordance with the provisions of this subsection (b). Before any such payment shall be made, the

District shall file with the Trustee a requisition in the form of Exhibit B attached hereto, signed by an Authorized Officer.

Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the Series Acquisition and Construction Account and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate either the accuracy or validity of the items delivered pursuant to this Section 503(b) or whether such amount is properly payable hereunder or under the Supplemental Indenture for such Series of Bonds.

(c) **Inspection.** All requisitions and certificates received by the Trustee pursuant to this Article V shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the District, the Consulting Engineer, the Owner of any Bonds of the related Series, and the agents and representatives thereof.

(d) **Completion of Series Project.** On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved by the District for the payment of any remaining part of the Cost of acquiring or constructing the Series Project shall be applied in accordance with the provisions of Section 404 hereof. The Trustee shall have no duty to determine whether the Date of Completion has occurred and the Trustee shall not be deemed to have knowledge that the Date of Completion has occurred until the Trustee has received the certificate of the Consulting Engineer establishing such Date of Completion as specified in the definition of Date of Completion in Section 101 hereof.

Section 504. Revenue Fund. The District hereby covenants and agrees that it will assess, impose, establish and collect the Pledged Revenues with respect to each Series of Bonds in amounts and at times sufficient to pay, when due, the principal of, premium, if any, and interest on such Series of Bonds. The District hereby covenants and agrees to immediately deposit upon receipt all such Pledged Revenues with the Trustee (including Prepayments, which shall be identified as such by the District at the time of deposit with the Trustee), and the Trustee shall immediately deposit all such Pledged Revenues, when received, into the related Series Revenue Account and immediately deposit all Prepayments, when received, into the related Series Prepayment Subaccount in the Series Redemption Account, unless otherwise provided for in the Supplemental Indenture relating to a Series of Bonds.

Section 505. Debt Service Fund.

(a) **Principal, Maturity Amount, Interest and Amortization Installments.** Except as otherwise provided in a Supplemental Indenture, on the

Business Day preceding each Interest Payment Date on the Bonds, the Trustee shall withdraw from the Series Revenue Account and, from the amount so withdrawn, shall make the following deposits in the following order of priority:

(i) to the related Series Interest Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the amount of interest payable on the Bonds of such Series on such Interest Payment Date;

(ii) to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the principal amount, if any, payable with respect to Serial Bonds of such Series on such Interest Payment Date;

(iii) in each Bond Year in which Term Bonds of such Series are subject to mandatory redemption from Amortization Installments, to the related Series Sinking Fund Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Amortization Installment payable on the Term Bonds of such Series on such Interest Payment Date;

(iv) in each Bond Year in which Capital Appreciation Bonds of such Series mature, to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Maturity Amount payable with respect to the Capital Appreciation Bonds of such Series maturing on such Interest Payment Date;

(v) to the Series Reserve Account, an amount, if any, which, together with other amounts, if any, then on deposit therein, will equal the Series Reserve Account Requirement; and

(vi) to the Series Rebate Account, the Rebate Amount, if any, required to be deposited therein pursuant to the Supplemental Indenture related to a Series of Tax-Exempt Bonds.

Notwithstanding the foregoing, so long as there are moneys on deposit in the related Series Capitalized Interest Account on the date required for any transfer into the Series Interest Account as set forth above, the Trustee shall, prior to making any transfer into the related Series Interest Account from the related Series Revenue Account, transfer to the related Series Interest Account from the related Series Capitalized Interest Account, the lesser of the interest on such Series of Bonds coming due on the next succeeding Interest Payment Date or the amount remaining on deposit in the related Series Capitalized Interest Account.

(b) ***Disposition of Remaining Amounts on Deposit in Series Revenue Account.*** The District shall authorize the withdrawal, from time to time, from the

Series Revenue Account an amount sufficient to pay the fees and charges of the Trustee, Bond Registrar, and Paying Agent, when due. Subject to the provisions of Section 604 hereof, if (i) the amount on deposit in the Series Interest Account, Series Principal Account, Series Sinking Fund Account and Series Redemption Account in each Bond Year equals the interest payable on the Bonds of such Series in such Bond Year, the principal amount of all Serial Bonds payable in such Bond Year, the Maturity Amount of all Capital Appreciation Bonds due in such Bond Year and the Amortization Installments required to be paid in such Bond Year, and (ii) any amounts remain in the Series Revenue Account on November 2 of such Bond Year, then such amounts shall, at the written direction of the District, be applied to pay the commissions, fees, costs and any other charges of the Tax Collector and the Property Appraiser or, if such commissions, fees, costs, or other charges have been paid by the District, then to reimburse the District for such payment upon written request of an Authorized Officer. If, after such amounts have been withdrawn, paid and provided for as provided above, any amounts remain in the Series Revenue Account, such amounts shall be disbursed to the District on written request of an Authorized Officer and used for any other lawful purpose of the District. After making the payments provided for in this subsection (b), the balance, if any, remaining in the Series Revenue Account shall be retained therein or, at the written direction of an Authorized Officer to the Trustee, transferred into the Series Prepayment Subaccount of the Series Redemption Account. Upon the occurrence and continuance of an Event of Default hereunder, the foregoing transfer to the Series Prepayment Subaccount shall not be made.

(c) ***Series Reserve Account.*** Except as otherwise provided for herein or in a Supplemental Indenture, moneys held for the credit of a Series Reserve Account shall be used for the purpose of paying interest or principal or Amortization Installment or Maturity Amount on the Bonds of the related Series whenever amounts on deposit in the Series Debt Service Account shall be insufficient for such purpose.

(d) ***Series Debt Service Account.*** Moneys held for the credit of a Series Interest Account, Series Principal Account and Series Sinking Fund Account in a Series Debt Service Account shall be withdrawn therefrom by the Trustee and transferred by the Trustee to the Paying Agent in amounts and at times sufficient to pay, when due, the interest on the Bonds of such Series, the principal of Serial Bonds of such Series, the Maturity Amount of Capital Appreciation Bonds of such Series and the Amortization Installments of Term Bonds of such Series, as the case may be.

(e) ***Series Redemption Account.*** Moneys representing Prepayments on deposit in a Series Prepayment Subaccount to the full extent of a multiple of an Authorized Denomination shall, unless otherwise provided in the Supplemental Indenture relating to such Series of Bonds, be used by the Trustee to redeem Bonds of such Series on the earliest date on which such Bonds are permitted to be called

without payment of premium by the terms hereof (including extraordinary mandatory redemption) and of the Supplemental Indenture relating to such Series of Bonds. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption. Moneys other than from Prepayments shall be held and applied in a Series Redemption Account as provided in Section 506(a) hereof.

(f) ***Payment to the District.*** When no Bonds of a Series remain Outstanding, and after all expenses and charges herein and in the related Supplemental Indenture required to be paid have been paid as certified to the Trustee in writing by an Authorized Officer, and after all amounts due and owing to the Trustee have been paid in full, the Trustee shall pay any balance in the Accounts for such Series of Bonds to the District upon the written direction of an Authorized Officer, free and clear of any lien and pledge created by this Master Indenture; provided, however, that if an Event of Default has occurred and is continuing in the payment of the principal or Maturity Amount of, or interest or premium on the Bonds of any other Series, the Trustee shall pay over and apply any such excess pro rata (based upon the ratio of the aggregate principal amount of such Series of Bonds to the aggregate principal amount of all Series of Bonds then Outstanding and for which such an Event of Default has occurred and is continuing) to each other Series of Bonds for which such an Event of Default has occurred and is continuing.

Section 506. Optional Redemption.

(a) ***Excess Amounts in Series Redemption Account.*** The Trustee shall, but only at the written direction of an Authorized Officer on or prior to the forty-fifth (45th) day preceding the date of redemption, call for redemption on each Interest Payment Date on which Bonds are subject to optional redemption, from moneys on deposit in a Series Redemption Account such amount of Authorized Denominations of Bonds of such Series then subject to optional redemption as, with the redemption premium, if any, will exhaust such amount as nearly as may be practicable. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption.

(b) ***Purchase of Bonds of a Series.*** The District may purchase Bonds of a Series then Outstanding at any time, whether or not such Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, having regard to maturity, option to redeem, rate and price, such price not to exceed the principal of such Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the Owners of such Bonds under the provisions of this Master Indenture and the Supplemental Indenture pursuant to which such Series of Bonds was issued if such Bonds were called for

redemption on such date. Before making each such purchase, the District shall file with the Trustee a statement in writing directing the Trustee to pay the purchase price of the Bonds of such Series so purchased upon their delivery and cancellation, which statement shall set forth a description of such Bonds, the purchase price to be paid therefor, the name of the seller, and the place of delivery of the Bonds. The Trustee shall pay the interest accrued on such Bonds to the date of delivery thereof from the related Series Interest Account and the principal portion of the purchase price of Serial Bonds from the related Series Principal Account, but no such purchase shall be made after the Record Date in any Bond Year in which Bonds have been called for redemption. To the extent that insufficient moneys are on deposit in a related Series Interest Account to pay the accrued interest portion of the purchase price of any Bonds or in a related Series Principal Account to pay the principal amount of the purchase price of any Serial Bond, the Trustee shall transfer into such Accounts from the related Series Revenue Account sufficient moneys to pay such respective amounts. In the event that there are insufficient moneys on deposit in the related Series Sinking Fund Account with which to pay the principal portion of the purchase price of any Term Bonds, the Trustee may, at the written direction of the District, transfer moneys into such related Series Sinking Fund Account from the related Series Revenue Account to pay the principal amount of such purchase price, but only in an amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year calculated after giving effect to any other purchases of Term Bonds during such Bond Year. The Trustee may pay the principal portion of the purchase price of Bonds from the related Series Redemption Account, but only upon delivery of written instructions from an Authorized Officer of the District to the Trustee accompanied by a certificate of an Authorized Officer: (A) stating that sufficient moneys are on deposit in the Series Redemption Account to pay the purchase price of such Bonds; (B) setting forth the amounts and maturities of Bonds of such Series which are to be redeemed from such amounts; and (C) containing cash flows which demonstrate that, after giving effect to the purchase of Bonds in the amounts and maturities set forth in clause (B) above, the Pledged Revenues to be received by the District in the current and each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. The Trustee may pay the principal portion of the purchase price of any Term Bonds from the related Series Sinking Fund Account, but only Term Bonds of a maturity having Amortization Installments in the current Bond Year and in the principal amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year (calculated after giving effect to any other purchases of Term Bonds during such Bond Year). The Trustee may pay the principal portion of the purchase price of Term Bonds having maturities different from or in amounts greater than set forth in the preceding sentence from amounts on deposit in the related Series Sinking Fund Account and the Trustee may transfer moneys from the related Series Revenue Account to the related Series Sinking Fund Account for such purpose, but only upon

delivery of written instructions from an Authorized Officer to the Trustee accompanied by a certificate of an Authorized Officer: (X) stating that sufficient moneys are on deposit in the Series Sinking Fund Account, after giving effect to any transfers from the related Series Revenue Account, to pay the principal portion of the purchase price of such Term Bonds; (Y) setting forth the amounts and maturities of Term Bonds of such Series which are to be redeemed from such amounts and the Amortization Installments against which the principal amount of such purchases are to be credited; and (Z) containing cash flows which demonstrate that, after giving effect to the purchase of Term Bonds in the amounts and having the maturities and with the credits against Amortization Installments set forth in clause (Y) above and any transfers from the related Series Revenue Account, the Pledged Revenues to be received by the District in the current and in each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. If any Bonds are purchased pursuant to this subsection (b), the principal amount of the Bonds so purchased shall be credited as follows:

(i) if the Bonds are to be purchased from amounts on deposit in the Series Prepayment Subaccount of a Series Redemption Account, against the principal coming due or Amortization Installments set forth in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(ii) if the Bonds are Term Bonds of a Series, against the Amortization Installments for Bonds of such Series first coming due in the current Bond Year or, if such Term Bonds so purchased are to be credited against Amortization Installments coming due in any succeeding Bond Year, against the Amortization Installments on Term Bonds of such Series maturing on the same date and designated in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(iii) against the principal or Maturity Amount of Serial Bonds coming due on the maturity date of such Serial Bonds.

Section 507. Rebate Fund.

(a) **Creation.** There is created and established by Section 502 hereof a Rebate Fund, and within the Rebate Fund a Series Rebate Account for each Series of Tax-Exempt Bonds. Moneys deposited and held in the Rebate Fund shall not be subject to the pledge of this Master Indenture.

(b) **Payment to United States.** The Trustee shall pay to the District, upon written request of the District, the Rebate Amount required to be paid to the United States at the times, in the manner and as calculated in accordance with the

Supplemental Indenture related to a Series of Tax-Exempt Bonds. The Trustee shall have no responsibility for computation of the Rebate Amount and instead the District shall cause the Rebate Amount to be calculated by the Rebate Analyst and shall cause the Rebate Analyst to deliver such computation to the Trustee as provided in the Supplemental Indenture related to a Series of Tax-Exempt Bonds but before the date of any required payment of the Rebate Amount to the Internal Revenue Service. The fees of, and expenses incurred by, the Rebate Analyst in computing the Rebate Amount shall be paid by the District, which amount shall be treated as administrative and operating expenses of the District payable or reimbursable from the Series Revenue Account in accordance with Section 505(b) hereof.

(c) ***Deficiencies.*** If the Trustee does not have on deposit in the Series Rebate Account sufficient amounts to make the payments required by this Section 507, the District shall pay, from any legally available source, the amount of any such deficiency to the United States as provided in paragraph (b) above. The Trustee shall have no duty to pay such deficiency from its own funds.

(d) ***Survival.*** The covenants and agreements of the District in this Section 507 and Section 809, and any additional covenants related to compliance with provisions necessary in order to preserve the exclusion of interest on the Tax-Exempt Bonds of a Series from gross income for federal income tax purposes shall survive the defeasance of the Bonds of such Series in accordance with Article XII hereof.

Section 508. Investment of Funds and Accounts. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, moneys held for the credit of the Accounts for such Series of Bonds shall be invested as hereinafter in this Section 508 provided.

(a) ***Series Acquisition and Construction Account, Series Revenue Account and Series Debt Service Account.*** Moneys held for the credit of a Series Acquisition and Construction Account, a Series Revenue Account, and a Series Debt Service Account shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer, which Investment Obligations shall mature, or shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates, as estimated by an Authorized Officer, when moneys held for the credit of each such Account will be required for the purposes intended.

(b) ***Series Reserve Account.*** Moneys held for the credit of a Series Reserve Account shall be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer.

(c) ***Investment Obligations as a Part of Funds and Accounts.*** Investment Obligations purchased as an investment of moneys in any Fund or Account shall be deemed at all times to be a part of such Fund or Account, and the interest accruing thereon and profit realized from such investment shall be credited as provided in Section 510 hereof. Any loss resulting from such investment shall be charged to such Fund or Account. The foregoing notwithstanding, for purposes of investment and to the extent permitted by law, amounts on deposit in any Fund or Account may be commingled for purposes of investment, provided adequate care is taken to account for such amounts in accordance with the prior sentence. The Trustee may, upon the written direction of an Authorized Officer, transfer investments within such Funds or Accounts without being required to sell such investments. The Trustee shall sell at the best price obtainable or present for redemption any obligations so purchased whenever it shall be necessary so to do in order to provide moneys to meet any payment or transfer from any such Fund or Account. The Trustee shall not be liable or responsible for any loss resulting from any such investment or for failure to make an investment (except failure to make an investment in accordance with the written direction of an Authorized Officer) or for failure to achieve the maximum possible earnings on investments. The Trustee shall have no obligation to invest funds without written direction from an Authorized Officer.

(d) ***Valuation.*** In computing the value of the assets of any Fund or Account, investments and earnings thereon shall be deemed a part thereof. The Trustee shall value the assets in each of the Funds and Accounts established hereunder as of September 30 of each Fiscal Year, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder, with the exception of a Series Reserve Account, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the Redemption Price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of a Series Reserve Account, obligations in which money in such Account shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

Section 509. Deficiencies and Surpluses in Funds and Accounts.

For purposes of this Section 509, (a) a "deficiency" shall mean, in the case of a Series Reserve Account, that the amount on deposit therein is less than the Series Reserve Account Requirement (but only after the Bond Year in which the amount on deposit therein first equals the Series Reserve Account Requirement), and (b) a "surplus" shall mean in the case of a Series Reserve Account, that the amount on deposit therein is in excess of the Series Reserve Account Requirement.

At the time of any withdrawal from a Series Reserve Account that results in a deficiency therein, the Trustee shall promptly notify the District of the amount of any such deficiency and the Trustee shall withdraw the amount of such deficiency from the related Series Revenue Account and, if amounts on deposit therein are insufficient therefor, the District shall pay the amount of such deficiency to the Trustee, for deposit in such Series Reserve Account, from the first legally available sources of the District.

The Trustee, as of the close of business on the last Business Day in each Bond Year, after taking into account all payments and transfers made as of such date, shall compute, in the manner set forth in Section 508(d), the value of the Series Reserve Account and shall promptly notify the District of the amount of any deficiency or surplus as of such date in such Series Reserve Account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the Series Reserve Account, from any legally available sources of the District. The Trustee, as soon as practicable after such computation, shall deposit any surplus, at the direction of an Authorized Officer, to the credit of the Series Revenue Account, or as otherwise provided in the related Supplemental Indenture.

Section 510. Investment Income. Unless otherwise provided in a Supplemental Indenture, earnings on Investments in a Series Acquisition and Construction Account, a Series Interest Account, a Series Capitalized Interest Account and a Series Revenue Account shall be retained, as realized, to the credit of such Account and used for the purpose of such Account. Unless otherwise provided in a Supplemental Indenture, earnings on investments in the Funds and Accounts other than a Series Reserve Account and other than as set forth above shall be deposited, as realized, to the credit of such Series Revenue Account and used for the purpose of such Account.

Earnings on investments in a Series Reserve Account shall, unless otherwise provided in a Supplemental Indenture, be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series Reserve Account since such date, then earnings on

investments in the Series Reserve Account shall be deposited to the Series Revenue Account; or

(b) if there was a deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series Reserve Account and have created such a deficiency, then earnings on investments in the Series Reserve Account shall be retained in the Series Reserve Account until the amount on deposit therein equals the Series Reserve Account Requirement and thereafter shall be deposited to the Series Revenue Account.

Section 511. Cancellation of Bonds. All Bonds paid, redeemed or purchased, either at or before maturity, shall be canceled upon the payment, redemption or purchase of such Bonds. All Bonds canceled under any of the provisions of this Master Indenture shall be destroyed by the Paying Agent, which shall upon request of the District execute a certificate in duplicate describing the Bonds so destroyed. One executed certificate shall be filed with the Trustee and the other executed certificate shall be retained by the Paying Agent.

ARTICLE VI CONCERNING THE TRUSTEE

Section 601. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article VI, to all of which the parties hereto and the Owners agree. The Trustee shall have only those duties expressly set forth herein, and no duties shall be implied against the Trustee.

Section 602. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture, in any Supplemental Indenture or in the Bonds, save only the Trustee's authentication certificate, if any, upon the Bonds, have been made by the District and not by the Trustee, and the Trustee shall be under no responsibility for the correctness thereof.

Section 603. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Gross Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of counsel concerning all questions hereunder, and the Trustee shall not be answerable for the default or misconduct of any attorney, agent or employee selected by it with reasonable care. In performance of its duties hereunder, the Trustee may rely on the advice of counsel and shall not be held liable for actions taken in reliance on the advice of counsel. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture or any Supplemental Indenture nor for anything whatsoever in

connection with the trust hereunder, except only its own gross negligence or willful misconduct.

Section 604. Compensation and Indemnity. The District shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, and to the extent permitted under State law, and without waiving any of the privileges and immunities afforded to the District under State law, shall indemnify the Trustee and hold the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder except with respect to its own negligence or misconduct. The Trustee shall have no duty in connection with its responsibilities hereunder to advance its own funds nor shall the Trustee have any duty to take any action hereunder without first having received indemnification satisfactory to it. If the District defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys received or held by the Trustee under this Master Indenture or any Supplemental Indenture other than moneys from a Credit Facility or Liquidity Facility. This Section 604 shall survive termination of this Master Indenture and any Supplemental Indenture, and as to any Trustee, its resignation or removal thereof. As security for the foregoing, the District hereby grants to the Trustee a security interest in and to the amounts on deposit in all Series Funds and Accounts (other than the Rebate Fund) thereby, in effect, granting the Trustee a first charge against these moneys following an Event of Default for its fees and expenses (including legal counsel and default administration costs and expenses), subordinate and inferior to the security interest granted to the Owners of the Bonds from time to time secured thereby, but nevertheless payable in the order of priority as set forth in Section 905(a) upon the occurrence of an Event of Default.

Section 605. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the District to require or effect or renew insurance or to report or file claims of loss thereunder.

Section 606. Notice of Default; Right to Investigate. The Trustee shall give written notice, as soon as practicable, by first-class mail to registered Owners of Bonds of all defaults of which the Trustee has actual knowledge, unless such defaults have been remedied (the term "defaults" for purposes of this Section 606 and Section 607 being defined to include the events specified as "Events of Default" in Section 902 hereof, but not including any notice or periods of grace provided for therein) or if the Trustee, based upon the advice of counsel upon which the Trustee is entitled to rely, determines that the giving of such notice is not in the best interests of the Owners of the Bonds. The Trustee will be deemed to have actual knowledge of any payment default under this Master Indenture or under any Supplemental Indenture and after receipt of written notice thereof by a Credit

Facility issuer or Liquidity Facility issuer of a default under its respective reimbursement agreement, but shall not be deemed to have actual knowledge of any other default unless notified in writing of such default by the Owners of at least twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding and affected by such default. The Trustee may, however, at any time require of the District full information as to the performance of any covenant hereunder; and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the District, an investigation into the affairs of the District.

Section 607. Obligation to Act on Default. Before taking any action under this Master Indenture or any Supplemental Indenture in respect of an Event of Default, or any action that would require the Trustee to expend its own funds, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability resulting from its own gross negligence or willful misconduct in connection with any such action.

Section 608. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, telegram, request, consent, waiver, opinion, certificate, statement, affidavit, voucher, bond, or other paper or document or telephone message which it in good faith believes to be genuine and to have been passed, signed or given by the proper persons or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture or any Supplemental Indenture, and the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

Section 609. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owners may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture or any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the District.

Section 610. Construction of Ambiguous Provision. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture or any Supplemental Indenture and any construction by the Trustee shall be binding upon the Owners. The Trustee shall give prompt written notice to the District of any intention to make such construal.

Section 611. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture by written resignation filed with the Secretary of the District not less than sixty (60) days before the date when such resignation is to take effect; provided that notice of such resignation

shall be sent by first-class mail to each Owner as its name and address appears on the Bond Register and to any Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within sixty (60) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed.

Section 612. Removal of Trustee. Any Trustee hereunder may be removed at any time without cause by an instrument appointing a successor to the Trustee so removed, upon application of the District; provided, however, that if an Event of Default has occurred hereunder and is continuing with respect to a Series of Bonds, then the Trustee hereunder may be removed only by an instrument appointing a successor to the Trustee so removed executed by the Majority Owners of the Series of Bonds as to which such Event of Default exists and filed with the Trustee and the District.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the District; provided that no Event of Default has occurred hereunder and is continuing, or upon the application of the Owners of not less than twenty percent (20%) in aggregate principal amount of the Bonds then Outstanding.

Section 613. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the District shall appoint a successor and shall mail notice of such appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Register, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer; provided, however, that the District shall not appoint a successor Trustee if an Event of Default has occurred and is continuing, unless the District shall have received the prior written consent, which consent shall not be unreasonably withheld, of any Credit Facility issuer and any Liquidity Facility issuer, to the appointment of such successor Trustee. If an Event of Default has occurred hereunder and is continuing and the Trustee or any successor Trustee

Section 616. Merger of Trustee. Any corporation, entity or purchaser into which any Trustee hereunder may be merged or with which it may be consolidated or into which all or substantially all of its corporate trust assets shall be sold or its operations conveyed, or any corporation, entity or purchaser resulting from any merger, consolidation or sale to which any Trustee hereunder shall be a party, shall be the successor Trustee under this Master Indenture, without the execution or filing of any paper or any further act on the part of the parties thereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation, entity or purchaser continuing to act as Trustee hereunder shall meet the requirements of Section 614 hereof, and if such corporation, entity or purchaser does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article VI.

Such resignation shall take effect on the date specified in such notice, unless a successor Paying Agent or Bond Registrar is previously appointed in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Bond Registrar. If a successor Paying Agent or Bond Registrar shall not have been appointed within a period of sixty (60) days following the giving of notice, then the Trustee may appoint a successor Paying Agent or Bond Registrar as provided in Section 619 hereof.

Section 618. Removal of Paying Agent or Bond Registrar. The Paying Agent or Bond Registrar may be removed at any time without cause prior to any Event of Default by the District by filing with the Paying Agent or Bond Registrar to be removed and the Trustee, an instrument or instruments in writing executed by an Authorized Officer appointing a successor. In case at any time the Paying Agent or Bond Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Bond Registrar, as the case may be, and a successor shall be appointed by the District; and in case at any time the Paying Agent or Bond Registrar shall resign, then a successor shall be appointed by the District. Upon any such appointment, the District shall give written notice of such appointment to the predecessor Paying Agent or Bond Registrar, the successor Paying Agent or Bond Registrar, the Trustee and all Owners. Any new Paying Agent or Bond Registrar so appointed shall immediately and without further act supersede the predecessor Paying Agent or Bond Registrar.

Section 620. Qualifications of Successor Paying Agent or Bond Registrar. Every successor Paying Agent or Bond Registrar shall (a) be a commercial bank or trust company duly organized under the laws of the United

States or any state or territory thereof, authorized by law to perform all the duties imposed upon it by this Master Indenture, and capable of meeting its obligations hereunder, and (b) have a combined net capital and surplus of at least \$50,000,000.

Section 621. Acceptance of Duties by Successor Paying Agent or Bond Registrar. Except as provided in Section 622 hereof, any successor Paying Agent or Bond Registrar appointed hereunder shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder, and thereupon such successor Paying Agent or Bond Registrar, without any further act, deed or conveyance, shall become duly vested with all the estates property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Bond Registrar herein. Section 623. Brokerage Statements. The District acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive individual confirmations of security transactions at no additional cost, as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the District periodic cash transaction statements that include detail for all investment transactions made by the Trustee hereunder.

Section 624. Patriot Act Requirements of the Trustee. To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a trust, or other legal entity, the Trustee will ask for documentation to verify such non-individual person's formation and existence as a legal entity. The Trustee may also ask to see financial statements, licenses,

identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

Except as provided herein, the District hereby represents that such moneys, securities and funds of the District are and will be free and clear of any pledge, lien, charge or encumbrance thereon and all action on the part of the District to that end has been and will be duly and validly taken. The Bonds of each Series, this Master Indenture and any Supplemental Indenture are and will be the valid and legally enforceable obligations of the District, enforceable in accordance with their terms except to the extent that enforcement thereof may be subject to bankruptcy and other similar laws affecting creditors' rights generally. The District shall at all times, to the extent permitted by law, defend, preserve and protect the pledge and lien created by this Master Indenture and all the rights of the Owners hereunder against all claims and demands of all other persons whomsoever.

Section 805. Power to Undertake Series Projects and to Collect Pledged Revenues. The District has or will have upon the date of issuance of each Series of Bonds, and will have so long as any Bonds are Outstanding, good right and lawful power: (a) to undertake the Series Projects, or it will take such action on its part required which it deems reasonable in order to obtain licenses, orders, permits or other authorizations, if any, from any agency or regulatory body having lawful jurisdiction which must be obtained in order to undertake such Series Project; and (b) to fix, levy and collect or cause to be collected any and all Pledged Revenues.

Section 806. Sale of Series Projects. The District may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments, or other movable property acquired by the District in connection with a Series Project, or any materials used in connection therewith, if the District shall determine that such articles are no longer needed or are no longer useful in connection with the acquisition, construction, operation or maintenance of a Series Project, and the proceeds thereof may be applied to the replacement of the properties so sold or disposed of and, if not so applied, shall be deposited to the credit of the related Series Acquisition and Construction Account or, after the Date of Completion of the Series Project, shall be applied as provided in the corresponding Supplemental Indenture. The District may from time to time sell or lease such other property forming part of a Series Project which it may determine is not needed or serves no useful purpose in connection with the maintenance and operation of such Series Project, if the Consulting Engineer shall in writing approve such sale or lease, and the proceeds of any such sale shall be disposed of as hereinabove provided for the proceeds of the sale or disposal of movable property. The proceeds of any lease as described above shall be applied as provided in the corresponding Supplemental Indenture.

Notwithstanding the foregoing, the District may: (a) dispose of all or any part of a Series Project, other than a Series Project the revenues to be derived from the operation of which are pledged to a Series of Bonds, by gift or dedication thereof to any unit of local government, or to the State or any agency or instrumentality of either of the foregoing or the United States Government; and/or (b) impose, declare or grant title to or interests in the Series Project or a portion or portions thereof in order to create ingress and egress rights and public and private utility easements as the District may deem necessary or desirable for the development, use and occupancy of the property within the District; and/or (c) impose or declare covenants, conditions and restrictions pertaining to the use, occupancy and operation of the Series Projects.

Section 808. Accounts and Reports.

(a) ***Annual Report.*** The District shall, within thirty (30) days of receipt and approval by the District, so long as any Bonds are Outstanding, deliver to each Requesting Owner (hereinafter defined), and otherwise as provided by law, a copy of its annual audit for such year, accompanied by an Accountant's Certificate, including (i) statements in reasonable detail of its financial condition as of the end of such Fiscal Year and income and expenses for such Fiscal Year, and (ii) statements of all receipts and disbursements of the Pledged Revenues of each Series of Bonds (unless the Pledged Revenues of such Series are remitted directly to the Trustee). The Trustee shall, within ninety (90) days after the close of each Fiscal Year so long as any Bonds are Outstanding, file with the District a summary with respect to each Fund and Account of the deposits thereto and disbursements therefrom during such Fiscal Year and the amounts held therein at the end of such Fiscal Year, or at the option of the Trustee, such summary can be made on a monthly basis. For purposes of the foregoing, the term "Requesting Owner" shall mean the Owner (or Beneficial Owner in the case of Bonds held in book-entry form) of more than \$1,000,000 aggregate principal amount of any Series of Bonds who requests such information in writing to the District.

(b) ***No Default Certificate.*** The District shall file with the Trustee, so long as any Bonds are Outstanding, a certificate of an Authorized Officer upon the occurrence of an Event of Default as described in Section 902(h) hereof, such certificate to contain a description of the nature of such Event of Default and actions taken or to be taken to remedy such Event of Default.

(c) ***Inspection.*** The reports, statements and other documents required to be furnished by the District to the Trustee and by the Trustee to the District pursuant to any provisions hereof shall be available for inspection by any Owner at the designated office of the District upon the giving of at least five (5) days advance written notice to the District or the Trustee, as the case may be.

The District may contract with a service provider selected by the District to ensure such compliance.

Section 809. Arbitrage and Other Tax Covenants. The District hereby covenants that it will not take any action, and will not fail to take any action, which action or failure would cause any Tax-Exempt Bonds to become "arbitrage bonds" as defined in Section 148 of the Code. The District further covenants that it will take all such actions after delivery of any Tax-Exempt Bonds as may be required in order

for interest on such Tax-Exempt Bonds to remain excludable from gross income (as defined in Section 61 of the Code) of the Owners. Without limiting the generality of the foregoing, the District hereby covenants that it will to the extent not remitted by the Trustee from funds held in the Rebate Account, remit to the United States the Rebate Amount at the time and place required by this Master Indenture, any Supplemental Indenture, and the Tax Regulatory Covenants.

Section 810. Enforcement of Payment of Assessments. The District will assess, levy, collect or cause to be collected and enforce the payment of Assessments and/or any other sources which constitute Pledged Revenues for the payment of any Series of Bonds in the manner prescribed by this Master Indenture, any Supplemental Indenture and all resolutions, ordinances or laws thereunto appertaining at times and in amounts as shall be necessary in order to pay, when due, the principal of and interest on the Series of Bonds to which such Pledged Revenues are pledged, and to pay or cause to be paid the proceeds of such Assessments and/or any other sources as received to the Trustee in accordance with the provisions hereof.

Section 811. Method of Collection of Assessments. The District shall levy and collect Assessments in accordance with applicable State law.

Section 812. Delinquent Assessments. If the owner of any lot or parcel of land shall be delinquent in the payment of any Assessment pledged to a Series of Bonds, then such Assessment shall be enforced in accordance with the provisions of Chapters 170 and/or 197, Florida Statutes, including but not limited to the sale of tax certificates and tax deeds as regards such Delinquent Assessment. In the event the provisions of Chapter 197, Florida Statutes, are inapplicable or unavailable, or in the event that an Assessment was directly collected by the District, as permitted by a Supplemental Indenture, then upon the delinquency of any such Assessment, the District either on its own behalf, or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Owners of the Bonds of such Series then Outstanding, declare the entire unpaid balance of such Assessment, to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapters 170 and 173, Florida Statutes, or otherwise as provided by law. The District further covenants to furnish, at its expense, to any Owner of Bonds of the related Series so requesting, sixty (60) days after the due date of each annual installment, a list of all Delinquent Assessments together with a copy of the District's annual audit (if available), and a list of foreclosure actions currently in progress and the current status of such Delinquent Assessments.

Section 813. Deposit of Proceeds from Sale of Tax Certificates. If any tax certificates relating to Delinquent Assessments which are pledged to a Series of Bonds are sold by the Tax Collector pursuant to the provisions of Section

197.432, Florida Statutes, or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Delinquent Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than five (5) Business Days following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the related Series Revenue Account.

Section 814. Sale of Tax Deed or Foreclosure of Assessment. If any property shall be offered for sale for the nonpayment of any Assessment which is pledged to a Series of Bonds, and no person or persons shall purchase such property for an amount less than or equal to the full amount due on the Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series of Bonds to which such Assessments were pledged; provided that the Trustee shall have the right, acting at the direction of the Majority Owners of the applicable Series of Bonds secured by such Assessments, but shall not be obligated, to direct the District with respect to any action taken pursuant to this paragraph. The District, either through its own actions, or actions caused to be taken through the Trustee, shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the related Series Revenue Account. Not less than ten (10) days prior to the filing of any foreclosure action as herein provided, the District shall cause written notice thereof to be mailed to any designated agents of the Owners of the related Series of Bonds. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the District, it shall give written notice thereof to such representatives. The District, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for the listing for sale of property acquired by it as trustee for the benefit of the Owners of the related Series of Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners of the Bonds of such Series then Outstanding.

Section 815. Other Obligations Payable from Assessments. The District will not issue or incur any obligations payable from the proceeds of Assessments securing a Series of Bonds nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge upon such Assessments other than the lien of any Subordinate Debt except for fees, commissions, costs, and other charges payable to the Property Appraiser or to the Tax Collector pursuant to State law.

Section 816. Re-Assessments. If any Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or the District shall be satisfied that any such Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Assessment when it might have done so, the District shall either: (a) take all necessary steps to cause a new Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement; or (b) in its sole discretion, make up the amount of such Assessment from legally available moneys, which moneys shall be deposited into the related Series Revenue Account. In case any such subsequent Assessment shall also be annulled, the District shall obtain and make other Assessments until a valid Assessment shall be made.

Section 817. General. The District shall do and perform, or cause to be done and performed, all acts and things required to be done or performed by or on behalf of the District under law and this Master Indenture, in accordance with the terms of such provisions.

Upon the date of issuance of each Series of Bonds, all conditions, acts and things required by law and this Master Indenture and any Supplemental Indenture to exist, to have happened and to have been performed precedent to and in the issuance of such Series of Bonds shall exist, have happened and have been performed and upon issuance, such Series of Bonds shall be within every debt and other limit prescribed by the laws of the State applicable to the District.

For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the District shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Series Projects, and all parts thereof owned by the District to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby, and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

Section 818. Continuing Disclosure. The District covenants and agrees that it will comply with and carry out all of the provisions of any Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture or any Supplemental Indenture, failure of the District or any other obligated person to comply with any Continuing Disclosure Agreement shall not be considered an Event of Default hereunder; however, the Trustee may (and, at the request of any participating underwriter or the Owners of at least twenty-five percent (25%) aggregate principal amount of Bonds of a Series then Outstanding

and receipt of indemnity to its satisfaction, shall) or any Owner or Beneficial Owner of the Bonds of a Series then Outstanding may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the District to comply with its obligations under this Section 818. Section 904. Enforcement of Remedies. Upon the happening and continuance of any Event of Default specified in Section 902 above with respect to a Series of Bonds, the Trustee may protect and enforce the rights of the Owners of the Bonds of such Series under State law, and under this Master Indenture, the related Supplemental Indenture and the Bonds of such Series, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein or in the related Supplemental Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Bonds of such Series then Outstanding shall, subject to the requirements of Section 607, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee hereunder, provided that such directions shall not be in conflict with any rule of law or this Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series of Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the

foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this second paragraph of this Section 904.

No Owner of such Series of Bonds shall have any right to pursue any other remedy under this Master Indenture or such Series of Bonds unless: (a) an Event of Default shall have occurred and is continuing; (b) the Majority Owners of the Bonds of such Series then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the first paragraph of this Section 904 or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so, within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such sixty (60) day period by the Majority Owners of the Bonds of such Series then Outstanding. The provisions of the immediately preceding sentence of this Section 904 are conditions precedent to the exercise by any Owner of such Series of Bonds of any remedy hereunder. The exercise of such rights is further subject to the provisions of Sections 907, 909, 910, 912 and the second paragraph of this Section 904. No Owner or Owners of such Series of Bonds shall have any right in any manner whatsoever to enforce any right under this Master Indenture, except in the manner herein provided.

The District covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Bonds of a Series. Notwithstanding anything to the contrary herein, and unless otherwise directed by the Majority Owners of the Bonds of a Series and allowed pursuant to federal or State law, the District acknowledges and agrees that (y) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (z) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

Section 905. Pro Rata Application of Funds Among Owners of a Series of Bonds. Anything in this Master Indenture to the contrary notwithstanding, if at any time the moneys in the Series Funds and Accounts shall not be sufficient to pay Debt Service on the related Series of Bonds when due, such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article IX or otherwise, shall be applied as follows:

(a) Unless the aggregate principal amount of all the Bonds of such Series shall have become due and payable or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied:

FIRST: to the payment of any then-due fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid;

SECOND: to payment to the persons entitled thereto of all installments of interest then due and payable on the Bonds of such Series, in the order in which such installments become due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the rates of interest specified in the Bonds of such Series; and

THIRD: to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds of such Series which shall have become due (other than Bonds of such Series called for redemption for the payment of which sufficient moneys are held pursuant to this Master Indenture), in the order of their due dates, with interest upon the Bonds of such Series at the rates specified therein from the dates upon which they become due to their payment date, and, if the amount available shall not be sufficient to pay in full the principal of Bonds of such Series due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Owners of the Bonds of such Series entitled thereto without any discrimination or preference except as to any difference in the foregoing rates of interest.

(b) If the aggregate principal amount of all the Bonds of a Series shall have become due and payable in accordance with their terms or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied first to the payment of any fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise

paid, and then the payment of the whole amount of principal and interest then due and unpaid upon the Bonds of such Series, without preference or priority of principal or of interest or of any installment of interest over any other, or of any Bond over any other Bond of such Series, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds of such Series.

(c) If the principal of all the Bonds of a Series shall have been declared due and payable pursuant to the provisions of Section 903 hereof, and if such declaration shall thereafter have been rescinded and annulled pursuant to the provisions of Section 903 hereof, then, if the aggregate principal amount of all of the Bonds of such Series shall later become due or be declared due and payable pursuant to the provisions of Section 903 hereof, the moneys remaining in and thereafter accruing to the related Series Revenue Fund shall be applied in accordance with subsection (b) above.

The provisions of this Section 905 are in all respects subject to the provisions of Section 901 hereof.

Whenever moneys are to be applied pursuant to this Section 905, such moneys shall be applied by the Trustee at such times as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application. The deposit of such moneys with the Paying Agent shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to any Owner or to any other person for any delay in applying any such funds, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies such moneys in accordance with such provisions of this Master Indenture as may be applicable at the time of application. Whenever the Trustee shall exercise such discretion in applying such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to any Owner until such Bond shall be surrendered to him for appropriate endorsement.

Section 906. Effect of Discontinuance of Proceedings. If any proceeding taken by the Trustee or any Owner on account of any default shall have been discontinued or abandoned for any reason, then the District and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Owners shall continue as though no such proceeding had been taken.

Section 907. Restriction on Individual Owner Actions. Except as provided in Section 910 below, no Owner of any Bonds of a Series shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Master Indenture or any Supplemental Indenture, or to enforce any right hereunder or thereunder except in the manner herein or therein provided, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Owners of the Bonds of such Series.

Section 908. No Remedy Exclusive. No remedy conferred upon the Trustee or the Owners is intended to be exclusive of any other remedy herein or in any Supplemental Indenture provided, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereunder.

Section 909. Delay Not a Waiver. No delay or omission of the Trustee or any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given to the Trustee and the Owners may be exercised from time to time and as often as may be deemed expedient.

Section 910. Right to Enforce Payment of Bonds. Nothing in this Article IX shall affect or impair the right of any Owner to enforce the payment of Debt Service on the Bond of which such person is the registered Owner, or the obligation of the District to pay Debt Service to the Owner at the time and place specified in such Bond.

Section 911. No Cross Default Among Series. The occurrence of an Event of Default hereunder or under any Supplemental Indenture with respect to any Series of Bonds shall not constitute an Event of Default with respect to any other Series of Bonds, unless the event giving rise to the Event of Default also constitutes an Event of Default hereunder or under the Supplemental Indenture with respect to such other Series of Bonds.

Section 912. Indemnification. Other than to make proper draws under a Credit Facility, the Trustee shall be under no obligation to institute any suit or to take any remedial proceeding under this Master Indenture or any Supplemental Indenture or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to advance its own money, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability. Notwithstanding the foregoing, the indemnification provided by this Section 912 shall not be applicable in cases of the Trustee's gross negligence or willful misconduct.

Section 913. Provisions Relating to Bankruptcy or Insolvency of Landowner.

(a) The provisions of this Section 913 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Assessments pledged to the Bonds of a Series then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

(b) The District acknowledges and agrees that, although the Bonds of a Series were issued by the District, the Owners of the Bonds of a Series are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the District hereby agrees that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds of a Series then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(ii) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(iii) the District hereby agrees that it shall make a reasonable attempt to timely seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of

such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Assessments relating to the Bonds of a Series then Outstanding, would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including, without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Assessments relating to the Bonds of a Series then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Assessments relating to the Bonds of a Series then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Assessments pledged to the Bonds of a Series then Outstanding, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District acknowledges and agrees that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

(c) Nothing in this Section 913 shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole

and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Assessments relating to the Bonds of a Series then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (b)(iv) above.

ARTICLE X

EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF OWNERSHIP OF BONDS

Section 1001. Execution of Instruments by Owners and Proof of Ownership of Bonds. Any request, direction, consent or other instrument in writing required or permitted by this Master Indenture or any Supplemental Indenture to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor and may be signed or executed by Owners or their attorneys or legal representatives. Proof of the execution of any such instrument shall be sufficient for any purpose of this Master Indenture and shall be conclusive in favor of the District with regard to any action taken by it under such instrument if verified by any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

Nothing contained in this Article X shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond in respect of anything done by the Trustee or the District in pursuance of such request or consent.

Section 1002. Deposit of Bonds. Notwithstanding the foregoing, neither the District nor the Trustee shall be required to recognize any person as an Owner of any Bond or to take any action at his request unless such Bond shall be deposited with the Trustee.

ARTICLE XI

SUPPLEMENTAL INDENTURES

Section 1101. Supplemental Indentures Without Owner Consent. The Governing Body from time to time may authorize such indentures

supplemental hereto or amendatory hereof as shall not be inconsistent with the terms and provisions hereof (which Supplemental Indenture shall thereafter form a part hereof), without the consent of the Owners, for the following purposes:

(a) to provide for the initial issuance of a Series of Bonds or Refunding Bonds; or

(b) to make any change whatsoever to the terms and provisions of this Master Indenture, but only as such change relates to a Series of Bonds upon the original issuance thereof (or upon the original issuance of Refunding Bonds which defease and discharge the Supplemental Indenture of the Series of Bonds to be refunded) under and pursuant to the terms of the Supplemental Indenture effecting such change; or

(c) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Master Indenture; or

(d) to grant to the Owners or to the Trustee on behalf of the Owners any additional rights or security that may lawfully be granted; or

(e) to add to the covenants and agreements of the District in this Master Indenture other covenants and agreements thereafter to be observed by the District to the benefit of the Owners of the Bonds then Outstanding; or

(f) to make such changes as may be necessary in order to reflect amendments to the Act or Chapters 170, 197 and 298, Florida Statutes, or any other Florida Statutes, so long as, in the opinion of counsel to the District, such changes either: (i) do not have a material adverse effect on the Owners of each Series of Bonds to which such changes relate; or (ii) if such changes do have a material adverse effect, that they nevertheless are required to be made as a result of such amendments; or

(g) to modify the provisions of this Master Indenture or any Supplemental Indenture provided that such modification does not, in the written opinion of Bond Counsel, materially adversely affect the interests of the Owners of Bonds then Outstanding, upon which opinion the Trustee may conclusively rely.

Section 1102. Supplemental Indentures With Owner Consent.

(a) Subject to the provisions contained in this Section 1102, and not otherwise, the Majority Owners of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental hereto or amendatory hereof as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of this Master Indenture; provided, however,

that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds then Outstanding and affected by such supplement or amendment,

- (i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond;
- (ii) a reduction in the principal, premium, or interest on any Bond;
- (iii) a preference or priority of any Bond over any other Bond; or
- (iv) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Indenture.

(b) In addition to the foregoing, the Majority Owners of any Series of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental to the Supplemental Indenture relating to such Series of Bonds or amendatory thereof, but not hereof, as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of such Supplemental Indenture or of any indenture supplemental thereto; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds of such Series then Outstanding and affected by such amendment,

- (i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond of such Series;
- (ii) a reduction in the principal, premium, or interest on any Bond of such Series;
- (iii) a preference or priority of any Bond of such Series over any other Bond of such Series; or
- (iv) a reduction in the aggregate principal amount of the Bonds of such Series required for consent to such indenture supplemental to the Supplemental Indenture.

(c) If at any time the District shall determine that it is desirable to approve any Supplemental Indenture pursuant to this Section 1102, the District shall cause the Trustee to mail, at the expense of the District, notice of the proposed approval to the Owners whose approval is required. Such notice shall be prepared by the District and shall briefly set forth the nature of the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture and shall state that copies thereof are on file with the Secretary for inspection by all affected

Owners. The District shall not, however, be subject to any liability to any Owner by reason of its failure to cause the notice required by this Section 1102 to be mailed and any such failure shall not affect the validity of such Supplemental Indenture or indenture supplemental to a Supplemental Indenture when consented to and approved as provided in this Section 1102.

(d) Whenever, at any time within one (1) year after the date of the first mailing of such notice, there shall be delivered to the District an instrument or instruments in writing purporting to be executed by the Owners of the requisite principal amount of the Bonds of such Series then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Governing Body and the Trustee may approve such Supplemental Indenture and cause it to be executed, in substantially such form, without liability or responsibility to any Owner.

Section 1103. Opinion of Bond Counsel With Respect to Supplemental Indenture. In addition to the other requirements herein set forth with respect to Supplemental Indentures or indentures supplemental to a Supplemental Indenture, no such indenture shall be effective unless and until there shall have been delivered to the Trustee, at the expense of the District, an opinion of Bond Counsel to the effect that such indenture is permitted pursuant to this Master Indenture and that such indenture is the valid and binding obligation of the District enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or general equitable principles, upon which opinion the Trustee may conclusively rely. In addition, if such indenture relates to a Series of Tax-Exempt Bonds, such opinion shall also state that such indenture will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the related Series of Bonds.

Section 1104. Supplemental Indenture Part of Indenture. Any Supplemental Indenture executed in accordance with this Article XI and approved as to legality by counsel to the District shall thereafter, except as otherwise provided therein, form a part of this Master Indenture. Except as applicable only to Bonds of a Series, all of the terms and conditions contained in any such Supplemental Indenture amendatory of this Master Indenture shall be part of the terms and conditions hereof. The Trustee is not obligated to execute any amendment that is adverse to the interests of the Trustee.

Section 1105. Insurer or Issuer of a Credit Facility or Liquidity Facility as Owner of Bonds.

(a) As long as a Credit Facility or Liquidity Facility securing all or a portion of the Bonds of a Series then Outstanding is in effect and the issuer thereof is not in default of any of its obligations under such Credit Facility or Liquidity Facility, as the case may be, the issuer of the Credit Facility or Liquidity Facility or the Insurer, to the extent so authorized in the applicable Supplemental Indenture, will be deemed to be the Owner of the Bonds of such Series secured by the Credit Facility or Liquidity Facility:

(i) at all times for the purpose of the execution and delivery of a Supplemental Indenture or of any amendment, change or modification of the Master Indenture or the applicable Supplemental Indenture or the initiation by Owners of any action to be undertaken by the Trustee at the Owner's request, which under the Master Indenture or the applicable Supplemental Indenture requires the written approval or consent of or can be initiated by the Majority Owners of the Bonds of such Series then Outstanding;

(ii) at all times for the purpose of the mailing of any notice to Owners under the Master Indenture or the applicable Supplemental Indenture; and

(iii) following an Event of Default for all other purposes.

(b) Notwithstanding the foregoing, neither an Insurer nor the issuer of a Credit Facility or Liquidity Facility with respect to a Series of Bonds will be deemed to be an Owner of the Bonds of such Series with respect to any such Supplemental Indenture or of any amendment, change or modification of the Master Indenture which would have the effect of permitting:

(i) a change in the terms of redemption or maturity of any Bonds of a Series then Outstanding or of any installment of interest thereon; or

(ii) a reduction in the principal amount or the Redemption Price thereof or in rate of interest thereon; or

(iii) reducing the percentage or otherwise affecting the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment; or

(iv) creating any preference or priority of any Bond of a Series over any other Bond of such Series.

ARTICLE XII DEFEASANCE

Section 1201. Defeasance and Discharge of the Lien of this Master Indenture and Supplemental Indentures.

(a) If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds, the principal or Redemption Price, if applicable, and interest due or to become due thereon and the obligations under any Letter of Credit Agreement and any Liquidity Agreement, at the times and in the manner stipulated therein and in this Master Indenture and pays or causes to be paid all other moneys owing hereunder and under any Supplemental Indenture (including, without limitation the fees and expenses of the Trustee, including reasonable counsel fees and expenses), then the lien of this Master Indenture and all covenants, agreements and other obligations of the District to the Owners and the issuer of any Credit Facility or Liquidity Facility shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee upon the request of the District shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee and the Paying Agent shall pay over or deliver, as directed by the District, all moneys or securities held by them pursuant to this Master Indenture which are not required for the payment of principal or Redemption Price, if applicable, on Bonds not theretofore surrendered for such payment or redemption or for payment of obligations under any Letter of Credit Agreement and any Liquidity Agreement. If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds then Outstanding or of a particular maturity, of a particular Series or of any part of a particular maturity or Series, the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Master Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Master Indenture, and all covenants, agreements and obligations of the District to the Owners of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied. Anything to the contrary in this Section 1201 notwithstanding, this Master Indenture shall not be discharged nor shall any Bonds with respect to which moneys or Federal Securities have been deposited in accordance with the provisions of this Section 1201 cease to be entitled to the lien, benefit or security under this Master Indenture, except to the extent that the lien, benefit and security of this Master Indenture and the obligations of the District hereunder shall be limited solely to and such Bonds shall be secured solely by and be payable solely from the moneys or Federal Securities so deposited.

(b) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit pursuant to this Master Indenture of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have

been paid within the meaning and with the effect expressed in this Section 1201. All Bonds of any particular maturity or Series then Outstanding shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section 1201 if:

(i) in case any of such Bonds are to be redeemed on any date prior to their maturity, the District shall have given to the Trustee or the Bond Registrar irrevocable instructions accepted in writing by the Trustee or the Bond Registrar to mail as provided in Article III hereof notice of redemption of such Bonds on such date;

(ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Federal Securities, the principal of and the interest on which when due shall, as demonstrated in an Accountant's Certificate, provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be;

(iii) the District shall have given the Trustee or the Bond Registrar in form satisfactory to it irrevocable instructions to mail, postage prepaid, to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice to the registered Owners of such Bonds and to the Bond Registrar that the deposit required by (ii) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section 1201 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on such Bonds; and

(iv) an opinion of Bond Counsel to the effect that such defeasance is permitted under this Master Indenture and the Supplemental Indenture relating to the Series of Bonds so defeased and that, in the case of Tax-Exempt Bonds, such defeasance will not adversely affect the tax-exempt status of such Series of Bonds.

(c) Neither Federal Securities nor moneys deposited with the Trustee pursuant to this Section 1201 nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on such Bonds; provided that any cash received from such principal or interest payments on such Federal Securities deposited with the Trustee:

(i) to the extent such cash shall not be required at any time for such purpose as evidenced by an Accountant's Certificate, and to the extent all obligations under any Letter of Credit Agreement and any Liquidity Agreement are satisfied, as determined by an Insurer or an issuer of any Credit Facility or Liquidity Facility securing the Bonds with respect to which such Federal Securities have been so deposited, shall be paid over upon the direction of the District as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing such Bonds or otherwise existing under this Master Indenture; and

(ii) to the extent such cash shall be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on such Bonds, or obligations under any Letter of Credit Agreement and any Liquidity Agreement, on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over as received by the Trustee to the District, free and clear of any lien, pledge or security interest securing such Bonds or otherwise existing under this Master Indenture.

For the purposes of this provision, Federal Securities means and includes only such securities which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof.

(d) As to any Variable Rate Bonds, whether discharged and satisfied under the provisions of subsection (a) or (b) above, the amount required for the interest thereon shall be calculated at the maximum rate permitted by the terms of the provisions which authorized the issuance of such Variable Rate Bonds; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than such maximum rate for any period, the total amount of moneys and Investment Obligations on deposit for the payment of interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Bonds in order to fully discharge and satisfy such Bonds and obligations under any Letter of Credit Agreement and any Liquidity Agreement pursuant to the provisions of this Section 1201, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing said Variable Rate Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(e) Notwithstanding any of the provisions of this Master Indenture to the contrary, Option Bonds may only be fully discharged and satisfied either pursuant to subsection (a) above or by depositing in the Series Interest Account, the Series Principal Account, the Series Sinking Fund Account and the Series Redemption

Account, or in such other accounts which are irrevocably pledged to the payment of the Option Bonds, as the District may create and establish by Supplemental Indenture, moneys which together with other moneys lawfully available therefor shall be sufficient at the time of such deposit to pay when due the maximum amount of principal of and Redemption Price, if any, and interest on such Option Bonds which could become payable to the Owners of such Bonds upon the exercise of any options provided to the Owners of such Bonds; provided however, that if at the time a deposit is made pursuant to this subsection (e) the options originally exercisable by the Owner of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this subsection (e). If any portion of the moneys deposited for the payment of the principal of and Redemption Price, if any, and interest on Option Bonds is not required for such purpose and is not needed to reimburse an Insurer or an issuer of any Credit Facility or Liquidity Facility, for obligations under any Letter of Credit Agreement and any Liquidity Agreement, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing such Option Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(f) Anything in this Master Indenture to the contrary notwithstanding, any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for two (2) years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bonds became due and payable, shall at the written request of the District be repaid by the Trustee or Paying Agent to the District, as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Owners shall look only to the District for the payment of such Bonds; provided, however, that before being required to make any such payment to the District, the Trustee or Paying Agent shall, at the expense of the District, cause to be mailed, postage prepaid, to any Insurer or any issuer of any Credit Facility or Liquidity Facility, and to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice that such moneys remain unclaimed and that, after a date named in such notice, which date shall be not less than thirty (30) days after the date of the mailing of such notice, the balance of such moneys then unclaimed shall be returned to the District.

(g) In the event that the principal and Redemption Price, if applicable, and interest due on the Bonds shall be paid by the Insurer pursuant to a municipal bond insurance policy, the assignment and pledge and all covenants, agreements and other obligations of the District to the Owners of such Bonds shall continue to exist and the Insurer shall be subrogated to the rights of such Owners.

(h) Anything in this Master Indenture to the contrary notwithstanding, the provisions of the foregoing subsections (b) through (g) shall apply to the discharge of Bonds of a Series and to the discharge of the lien of any Supplemental Indenture securing such Series of Bonds as though each reference to the "Master Indenture" were a reference to such "Supplemental Indenture" and as though each reference to "Bonds then Outstanding" were a reference to the "Bonds of such Series then Outstanding."

Section 1202. Moneys Held in Trust. All moneys and obligations held by an escrow or paying agent or trustee pursuant to this Section 1202 shall be held in trust and the principal and interest of said obligations when received, and said moneys, shall be applied to the payment, when due, of the principal, interest and premium, if any, of the Bonds to be paid or to be called for redemption.

(a) The Trustee is hereby authorized and directed to deposit any and all amounts required to be deposited in the Series 2024 Revenue Account by this Section 408 or by any other provision of the Master Indenture or this First Supplemental Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2024 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2024 Revenue Account (i) Series 2024 Assessment Revenues other than Series 2024 Prepayments (which Series 2024 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2024 Prepayment Subaccount), (ii) Series 2024 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2024 Revenue Account.

(c) On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2024 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2024 Revenue Account for deposit into the Series 2024 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2024

Revenue Account to pay Debt Service coming due on the Series 2024 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2024 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2024 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2024 Bonds set forth in the form of Series 2024 Bonds attached hereto, Section 301 hereof, and Article III of the Master Indenture.

(d) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall transfer amounts on deposit in the Series 2024 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2024 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2024 Bonds then Outstanding on such May 1 or November 1, and the amount already on deposit in the Series 2024 Interest Account not previously credited;

SECOND, on May 1, 20[___], and on each May 1 thereafter, to the Series 2024 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2024 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2024 Sinking Fund Account not previously credited;

THIRD, to the Series 2024 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Account Requirement with respect to the Series 2024 Bonds; and

FOURTH, the balance shall first be deposited into the Series 2024 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2024 Bonds, and then the balance shall be retained in the Series 2024 Revenue Account.

(e) On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2024 Revenue Account to the Series 2024 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

(f) Anything herein or in the Master Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2024 Bonds shall be invested only in Series 2024 Investment Obligations. Earnings on investments in the Series 2024 Acquisition and Construction Account, and the Series 2024 Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on

investments in the Funds and Accounts other than the Series 2024 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2024 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2024 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2024 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2024 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be retained in the Series 2024 Reserve Account until the amount on deposit therein is equal to the Series 2024 Reserve Account Requirement, and then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2024 Reserve Account made pursuant to Section 405 hereof.

ARTICLE V CONCERNING THE TRUSTEE

Section 501. Acceptance by Trustee. The Trustee accepts the trusts declared and provided in this First Supplemental Indenture and agrees to perform such trusts upon the terms and conditions set forth herein and in the Master Indenture.

Section 502. Limitation of Trustee's Responsibility. The Trustee shall not be responsible in any manner for the due execution of this First Supplemental Indenture by the District or for the recitals contained herein, all of which are made solely by the District.

Section 503. Trustee's Duties. Nothing contained herein shall limit the rights, benefits, privileges, protection and entitlements inuring to the Trustee under the Master Indenture, including, particularly, Article VI thereof.

ARTICLE VI ADDITIONAL BONDS

Section 601. No Parity Bonds; Limitation on Parity Assessments. Other than Refunding Bonds issued to refund all or a portion of the then Outstanding Series 2024 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2024 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2024 Trust Estate. In addition, the District covenants not to issue any Bonds or other debt obligations secured by Assessments on lands within the District which are also encumbered by the Series 2024 Assessments for any capital project that provides special benefit, as determined by the District, solely to Assessment Area One, unless the Series 2024 Assessments have been Substantially Absorbed.

The provisions set forth above in this Section 601 do not apply to (a) any District debt issued for other lawful purposes secured by Assessments on other assessable lands within the District in addition to Assessment Area One for any capital project that provides special benefit, as determined by the District, to such assessable lands and Assessment Area One, or (b) the imposition of Assessments on property subject to the Series 2024 Assessments which, as determined by the District, are necessary for health, safety, and welfare reasons, or to remediate a natural disaster. The Trustee and the District may rely on a certificate from the District Manager regarding the permissibility of any proposed District debt secured by Assessments to be levied on any portion of Assessment Area One encumbered by the Series 2024 Assessments, and in the absence of receipt of such certificate, may assume that the District may not issue debt on the same lands encumbered by the Series 2024 Assessments.

ARTICLE VII MISCELLANEOUS

Section 701. Confirmation of Master Indenture. As supplemented by this First Supplemental Indenture, the Master Indenture is in all respects ratified and confirmed, and this First Supplemental Indenture shall be read, taken and construed as a part of the Master Indenture so that all of the rights, remedies, terms, conditions, covenants and agreements of the Master Indenture, except insofar as modified herein, shall apply and remain in full force and effect with respect to this First Supplemental Indenture and to the Series 2024 Bonds issued hereunder.

Section 702. Continuing Disclosure Agreement. Contemporaneously with the execution and delivery hereof, the District has executed and delivered the Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934. The District covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement. However, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but instead shall be enforceable as provided in the Continuing Disclosure Agreement.

Section 703. Additional Covenant Regarding Assessments. In addition to, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the Series 2024 Assessment Proceedings heretofore adopted with respect to the Series 2024 Assessments, including the Assessment Methodology, and to levy the Series 2024 Assessments and collect any required true-up payments set forth in the Assessment Methodology in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2024 Bonds, when due.

Section 704. Collection of Assessments. (a) Anything herein or in the Master Indenture to the contrary notwithstanding, when permitted by law, Series 2024 Assessments levied on platted lots and pledged hereunder to secure the Series 2024 Bonds shall be collected pursuant to the Uniform Method, and Series 2024 Assessments levied on unplatted lands and pledged hereunder to secure the Series 2024 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless otherwise directed by the Trustee acting at the direction of the Majority Owners upon the occurrence and continuance of an Event of Default.

(b) Series 2024 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by each landowner no later than thirty (30) days prior to each respective Interest Payment Date.

Section 705. Foreclosure of Assessment Lien. Notwithstanding Section 814 of the Master Indenture or any other provision of the Indenture to the contrary, the following provisions shall apply with respect to the Series 2024 Assessments and Series 2024 Bonds.

If any property shall be offered for sale for the nonpayment of any Series 2024 Assessments and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount less than or equal to the balance due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive, in its corporate name or in the name of a special purpose entity, title to the property for the benefit of the Owners of the Series 2024 Bonds; provided that the Trustee shall have

the right acting at the direction of the Majority Owners, but shall not be obligated, to direct the District with respect to any action taken pursuant to this Section 705. The District, either through its own actions or actions caused to be taken through the Trustee, shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2024 Revenue Account. The District, either through its own actions or actions caused to be taken through the Trustee, agrees that it shall, after being provided assurances satisfactory to it of payment of its fees, costs and expenses for doing so, be required to take the measures provided by law for listing for sale of property acquired by it as trustee for the benefit of the Owners of the Series 2024 Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners. The Trustee may, upon direction from the Majority Owners, pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture.

Section 706. Owner Direction and Consent with Respect to Series 2024 Acquisition and Construction Account Upon Occurrence of Event of Default. In accordance with the provisions of the Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that (a) the Series 2024 Pledged Funds includes, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may not be used by the District (whether to pay Costs of the Assessment Area One Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Assessment Area One Project and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Assessment Area One Project that will cause the expenditure of additional funds from the Series 2024 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

Section 707. Assignment of District's Rights Under Collateral Assignment. Subject to the terms of the Collateral Assignment, the District hereby assigns its rights under the Collateral Assignment to the Trustee for the benefit of the Owners, from time to time, of the Series 2024 Bonds. The Trustee shall not be deemed to have accepted any obligation under the Collateral Assignment by virtue of such assignment.

Section 708. Enforcement of True-Up Agreement and Completion Agreement. The District, either through its own actions, or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the True-Up Agreement and the Completion Agreement and, upon the occurrence and continuance of a default under either or both of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners, may, subject to the provisions of Section 912 of the Master Indenture, act on behalf of and in the District's stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything herein or in the Master Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the True-Up Agreement and the Completion Agreement upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture, provided, however, that the District shall have a reasonable opportunity to cure.

Section 709. Payment of Rebate Amount. Anything herein or in the Master Indenture to the contrary notwithstanding, the District shall cause a Rebate Analyst to determine the Rebate Amount, if any, at the times and in the manner provided in the Tax Regulatory Covenants attached as an exhibit to the Arbitrage Certificate. If a Rebate Amount shall be due, the District shall deliver to the Trustee the written direction of an Authorized Officer to pay from the Series 2024 Rebate Account, or from any other available funds as shall be provided in such written direction, the Rebate Amount to the District for remittance to the Internal Revenue Service. The Trustee may conclusively rely on such written direction and shall have no responsibility for the calculation or payment of the Rebate Amount, if any. Notwithstanding Section 507(b) of the Master Indenture, the District shall not be required to provide the report of the Rebate Analyst to the Trustee.

The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture (hereinafter defined), be paid to the registered Owner hereof at the close of business on the regular Record Date for such interest, which shall be the fifteenth (15th) day of the calendar month preceding such Interest Payment Date or, if such day is not a Business Day, on the Business Day immediately preceding such day; provided,

Any payment of principal, Amortization Installment or Redemption Price shall be made only upon presentation hereof at the designated corporate trust office of U.S. Bank Trust Company, National Association located in Fort Lauderdale, Florida, or any alternate or successor paying agent (collectively, the "Paying Agent"), unless the Bonds are held in the book-entry system in which case presentation shall not be required. Payment of interest shall be made by check or draft (or by wire transfer to the registered Owner set forth above if such Owner requests such method of payment in writing on or prior to the regular Record Date for the respective interest payment to such account as shall be specified in such request, but only if the registered Owner set forth above owns not less than \$1,000,000 in aggregate principal amount of the Series 2024 Bonds, as defined below). Interest on this Bond will be computed on the basis of a 360-day year comprised of twelve (12) thirty (30) day months. During any period that this Bond is registered in the name of Cede & Co., as Nominee of DTC, the provisions of the Supplemental Indenture (hereinafter defined) relating to the book-entry only system shall apply, including the payment provisions thereof. This Bond is one of a duly authorized issue of Bonds of the District designated "West Villages Improvement District Capital Improvement Revenue Bonds (Unit of Development No. 10), Series 2024 (Assessment Area One)" in the aggregate principal amount of \$[Bond Amount] (the "Series 2024 Bonds") issued under a Master Trust Indenture, dated as of April 1, 2024 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association Fort Lauderdale, Florida, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture, dated as of April 1, 2024 (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture"), between the District and the Trustee (the Series 2024 Bonds together with any other Bonds issued under and governed by the terms of the Master Indenture are hereinafter collectively referred to as the "Bonds"). The District will apply the proceeds of the Series 2024 Bonds to (a) finance a portion of the Cost of acquiring, constructing and equipping assessable improvements comprising the Assessment Area One Project, (b) pay certain costs associated with the issuance of the Series 2024 Bonds, and (c) make a deposit into the Series 2024 Reserve Account to be held for the benefit of all of the Series 2024 Bonds.

NEITHER THIS BOND NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE HEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF

THE CONSTITUTION AND LAWS OF FLORIDA. THIS BOND AND THE SERIES OF WHICH IT IS A PART AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE HEREON AND THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE TERMS HEREOF. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE TERMS HEREOF SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2024 PLEDGED REVENUES AND THE SERIES 2024 PLEDGED FUNDS PLEDGED TO THE SERIES 2024 BONDS, ALL AS PROVIDED HEREIN AND IN THE INDENTURE.

This Bond is issued under and pursuant to the Constitution and laws of the State of Florida, particularly the Act, and other applicable provisions of law and pursuant to the Indenture, executed counterparts of which Indenture are on file at the corporate trust office of the Trustee. Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of Series 2024 Bonds issued under the Indenture, the collection and disposition of revenues and the funds charged with and pledged to the payment of the principal, Amortization Installments and Redemption Price of, and the interest on, the Series 2024 Bonds, the nature and extent of the security thereby created, the covenants of the District with respect to the levy and collection of Series 2024 Assessments, the terms and conditions under which the Series 2024 Bonds are or may be issued, the rights, duties, obligations and immunities of the District and the Trustee under the Indenture and the rights of the Owners of the Series 2024 Bonds and, by the acceptance of this Bond, the Owner hereof assents to all of the provisions of the Indenture. The Series 2024 Bonds are equally and ratably secured by the Series 2024 Trust Estate, without preference or priority of one Series 2024 Bond over another. The Supplemental Indenture does not authorize the issuance of any additional Bonds ranking on parity with the Series 2024 Bonds as to the lien and pledge of the Series 2024 Trust Estate except, under certain circumstances, Refunding Bonds, and the Supplemental Indenture contains provisions limiting the imposition of capital Assessments on property subject to the Series 2024 Assessments.

The Series 2024 Bonds are issuable only as registered bonds without coupons in current interest form in Authorized Denominations. Upon any such transfer a new Bond or Bonds, in the same aggregate principal amount as the Bond or Bonds transferred, will be issued to the transferee. At the corporate trust office of the Bond Registrar in Fort Lauderdale, Florida, in the manner and subject to the limitations and conditions provided in the Master Indenture and without cost, except for any tax or other governmental charge, Bonds may be exchanged for an equal aggregate principal amount of Bonds of the same maturity, of Authorized Denominations and bearing interest at the same rate or rates.

* Final maturity

The Series 2024 Bonds maturing May 1, 20[__], are subject to mandatory redemption in part by the District by lot prior to their scheduled maturity from moneys in the Series 2024 Sinking Fund Account established under the Supplemental Indenture in satisfaction of applicable Amortization Installments at the Redemption Price of the principal amount thereof, without premium, together with accrued interest to the date of redemption on May 1 of the years and in the principal amounts set forth below:

<u>May 1 of the Year</u>	<u>Amortization Installment</u>	<u>May 1 of the Year</u>	<u>Amortization Installment</u>
------------------------------	-------------------------------------	------------------------------	-------------------------------------

* Final maturity

As more particularly set forth in the Indenture, any Series 2024 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2024 Bonds. Amortization Installments are also subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of Series 2024 Bonds other than from scheduled Amortization Installments so as to reamortize the remaining Outstanding principal balance of the Series 2024 Bonds as set forth in the Supplemental Indenture.

The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity in whole or in part on any Quarterly Redemption Date at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the Redemption Date, if and to the extent that any one or more of the following shall have occurred:

(a) on or after the Date of Completion of the Assessment Area One Project, by application of moneys transferred from the Series 2024 Acquisition and Construction Account to the Series 2024 Prepayment Subaccount as provided for in the Indenture; or

(b) from amounts, including Series 2024 Prepayments, required by the Indenture to be deposited into the Series 2024 Prepayment Subaccount; or

(c) from amounts transferred from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount resulting from a reduction in the Series 2024 Reserve Account Requirement as provided for in the Indenture; or

(d) on the date on which the amount on deposit in the Series 2024 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2024 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2024 Bonds shall be called for redemption, the particular Series 2024 Bonds or portions of Series 2024 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

Notice of each redemption of Series 2024 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2024 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2024 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2024 Bonds or such portions thereof on such date, interest on such Series 2024 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2024 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2024 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later

deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute an action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Series 2024 Bonds then Outstanding under the Indenture may become and may be declared due and payable before the stated maturities thereof, with the interest accrued thereon.

Modifications or alterations of the Master Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Master Indenture.

WEST VILLAGES IMPROVEMENT DISTRICT (CITY OF NORTH PORT, FLORIDA)

[\$18,810,000]* CAPITAL IMPROVEMENT REVENUE BONDS (UNIT OF DEVELOPMENT NO. 10), SERIES 2024 (ASSESSMENT AREA ONE)

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page and appendices attached hereto, is to set forth certain information in connection with the offering for sale by the West Villages Improvement District (the "District") of its \$[18,810,000]* Capital Improvement Revenue Bonds (Unit of Development No. 10), Series 2024 (Assessment Area One) (the "Series 2024 Bonds").

THE SERIES 2024 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS OFFERING TO "ACCREDITED INVESTORS" WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES PROMULGATED THEREUNDER. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2024 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2024 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District, which is the issuer of the Series 2024 Bonds, is a local unit of special purpose government of the State of Florida (the "State"), organized and existing under the provisions of Chapter 2004-456, Laws of Florida, as amended by Chapters 2006-355, 2007-307, 2008-284 and 2022-241, Laws of Florida and other applicable provisions of State law (collectively, the "Act"). The District was created for the purpose of delivering certain services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 12,444 acres of land (the "District Lands") located within both the City of North Port (the "City") and unincorporated portions of Sarasota County, Florida (the "County"). Under the Act, the District is authorized to create separate "Units of Development" to facilitate the development of the District Lands. The portion of the District Lands that will be subject to the levy of the Series 2024 Assessments (as defined herein) is [Village I] within Unit of Development No. 10 ("Unit No. 10" or the "Development"). The District Lands are located along South Tamiami Trail (U.S. 41), south and west of North River Road and approximately six miles west of Interstate 75. Other

developments within the District include ["IslandWalk," "Gran Paradiso," "Renaissance," "Oasis," "Preserve," "Tortuga," "Solstice," "Sunstone," "Avelina," "Wysteria," "Gran Place," "Antigua," and "Wellen Park Golf & Country Club.]" In addition, site development is in place for additional communities. See "THE DEVELOPMENT" herein for more information.

Land development associated with Unit No. 10 will occur in phases. Two separate assessment areas have been created within Unit No. 10 in order to facilitate the District's financing plans. The first assessment area is planned to contain 420 platted lots, 132 coach homes and 37 townhomes (which are not separately platted) for a total of 589 residential units ("Assessment Area One"). The second assessment area has not been planned but would accommodate approximately 560 fifty-foot lots ("Assessment Area Two"). The portion of the Unit No. 10 Plan of Improvements associated with Assessment Area One is referred to herein as the "Assessment Area One Project".

The Series 2024 Bonds are being issued in order to finance a portion of the Assessment Area One Project. The Assessment Area One Project consists of certain infrastructure improvements benefitting a portion of Unit No. 10. The Series 2024 Bonds are payable from and secured by a pledge of the Series 2024 Trust Estate, which consists primarily of the Series 2024 Assessments levied on lands within Assessment Area One within the District and the Series 2024 Pledged Funds. [update upon receipt of Supplemental Methodology and plat - The Series 2024 Special Assessments will be assigned to the [589 units] which comprise Assessment Area One on a per unit basis as set forth in the Assessment Methodology (as defined herein) attached hereto. The Series 2024 Assessments will be levied on a portion of the same lands securing the Unit No. 1 Bonds (as defined herein). The Series 2024 Assessments will share co-equal lien status with the special assessments securing the Unit No 1. Bonds. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "APPENDIX E: ASSESSMENT METHODOLOGY."

Manasota Beach Ranchlands, LLLP, a Florida limited liability limited partnership (the "Developer"), is the owner and developer of the lands in Assessment Area One. See "THE DEVELOPMENT" and "THE DEVELOPER" herein for more information.

The Series 2024 Bonds are being issued pursuant to the Act, Resolution Nos. 2024-05 and 2024-12 adopted by the Board of Supervisors (the "Board") of the District on January 11, 2024, and March 14, 2024, respectively, and a Master Trust Indenture, dated as of April 1, 2024 (the "Master Indenture"), as supplemented by the First Supplemental Trust Indenture dated as of April 1, 2024 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" hereto.

The Series 2024 Bonds are equally and ratably secured by the Series 2024 Trust Estate without preference or priority of one Series 2024 Bond over another. The "Series 2024 Trust Estate" consists of all right, title and interest of the District in, to and under, subject to the terms and conditions of the Indenture, the revenues derived by the District from the Series 2024 Assessments (the "Series 2024 Pledged Revenues") and the Funds and Accounts (except for the Series 2024 Rebate Account) established under the Indenture (the "Series 2024 Pledged Funds"). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS."

Proceeds of the Series 2024 Bonds will be applied to (i) finance a portion of the Cost of acquiring, constructing and equipping assessable improvements comprising the Assessment Area One Project, (ii) pay certain costs associated with the issuance of the Series 2024 Bonds, and (iii) make a deposit into the Series 2024 Reserve Account to be held for the benefit of all of the Series 2024 Bonds. See "ESTIMATED

SOURCES AND USES OF SERIES 2024 BOND PROCEEDS" herein and "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto.

DESCRIPTION OF THE SERIES 2024 BONDS

General Description

The Series 2024 Bonds are being issued as fully registered bonds without coupons in current interest form in the denomination of \$5,000 and any integral multiple of \$5,000 in excess thereof; provided, however, if any initial Beneficial Owner does not purchase at least \$100,000 of the Series 2024 Bonds at the time of initial delivery of the Series 2024 Bonds, such Beneficial Owner must either execute and deliver to the District and the Underwriter on the date of delivery of the Series 2024 Bonds an investor letter substantially in the form attached to the First Supplemental Indenture or otherwise establish to the satisfaction of the Underwriter that such Beneficial Owner is an "accredited investor" as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended. The Series 2024 Bonds will initially be sold only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder by the Florida Department of Financial Services. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2024 Bonds.

Each Series 2024 Bond shall be dated the date of initial delivery. Each Series 2024 Bond shall also bear its date of authentication. Each Series 2024 Bond shall bear interest from the Interest Payment Date to which interest has been paid next preceding the date of its authentication, unless the date of its authentication: (a) is an Interest Payment Date to which interest on such Series 2024 Bond has been paid, in which event such Series 2024 Bond shall bear interest from its date of authentication; or (b) is prior to the first Interest Payment Date for the Series 2024 Bonds, in which event such Series 2024 Bond shall bear interest from its date. Interest on the Series 2024 Bonds shall be due and payable on each May 1 and November 1, commencing November 1, 2024, and shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

The Series 2024 Bonds shall be initially issued in the form of a separate single certificated fully registered Series 2024 Bond for each maturity thereof. Upon initial issuance, the ownership of each such Series 2024 Bond shall be registered in the Bond Register kept by the Registrar in the name of Cede & Co., as Nominee of The Depository Trust Company, New York, New York ("DTC"), the initial Bond Depository. Except as provided in the First Supplemental Indenture, all of the Outstanding Series 2024 Bonds shall be registered in the Bond Register kept by the Registrar in the name of Cede & Co., as Nominee of DTC. See "DESCRIPTION OF THE SERIES 2024 BONDS – Book-Entry System" herein.

The Indenture provides that, with respect to the Series 2024 Bonds registered in the Bond Register kept by the Registrar in the name of Cede & Co., as Nominee of DTC, the District, the Trustee, the Registrar

and the Paying Agent shall have no responsibility or obligation to any such Bond Participant or to any indirect Bond Participant. Without limiting the immediately preceding sentence, the District, the Trustee, the Registrar and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any Bond Participant with respect to any ownership interest in the Series 2024 Bonds, (ii) the delivery to any Bond Participant or any other person other than an Owner, as shown in the Bond Register kept by the Registrar, of any notice with respect to the Series 2024 Bonds, including any notice of redemption, or (iii) the payment to any Bond Participant or any other person, other than an Owner, as shown in the Bond Register kept by the Registrar, of any amount with respect to principal of, premium, if any, or interest on the Series 2024 Bonds. The District, the Trustee, the Registrar and the Paying Agent may treat and consider the person in whose name each Series 2024 Bond is registered in the Bond Register kept by the Registrar as the absolute Owner of such Series 2024 Bond for the purpose of payment of principal, premium and interest with respect to such Series 2024 Bond, for the purpose of giving notices of redemption and other matters with respect to such Series 2024 Bond, for the purpose of registering transfers with respect to such Series 2024 Bond, and for all other purposes whatsoever. The Paying Agent shall pay all principal of, premium, if any, and interest on the Series 2024 Bonds only to or upon the order of the respective Owners, as shown in the Bond Register kept by the Registrar, or their respective attorneys duly authorized in writing, as provided in the Indenture and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of principal of, premium, if any, and interest on the Series 2024 Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register kept by the Registrar, shall receive a certificated Series 2024 Bond evidencing the obligation of the District to make payments of principal, premium, if any, and interest pursuant to the provisions of the Indenture. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new Nominee in place of Cede & Co., and subject to the provisions therein with respect to Record Dates, the words "Cede & Co." in the Indenture shall refer to such new Nominee of DTC, and upon receipt of such a notice the District shall promptly deliver a copy of the same to the Trustee, the Registrar and the Paying Agent. See "DESCRIPTION OF THE SERIES 2024 BONDS – Book-Entry System" herein.

U.S. Bank Trust Company, National Association is the Trustee, Registrar and Paying Agent for the Series 2024 Bonds.

As more particularly set forth in the Indenture, any Series 2024 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2024 Bonds. Amortization Installments are also subject to recalculation, as provided in the First Supplemental Indenture, as a result of the redemption of Series 2024 Bonds other than from scheduled Amortization Installments so as to reamortize the remaining Outstanding principal balance of the Series 2024 Bonds as set forth in the First Supplemental Indenture.

Extraordinary Mandatory Redemption

The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity in whole or in part on any Quarterly Redemption Date at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the redemption date, if and to the extent that any one or more of the following shall have occurred:

- (a) on or after the Date of Completion of the Assessment Area One Project, by application of moneys transferred from the Series 2024 Acquisition and Construction Account to the Series 2024 Prepayment Subaccount as provided for in the First Supplemental Indenture; or
- (b) from amounts, including Series 2024 Prepayments, required by the Master Indenture to be deposited into the Series 2024 Prepayment Subaccount; or
- (c) from amounts transferred from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount resulting from a reduction in the Series 2024 Reserve Account Requirement as provided for in the First Supplemental Indenture; or
- (d) on the date on which the amount on deposit in the Series 2024 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2024 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2024 Bonds shall be called for redemption, the particular Series 2024 Bonds or portions of Series 2024 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the First Supplemental Indenture, or as provided or directed by DTC. Reference is hereby specifically made to "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" for additional details concerning the redemption of Series 2024 Bonds.

Notice of Redemption

Notice of each redemption of Series 2024 Bonds is required to be mailed by the Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2024 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2024 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2024 Bonds or such portions thereof on such date, interest on such Series 2024 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2024 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2024 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice. Reference is hereby specifically made to "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" for additional details concerning notice of redemption of Series 2024 Bonds.

Purchase of Series 2024 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2024 Sinking Fund Account to the purchase of the Series 2024 Bonds, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments must be made before the notice of redemption would otherwise be required to be given.

Book-Entry System

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC, and the District does not make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

DTC will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Series 2024 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments

(from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a S&P rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2024 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2024 Bonds with DTC and their registration in the name of Cede & Co., or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2024 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2024 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of Series 2024 Bonds may wish to ascertain that the nominee holding the Series 2024 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series or maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the District or the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, the Series 2024 Bonds are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, the Series 2024 Bonds will be printed and delivered to DTC.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS

General

NEITHER THE SERIES 2024 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THE SERIES 2024 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY THE DEBT SERVICE REQUIREMENTS OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS. RATHER, THE DEBT SERVICE REQUIREMENTS AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2024 TRUST ESTATE PLEDGED TO THE SERIES 2024 BONDS, ALL AS PROVIDED IN THE INDENTURE.

The Series 2024 Bonds are equally and ratably secured by the Series 2024 Trust Estate without preference or priority of one Series 2024 Bond over another. The "Series 2024 Trust Estate" consists of all right, title and interest of the District in, to and under, subject to the terms and conditions of the Indenture, the revenues derived by the District from the Series 2024 Assessments (the "Series 2024 Pledged Revenues") and the Funds and Accounts (except for the Series 2024 Rebate Account) established under the Indenture (the "Series 2024 Pledged Funds"). The "Series 2024 Assessments" are the Special Assessments (as defined herein) imposed, levied and collected by the District in accordance with the Series 2024 Assessment Proceedings (as defined herein) with respect to property specially benefitted by the Assessment Area One Project. The Series 2024 Bonds are not secured by assessments on any other land in the District.

"Special Assessments" shall mean (a) the net proceeds derived from the levy and collection of "special assessments," as provided for in Section 6(2) of the Act, against the Unit No. 10 Lands that are subject to assessment as a result of a particular Project or any portion thereof, and (b) the net proceeds derived from the levy and collection of "non-ad valorem assessments," as provided for in Section 6(1) of the Act, against the Unit No. 10 Lands that are subject to assessment as a result of a particular Project or any portion thereof, and in the case of both "special assessments" and "non-ad valorem assessments," including the interest and penalties on such assessments, pursuant to all applicable provisions of the Act, Chapter 170, Florida Statutes, Chapter 197, Florida Statutes, and Chapter 298, Florida Statutes (and any successor statutes thereto), including, without limitation, any amount received from any foreclosure proceeding for the enforcement of collection thereof payable to the Tax Collector and less certain administrative costs payable to the Property Appraiser pursuant to the Property Appraiser and Tax Collector Agreement. "Special Assessments" shall not include "maintenance assessments" levied and collected by the District under Section 7 of the Act.

"Series 2024 Assessment Proceedings" shall mean the proceedings of the District with respect to the establishment, levy and collection of the Series 2024 Assessments which include certain resolutions adopted by the Board of the District, and any supplemental proceedings undertaken by the District with respect to the Series 2024 Assessments and the Assessment Methodology as approved thereby.

The Series 2024 Assessments are non-ad valorem assessments. Non-ad valorem assessments are not based on millage and are not taxes, but can become a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2024 Assessments will constitute a lien against the land as to which the Series 2024 Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

Covenant to Levy the Series 2024 Assessments

The determination, order, levy and collection of the Series 2024 Assessments must be undertaken in compliance with procedural requirements and guidelines provided by State law. Failure by the District to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2024 Assessments during any year. Such delays in the collection of, or complete inability to collect, Series 2024 Assessments would have a material adverse effect on the ability of the District to make full or punctual payment of the principal of, premium, if any, and interest on the Series 2024 Bonds. See "BONDOWNERS' RISKS" herein.

The District will covenant in the Indenture to comply with the terms of the Series 2024 Assessment Proceedings heretofore adopted with respect to the Series 2024 Assessments, including the Assessment Methodology, and to levy the Series 2024 Assessments and collect any required true-up payments set forth in the Assessment Methodology in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2024 Bonds, when due.

If any Series 2024 Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2024 Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2024 Assessment when it might have done so, the District will additionally covenant to either (i) take all necessary steps to cause a new Series 2024 Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2024 Assessment from legally available moneys, which moneys shall be deposited into the Series 2024 Revenue Account. See "BONDOWNERS' RISKS – Inadequacy of Reserve Account." In case any such second Series 2024 Assessment shall also be annulled, the District shall obtain and make other Series 2024 Assessments until a valid Series 2024 Assessment shall be made.

Prepayment of Series 2024 Assessments

Pursuant to the Series 2024 Assessment Proceedings, any owner of land subject to Series 2024 Assessments may prepay the entire remaining balance of the Series 2024 Assessments at any time, or a portion of the remaining balance of the Series 2024 Assessments one time,] if there is also paid, in addition to the prepaid principal balance of the Series 2024 Assessment, an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date or, if prepaid during the forty-five (45) day period preceding such interest payment date, to the interest payment date following such next succeeding interest payment date. Prepayment of a Series 2024 Assessment does not entitle the property owner to any discounts for early payment under the Series 2024 Assessment Proceedings.

An owner of property subject to the levy of Series 2024 Assessments may pay the entire balance of the Series 2024 Assessments remaining due, without interest, within thirty (30) days after the Assessment Area One Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the same pursuant to Chapter 170.09, Florida Statutes. The Developer, [as the current owner of all of the property within Assessment Area One subject to the Series 2024 Assessments], will covenant to waive this right in connection with the issuance of the Series 2024 Bonds pursuant to a "Declaration of Consent to Jurisdiction of West Villages Improvement District and to Imposition of Special Assessments." Such declaration will be recorded in the public records of the County, and the covenants contained therein will be binding on future landowners in the District. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The Series 2024 Bonds are subject to extraordinary redemption as indicated under "DESCRIPTION OF THE SERIES 2024 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption" from optional prepayments of the Series 2024 Assessments by property owners.

Additional Bonds

Other than Refunding Bonds issued to refund all or a portion of the then Outstanding Series 2024 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2024 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2024 Trust Estate. In addition, the District will covenant not to issue any Bonds or other debt obligations secured by Assessments on lands within the District which are also encumbered by the Series 2024 Assessments for any capital project that provides special benefit, as determined by the District, solely to the Assessment Area One Project, unless the Series 2024 Assessments have been Substantially Absorbed. "Substantially Absorbed" means the date on which the principal amount of the Series 2024 Assessments equaling seventy-five percent (75%) of the then Outstanding principal amount of the Series 2024 Bonds is levied on tax parcels within Assessment Area One with respect to which a certificate of occupancy has been

issued for a structure thereon, as certified by an Authorized Officer and upon which the Trustee may conclusively rely.

The provisions set forth above do not apply to (a) any District debt issued for other lawful purposes secured by Assessments on other assessable lands within the District in addition to Assessment Area One for any capital project that provides special benefit, as determined by the District, to such assessable lands and Assessment Area One, or (b) the imposition of Assessments on property subject to the Series 2024 Assessments which, as determined by the District, are necessary for health, safety, and welfare reasons, or to remediate a natural disaster. The Trustee and the District may rely on a certificate from the District Manager regarding the permissibility of any proposed District debt secured by Assessments to be levied on any portion of Assessment Area One encumbered by the Series 2024 Assessments, and in the absence of receipt of such certificate, may assume that the District may not issue debt on the same lands encumbered by the Series 2024 Assessments.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2024 Assessments without the consent of the Owners of the Series 2024 Bonds. The District expects to continue to impose certain non-ad valorem special assessments called operation and maintenance assessments, which are of equal dignity with the Series 2024 Assessments on the same lands upon which the Series 2024 Assessments are imposed, to fund the maintenance and operation of the District. In addition, the District may issue certain non-ad valorem debt service special assessments on certain lands within the District, including Unit No. 10, to fund the construction and/or acquisition of certain master irrigation infrastructure improvements. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS," "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

Indenture Provisions Relating to Bankruptcy or Insolvency of an Insolvent Taxpayer

The Indenture will contain the following provisions which, pursuant to the Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Series 2024 Assessments pledged to the Series 2024 Bonds (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). The District will acknowledge and agree that, although the Series 2024 Bonds were issued by the District, the Owners of the Series 2024 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer: (i) the District agrees that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners (as defined herein) of the Series 2024 Bonds then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Assessments, the Series 2024 Bonds then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2024 Bonds then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent); (ii) the District agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Assessments, the Series 2024 Bonds then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee; (iii) the District agrees that it shall make a reasonable attempt to timely seek

the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2024 Bonds then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent); (iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Series 2024 Assessments, would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Series 2024 Assessments, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and (v) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding, or take any other action in such Proceeding which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Series 2024 Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Series 2024 Assessments, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim. The District will acknowledge and agree that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants. "Majority Owners" shall mean the Beneficial Owners of more than fifty percent (50%) in principal amount of the Outstanding Series 2024 Bonds.

Nothing in the preceding paragraph shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Series 2024 Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2024 Assessments whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee described in clause (iv) above.

Events of Default and Certain Remedies upon an Event of Default

The Indenture provides that each of the following shall be an "Event of Default" under the Indenture with respect to the Series 2024 Bonds:

- (a) if payment of any installment of interest on any Series 2024 Bonds is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2024 Bonds is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, which may be determined solely by the Majority Owners of the Series 2024 Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2024 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Holders of not less than a majority in aggregate principal amount of the Outstanding Series 2024 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Bonds of such Series that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility Issuer to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture; or

(g) if at any time the amount in the Series 2024 Reserve Account is less than the Series 2024 Reserve Account Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2024 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(h) any portion of the Series 2024 Assessments shall have become Delinquent Assessments and, as the result thereof, the Indenture authorizes the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in the Series 2024 Reserve Account to pay the Debt Service Requirements on the Series 2024 Bonds (regardless of whether the Trustee does or does not actually withdraw such funds from the Series 2024 Reserve Account to pay the Debt Service Requirements on the Series 2024 Bonds) (the foregoing being referred to as a "Series 2024 Reserve Account Event") unless within sixty (60) days from the Series 2024 Reserve Account Event the District has either (i) replenished the amounts, of any, withdrawn from the Series 2024 Reserve Account, or (ii) the portion of the delinquent Series 2024 Assessments giving rise to the Series 2024 Reserve Account Event are paid and are no longer delinquent Series 2024 Assessments; or

(i) more than fifteen percent (15%) of the Operation and Maintenance Assessments that are directly billed by the District and levied by the District on tax parcels subject to the Series 2024 Assessments are not paid by the date such are due and payable and such default continues for sixty (60) days after the date when due.

The Trustee shall not be deemed to have notice of any default other than a payment default under the Indenture or a notification by a Credit Facility Issuer of a default under its Credit Facility, unless notified in writing of such default by the Holders of at least a majority of the aggregate principal amount of the Outstanding Series 2024 Bonds.

The Series 2024 Bonds are not subject to acceleration unless the Series 2024 Assessments securing such Series 2024 Bonds are also accelerated. Upon an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2024 Bonds pursuant to the Indenture shall occur unless all of the Series 2024 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Series 2024 Bonds agree to such redemption.

Upon the happening and continuance of any Event of Default specified above with respect to the Series 2024 Bonds, the Trustee may protect and enforce the rights of the Owners of the Series 2024 Bonds under State law, and under the Master Indenture, the First Supplemental Indenture and the Series 2024 Bonds, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein or in the First Supplemental Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Series 2024 Bonds then Outstanding shall, subject to the requirements of the Indenture, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee hereunder, provided that such directions shall not be in conflict with any rule of law or this Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of the Series 2024 Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under the Indenture. No Owner or Owners of the Series 2024 Bonds shall have any right in any manner whatsoever to enforce any right under the Master Indenture, except in accordance with law or the provisions of the Indenture.

Foreclosure of Series 2024 Assessment Lien

Notwithstanding any provision of the Indenture to the contrary, the following provisions shall apply with respect to the Series 2024 Assessments and Series 2024 Bonds.

If any property shall be offered for sale for the nonpayment of any Series 2024 Assessments and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount less than or equal to the balance due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive, in its corporate name or in the name of a special purpose entity, title to the property for the benefit of the Owners of the Series 2024 Bonds; provided that the Trustee shall have the right acting at the direction of the Majority Owners, but shall not be obligated, to direct the District with respect to any action taken pursuant to the provisions of the Indenture. The District, either through its own actions or actions caused to be taken through the Trustee, shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2024 Revenue Account. The District, either through its own actions or actions caused to be taken through the Trustee, agrees that it shall, after being provided assurances satisfactory to it of payment of its fees, costs and expenses for doing so, be required to take the measures provided by law for listing for sale of property

acquired by it as trustee for the benefit of the Owners of the Series 2024 Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners. The Trustee may, upon direction from the Majority Owners, pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture.

Series 2024 Reserve Account

Pursuant to the First Supplemental Indenture, there is established within the Reserve Fund a Series 2024 Reserve Account (herein, the "Series 2024 Reserve Account"), in which proceeds of the Series 2024 Bonds will be deposited in an amount equal to the initial Series 2024 Reserve Account Requirement therefor. See "ESTIMATED SOURCES AND USES OF SERIES 2024 BOND PROCEEDS" herein. "Series 2024 Reserve Account Requirement," as used herein, shall mean an amount equal to fifty percent (50%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2024 Bonds, as of the time of any such calculation, until such time as the Reserve Account Release Conditions (as defined herein) are met, at which time and thereafter, Series 2024 Reserve Account Requirement shall mean an amount equal to ten percent (10%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2024 Bonds, as of the time of any such calculation. On the date of initial issuance of the Series 2024 Bonds, the Series 2024 Reserve Account Requirement shall be \$_____.

"Reserve Account Release Conditions" shall mean, collectively, that (a) all of the principal portion of the Series 2024 Assessments has been assigned to residential units within Assessment Area One that have been constructed and have received a certificate of occupancy, and (b) there are no Events of Default occurring or continuing under the Indenture with respect to the Series 2024 Bonds. The District shall provide a written certification to the Trustee certifying that the event in clause (a) has occurred and affirming clause (b), on which certifications the Trustee may conclusively rely.

Except as provided in the Indenture, amounts on deposit in the Series 2024 Reserve Account shall be used only for the purpose of making payments into the Series 2024 Interest Account and the Series 2024 Sinking Fund Account to pay Debt Service on the Series 2024 Bonds, when due, without distinction as to Series 2024 Bonds and without privilege or priority of one Series 2024 Bond over another, to the extent the moneys on deposit in such Accounts available therefor are insufficient and for no other purpose. The Series 2024 Reserve Account shall consist only of cash and Series 2024 Investment Obligations.

Anything in the Indenture to the contrary notwithstanding, on the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the first Business Day preceding such forty-fifth (45th) day), the Trustee is hereby authorized and directed to recalculate the Series 2024 Reserve Account Requirement. Following such recalculation, the Trustee shall promptly notify the District of any excess on deposit in the Series 2024 Reserve Account whereupon the District shall direct the Trustee in writing to transfer such excess on deposit in the Series 2024 Reserve Account (a) resulting from Prepayments of Series 2024 Assessments into the Series 2024 Prepayment Subaccount and applied as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel subject to such Prepayment and thereafter applied to the extraordinary mandatory redemption of the Series 2024 Bonds, (b) resulting from a reduction of the Series 2024 Reserve Account Requirement as the result of the Reserve Account Release Conditions being met into the Series 2024 Acquisition and Construction Account and used for the purposes of such Account, or (c) resulting from investment earnings as provided in the First Supplemental Indenture.

On the earliest date on which there is on deposit in the Series 2024 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2024 Bonds, together with accrued interest and redemption premium, if any, on such Series 2024 Bonds to the earliest Redemption Date permitted in the Series 2024 Bonds and the First Supplemental

Indenture, then the Trustee shall transfer the amount on deposit in the Series 2024 Reserve Account into the Series 2024 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2024 Bonds on the earliest Redemption Date permitted for redemption in the Series 2024 Bonds and the First Supplemental Indenture.

Anything in the Indenture to the contrary notwithstanding, amounts on deposit in the Series 2024 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Deposit and Application of Pledged Revenues

Pursuant to the First Supplemental Indenture, there is established within the Revenue Fund a Series 2024 Revenue Account. The Trustee shall deposit into the Series 2024 Revenue Account (i) Series 2024 Assessment Revenues other than Series 2024 Prepayments (which Series 2024 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2024 Prepayment Subaccount), (ii) Series 2024 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2024 Revenue Account.

On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2024 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2024 Revenue Account for deposit into the Series 2024 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2024 Revenue Account to pay Debt Service coming due on the Series 2024 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2024 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2024 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2024 Bonds set forth in the form of Series 2024 Bonds attached to the First Supplemental Indenture, Section 301 of the First Supplemental Indenture and the Master Indenture.

On each May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall transfer amounts on deposit in the Series 2024 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2024 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2024 Bonds then Outstanding on such May 1 or November 1, and the amount already on deposit in the Series 2024 Interest Account not previously credited;

SECOND, on May 1, 20[___], and on each May 1 thereafter, to the Series 2024 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2024 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2024 Sinking Fund Account not previously credited;

THIRD, to the Series 2024 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Account Requirement with respect to the Series 2024 Bonds; and

FOURTH, the balance shall first be deposited into the Series 2024 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2024 Bonds, and then the balance shall be retained in the Series 2024 Revenue Account.

On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2024 Revenue Account to the Series 2024 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

Anything in the Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2024 Bonds shall be invested only in Series 2024 Investment Obligations. Earnings on investments in the Series 2024 Acquisition and Construction Account, and the Series 2024 Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2024 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2024 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2024 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2024 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2024 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be retained in the Series 2024 Reserve Account until the amount on deposit therein is equal to the Series 2024 Reserve Account Requirement, and then earnings on investments in the Series 2024 Capitalized Interest Account through November 1, 2024, and thereafter shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2024 Reserve Account made pursuant to the First Supplemental Indenture.

Series 2024 Acquisition and Construction Account

Pursuant to the First Supplemental Indenture, there is established within the Acquisition and Construction Fund held by the Trustee, a Series 2024 Acquisition and Construction Account and a Series 2024 Costs of Issuance Account.

Amounts on deposit in the Series 2024 Acquisition and Construction Account shall be applied to pay the Costs of the Assessment Area One Project upon compliance with the requisition provisions set forth in the Indenture. The Trustee shall have no duty to verify that any requested disbursement from the Series 2024 Acquisition and Construction Account is for a Cost of the Assessment Area One Project.

The Consulting Engineer shall establish a Date of Completion for the Assessment Area One Project, and any balance remaining in the Series 2024 Acquisition and Construction Account after such Date of

Completion (taking into account the moneys then on deposit therein to pay any accrued but unpaid Costs of the Assessment Area One Project which are required to be reserved in the Series 2024 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing Date of Completion), shall be transferred to the Series 2024 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with the First Supplemental Indenture. Notwithstanding the foregoing, the District shall not establish a Date of Completion until after the Reserve Account Release Conditions have been satisfied and moneys have been transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account as a result of such satisfaction pursuant to the First Supplemental Indenture. At such time as there are no amounts on deposit in the Series 2024 Acquisition and Construction Account, such Account shall be closed.

The amount deposited in the Series 2024 Costs of Issuance Account shall, at the written direction of an Authorized Officer to the Trustee, be used to pay the costs of issuance relating to the Series 2024 Bonds. On the earlier to occur of (x) the written direction of an Authorized Officer or (y) six (6) months from the date of issuance of the Series 2024 Bonds, any amounts deposited in the Series 2024 Costs of Issuance Account for which the Trustee has not received a requisition to pay such costs shall be transferred over and deposited into the Series 2024 Acquisition and Construction Account and used for the purposes permitted therefor. Any deficiency in the amount allocated to pay the costs of issuance relating to the Series 2024 Bonds shall be paid from excess moneys on deposit in the Series 2024 Revenue Account pursuant to the First supplemental Indenture. When such deficiency has been satisfied and no moneys remain therein, the Series 2024 Costs of Issuance Account shall be closed.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2024 Bonds are the Series 2024 Assessments, which are imposed on certain lands within Assessment Area One within Unit No. 10 of the District that are specially benefited by the Assessment Area One Project pursuant to the Series 2024 Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY" hereto.

The imposition, levy, and collection of Series 2024 Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Sarasota County Tax Collector ("Tax Collector") or the Sarasota County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2024 Assessments during any year. Such delays in the collection of Series 2024 Assessments, or complete inability to collect the Series 2024 Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the Debt Service Requirements on the Series 2024 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2024 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds.

For the Series 2024 Assessments to be valid, the Series 2024 Assessments must meet two requirements: (1) the benefit from the Assessment Area One Project to the lands subject to such Series 2024 Assessments must exceed or equal the amount of such Series 2024 Assessments, and (2) the Series 2024 Assessments must be fairly and reasonably allocated across all such benefitted properties.

Pursuant to the Act and the Series 2024 Assessment Proceedings, the District may collect the Series 2024 Assessments through a variety of methods. Initially, the District will directly collect the Series 2024

Assessments until such time as the lands are platted, whereby the Series 2024 Assessments will be added to the County tax roll and collected pursuant to the Uniform Method unless the timing for using the Uniform Method will not yet allow for using such method. Upon the occurrence and continuance of an Event of Default, the Trustee at the direction of the Majority Owners of the Series 2024 Bonds may direct the District to collect otherwise. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY.". The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2024 Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2024 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2024 Assessments and the ability to foreclose the lien of such Series 2024 Assessments upon the failure to pay such Series 2024 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2024 Assessments. See "BONDOWNERS' RISKS."

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2024 Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2024 Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2024 Assessments will be collected together with City, County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments – including the Series 2024 Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2024 Assessments. In other words, any partial prepayment by a landowner must be distributed in equal proportion to all taxing districts and levying authorities.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by State law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2024 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2024 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the Debt Service Requirements on the Series 2024 Bonds.

Under the Uniform Method, if the Series 2024 Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2024 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2024 Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2024 Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Series 2024 Assessment Proceedings to discharge the lien of the Series 2024 Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2024 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2024 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing and any applicable interest and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or "struck off," to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2024 Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent.

The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven (7) years after the date of issuance if a tax deed has not been applied for and no other administrative or legal proceeding, including a bankruptcy, has existed of record. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens, certain easements, and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County Clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments

accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates, accrued taxes, and liens of any nature and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2024 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2024 Assessments, which are the primary source of payment of the Series 2024 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other sections of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2024 Bonds offered hereby and are set forth below. Prospective investors in the Series 2024 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2024 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2024 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2024 Bonds.

Concentration of Land Ownership

As of the date hereof, the Developer owns [all of the assessable lands within Assessment Area One], which are the lands that will be subject to the Series 2024 Assessments securing the Series 2024 Bonds. Payment of the Series 2024 Assessments is primarily dependent upon their timely payment by the Developer and the other future landowners in Assessment Area One. Non-payment of the Series 2024 Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay Debt Service on the Series 2024 Bonds. See "THE DEVELOPER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of Debt Service on the Series 2024 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner to pay the Series 2024 Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2024 Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2024 Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2024 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2024 Bonds, including, without limitation,

enforcement of the obligation to pay Series 2024 Assessments and the ability of the District to foreclose the lien of the Series 2024 Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2024 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an Insolvent Taxpayer. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of an Insolvent Taxpayer" herein. The District cannot express any view whether such delegation would be enforceable.

Series 2024 Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2024 Bonds is the timely collection of the Series 2024 Assessments. The Series 2024 Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Developer or subsequent landowners will be able to pay the Series 2024 Assessments or that they will pay such Series 2024 Assessments even though financially able to do so. Neither the Developer nor any other subsequent landowners have any personal obligation to pay the Series 2024 Assessments. Neither the Developer nor any subsequent landowners are guarantors of payment of any Series 2024 Assessments, and the recourse for the failure of the Developer or any subsequent landowner to pay the Series 2024 Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2024 Assessments, as described herein. Therefore the likelihood of collection of the Series 2024 Assessments may ultimately depend on the market value of the land subject to the Series 2024 Assessments. While the ability of the Developer or subsequent landowners to pay the Series 2024 Assessments is a relevant factor, the willingness of the Developer or subsequent landowners to pay the Series 2024 Assessments, which may also be affected by the value of the land subject to the Series 2024 Assessments, is also an important factor in the collection of Series 2024 Assessments. The failure of the Developer or subsequent landowners to pay the Series 2024 Assessments could render the District unable to collect delinquent Series 2024 Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of Debt Service on the Series 2024 Bonds.

Regulatory and Environmental Risks

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and

environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area One and the likelihood of timely payment of principal and interest on the Series 2024 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2024 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2024 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area One.

The value of the lands subject to the Series 2024 Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2024 Bonds. The Series 2024 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of Assessment Area One and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. Moreover, the Developer has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2024 Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2024 Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering

the same property encumbered by the Series 2024 Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2024 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2024 Assessment, even though the landowner is not contesting the amount of the Series 2024 Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2024 Bonds

The Series 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2024 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2024 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2024 Bonds, depending on the progress of development of the Development and the lands within Assessment Area One, as applicable, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2024 Assessments, may not adversely affect the timely payment of Debt Service on the Series 2024 Bonds because of the Series 2024 Reserve Account. The ability of the Series 2024 Reserve Account to fund deficiencies caused by delinquencies in the payment of the Series 2024 Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2024 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in such Series 2024 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2024 Assessments, the Series 2024 Reserve Account would be rapidly depleted and the ability of the District to pay Debt Service on the Series 2024 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2024 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2024 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2024 Assessments in order to provide for the replenishment of the Series 2024 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Series 2024 Reserve Account" herein for more information about the Series 2024 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2024 Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2024 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Internal Revenue Code of 1986, as amended (the "Code"), there are limitations on the amounts of proceeds from the Series 2024 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by special districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an

electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, four of the members of the Board of the District were elected by the landowners and one was elected by qualified electors. There can be no assurance that an audit by the IRS of the Series 2024 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2024 Bonds are advised that, if the IRS does audit the Series 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2024 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2024 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds would adversely affect the availability of any secondary market for the Series 2024 Bonds. Should interest on the Series 2024 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2024 Bonds be required to pay income taxes on the interest received on such Series 2024 Bonds and related penalties, but because the interest rate on such Series 2024 Bonds will not be adequate to compensate Owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2024 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2024 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2024 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2024 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Series 2024 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws,

including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2024 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2024 Bonds would need to ensure that subsequent transfers of the Series 2024 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2024 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2024 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or special districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2024 Bonds. It should be noted that Article I, Section 10 of the Florida Constitution provides that the State pledges it will not enact any legislation impairing the obligation of contracts, which includes any agreement made with the holders of District bonds, such as the Indenture, or any contract entered into by the District in connection with the Series 2024 Bonds.

Insufficient Resources or Other Factors Causing Failure to Complete Development

The cost to finish the Assessment Area One Project will exceed the net proceeds from the Series 2024 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Assessment Area One Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Assessment Area One Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Bonds" for more information.

Although the Developer will agree to fund or cause to be funded the completion of the Assessment Area One Project regardless of the insufficiency of proceeds from the Series 2024 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Developer will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation, [and the Developer is a special-purpose entity whose assets consist primarily of its interests in the District]. See "THE DEVELOPER" herein for more information.

There are no assurances that the Assessment Area One Project and any other remaining development work associated with Assessment Area One will be completed. Further, there is a possibility that, even if Assessment Area One is developed, the Builders may not close on all or any of the lots therein, and such failure to close could negatively impact the construction and sale of homes in Assessment Area One. The Builder Contracts may also be terminated by the Builders upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – Builder Contracts" herein for more information about the Builders and the Builder Contracts. See "THE DEVELOPER" herein for more information.

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development, the purchase of lots therein by the Builders and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of Debt Service on the Series 2024 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2024 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2024 Assessments by the Developer or subsequent owners of the property within Assessment Area One. Any such redemptions of the Series 2024 Bonds would be at the principal amount of such Series 2024 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2024 Bonds may not realize their anticipated rate of return on the Series 2024 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2024 Bonds. See "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions," "– Purchase of Series 2024 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of Series 2024 Assessments" herein for more information.

Payment of Series 2024 Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2024 Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General Information

The District, which is the issuer of the Series 2024 Bonds, is a local unit of special purpose government of the State, organized and existing under the provisions of Chapter 2004-456, Laws of Florida, as amended by Chapters 2006-355, 2007-307, 2008-284 and 2022-241, Laws of Florida and other applicable provisions of State law (collectively, the "Act"). The District encompasses approximately 12,444 acres of land and is located both in the City and in an unincorporated portion of the County. The District is located south and west of North River Road, along South Tamiami Trail (U.S. 41), approximately six miles west of Interstate 75.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 2004 for the planning, construction, maintenance, operation, financing and improving of the systems, facilities and services necessary to meet the infrastructure needs of the District. The Act provides legal authority for the District to issue bonds pursuant to its general powers. The District is classified as an independent special district under Chapter 189, Florida Statutes.

The Act gives the District's Board of Supervisors the authority to, among other things: (a) finance, plan (consistent with applicable City and County comprehensive plans and implementing ordinances, studies and plans and in accordance with the Act), design, acquire, construct, install, operate, equip, upgrade, replace, extend, renovate, and maintain: (i) works or elements for modern comprehensive water management, drainage, environmental, mitigation, preservation, erosion, quality and control purposes, (ii) irrigation works, machinery, plants and appurtenances, (iii) roadways, and to include, either as a component of such roads or independently by themselves, parkways, bridges, landscaping, irrigation, bicycle and jogging paths, street lighting, entry features, traffic signals, road striping, and all other customary elements or appurtenances of a modern road system, (iv) entry features, garages, parking facilities, district offices, buildings, facilities and structures, (v) improvements, works, landscaping, systems, structures, buildings and facilities for community or public purposes, uplands, wetlands, playgrounds, parks, gymnasiums, stadiums, ballfields, greenways, waterways and facilities for indoor and outdoor recreational, sport, cultural and educational uses, (vi) water plants and systems, (vii) sewer systems, (viii) measures to control mosquitoes or other insects and arthropods of public health importance, (ix) lands, works, systems, landscaping, and facilities for preservation areas, conservation areas, environmental areas, mitigation areas and wildlife habitat or sanctuary, and (x) systems and facilities for school buildings and related structures which may be donated to a public school district; (b) levy non-ad valorem assessments; and (c) borrow money and issue negotiable or other bonds of the District as provided in the Act and to pledge or hypothecate non-ad valorem assessments, levies and revenues to secure such bonds, notes or obligations, all in accordance with the Act.

The Act does not empower the District to adopt and enforce any comprehensive plans, building codes, zoning codes or land development codes, and the Act does not empower the District to grant building permits; these functions are to be performed by the general purpose local governments having jurisdiction over the lands within the District, and the Act further requires the District to coordinate its activities with such units of general purpose government in which it is located.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for

enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2024 Bonds.

Board of Supervisors

The governing body of the District is its Board of Supervisors (the "Board"), which is composed of five Supervisors (the "Supervisors"). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners, with the landowners voting first for two supervisors who are to hold office for an initial term of four years, next for a supervisor who is to hold office for an initial term of three years, next for a supervisor who is to hold office for an initial term of two years, and next for a supervisor who is to hold office for an initial term of one year. Thereafter, each year during the month of June, beginning with June of the second year following the first election, a Supervisor shall be elected by the landowners of the District to take the place of the retiring Supervisor and shall hold office for a term of four years. At all such meetings, each landowner shall be entitled to one vote in person or by written proxy for every acre, or any fraction thereof, of land owned by such landowner in the District. All Supervisors of the District must be citizens of the United States. If, on or before January 1 of any calendar year, there are 6,000 owners of real property in that portion of the District located within the City who are registered voters in the City, then at least one Supervisor elected at the next regularly scheduled election shall be a resident of and owner of real property in that portion of the District located within the City. If, on or before January 1 of any calendar year, there are 3,000 owners of real property in that portion of the District located within the unincorporated area of the County who are registered voters of the County, then at least one Supervisor elected at the next regularly scheduled election shall be a resident of and owner of real property in that portion of the District located within the unincorporated County. The eligible person receiving the highest number of votes for a Supervisor position shall be declared and elected as such Supervisor. In case of a vacancy in the office of any Supervisor, the remaining Supervisors shall, within ninety (90) calendar days from the occurrence of such vacancy, fill such vacancy until the expiration of that seat's outstanding term when a successor shall be elected by the landowners.

Section 112.3143(3)(b), Florida Statutes, provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner. The Developer and its affiliates currently own a majority of the District Lands, and four of the five members of the Board have been elected by affiliates of the Developer.

The current members of the Board and the expiration of the term of each member are set forth below.

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
John Luczynski*	Chairperson	June 2025
Steve Lewis*	Vice-Chairperson	June 2025
Christine Masney*	Assistant Secretary	June 2027
Thomas Buckley*	Assistant Secretary	June 2025
John Meisel	Assistant Secretary	November 2026

* Affiliated with the Developer. Not a Qualified Elector.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined), who has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Special District Services, Inc., a Florida corporation, to serve as its district manager ("District Manager"). The District Manager's office is located at 2501A Burns Road, Palm Beach Gardens, Florida 33410, telephone number (561) 630-4922.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, as Bond Counsel; Dewberry Engineers Inc., Sarasota, Florida, as Consulting Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and Dissemination Agent for the Series 2024 Bonds.

Outstanding Bond Indebtedness and Previous and Existing Bond Defaults

Overlapping Indebtedness

Unit No. 1

The District previously issued its \$34,895,000 Special Assessment Bonds, Series 2007 (Unit of Development No. 1) (the "Series 2007 Bonds") to finance a portion of the master planning and infrastructure improvements within Unit of Development No. 1 within the District ("Unit No. 1"). The District previously defaulted in the payment of certain debt service payments, including both principal and interest, on the Series 2007 Bonds as a result of the failure by the original developer within Unit No. 1 to pay the assessments pledged to repay the Series 2007 Bonds. Subsequently, affiliates of the Developer acquired the lands within Unit No. 1 and the Series 2007 Bonds were brought current in the payment of principal and interest in June 2014. The Series 2007 Bonds were fully redeemed and refunded on August 31, 2017, with the District's \$32,165,000 Special Assessment Revenue Refunding Bonds, Series 2017 (Unit of Development No. 1) (the "Unit No. 1 Bonds"). The Unit No. 1 Bonds are outstanding as of [____], 2024 in the aggregate principal amount of \$25,800,000 and are current.

The Unit No. 1 Bonds are secured by the Unit No. 1 Assessments, which are levied on a portion of the District Lands which include Unit No. 10. The Unit No. 1 Assessments constitute a separate and distinct lien from the Series 2024 Assessments. Currently, there is approximately [\$489,410][update] of principal amount of Unit No. 1 Bonds levied on Unit No. 10 lands; however this allocated amount is expected to change in the future depending on future development on other lands in the District subject to the Unit No. 1 Assessments. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" for more information regarding the Unit No. 1 Assessments levied on Unit No. 10.

Non-Overlapping Indebtedness

Unit No. 2

The District previously issued its \$38,005,000 Special Assessment Bonds, Series 2005 (Unit of Development No. 2) (the "Series 2005 Bonds") to finance a portion of the master infrastructure improvements within Unit of Development No. 2 within the District ("Unit No. 2"). The Series 2005 Bonds were secured by the Unit No. 2 Assessments, which were levied on District Lands separate and distinct

from the District Lands subject to the Series 2024 Assessments. Commencing in the 2010 tax year, an approximately 105.93 acre parcel (the "Defaulted Property") within Unit No. 2 that was planned for commercial use became delinquent in the payment of its assessments and the Series 2005 Bonds went into default. As of October 1, 2019, the Series 2005 Bonds were delinquent in the amount of \$6,385,000.00 in principal and \$4,202,068.55 in interest and there was approximately \$22,746,777.25 of delinquent taxes and assessments (including but not limited to amounts due for the payment of principal, interest, and additional interest, penalties and costs that were due as a result of such delinquency) levied upon the Defaulted Property.

On or about October 16, 2019, the District exchanged \$32,965,000 of its Outstanding Series 2005 Bonds for two separate series of bonds designated as the "West Villages Improvement District Special Assessment Bonds, Series 2019A-1 (Unit of Development No. 2)" in the aggregate principal amount of \$15,190,000 (the "Series 2019A-1 Bonds") and the "West Villages Improvement District Special Assessment Bonds, Series 2019A-2 (Unit of Development No. 2)" in the aggregate principal amount of \$17,445,000 (the "Series 2019A-2 Bonds, and together with the Series 2019A-1 Bonds, the "Bifurcated Bonds") in a par to par exchange. In addition, the remaining Series 2005 Bonds were either defeased or cancelled. The Series 2019A-1 Bonds are outstanding as of March 6, 2024 in the aggregate principal amount of \$12,180,000 and are current. The Series 2019A-2 Bonds are outstanding as of March 6, 2024 in the aggregate principal amount of \$12,830,000 and remain in default.

Each series of the Bifurcated Bonds are secured by a series of assessments levied on separate and distinct lands within Unit No. 2, all of which lands are separate and distinct from the District Lands subject to the Series 2024 Assessments securing the Series 2024 Bonds.

Unit No. 3

The District previously issued its \$40,840,000 Special Assessment Bonds, Series 2006 (Unit of Development No. 3) (the "Series 2006 Bonds") to finance a portion of the neighborhood infrastructure improvements within Unit of Development No. 3 within the District ("Unit No. 3"). The District previously defaulted in the payment of certain debt service payments on the Series 2006 Bonds as a result of the failure by the original developer within Unit No. 3 to pay Unit No. 3 Assessments. Subsequently, a new landowner acquired the lands within Unit No. 3 and such default was cured. The Series 2006 Bonds were fully redeemed and refunded on August 24, 2017 with the District's \$16,550,000 Special Assessment Revenue Refunding Bonds, Series 2017 (Unit of Development No. 3) (the "Unit No. 3 Bonds"). THE PLAN OF IMPROVEMENTS AND THE ASSESSMENT AREA ONE PROJECT

In the "West Villages Improvement District Unit of Development No. 10 – Master Engineer's Report" dated January 11, 2024 (the "Engineer's Report") prepared by Dewberry Engineers Inc. (the "Consulting Engineer"), the Consulting Engineer sets forth certain planned infrastructure improvements for the development of the District's Unit No. 10 (the "Unit No. 10 Plan of Improvements"). Unit No. 10 contains approximately 878.3 acres of land that are planned for approximately 1,149 residential units at build out. The District Engineer estimates the total cost of the Unit No. 10 Plan of Improvements to be approximately \$98,600,000.

Land development associated with Unit No. 10 will occur in phases. Two separate assessment areas have been created within Unit No. 10 in order to facilitate the District's financing plans. The first assessment area is expected to contain 420 platted lots, 132 coach homes and 37 townhomes (which are not separately platted) for a total of 589 residential units ("Assessment Area One"). The second assessment area has not been planned but would accommodate approximately 560 fifty-foot lots ("Assessment Area Two"). The portion of the Unit No. 10 Plan of Improvements associated with Assessment Area One is referred to herein as the "Assessment Area One Project". The Series 2024 Bonds are being issued in order to finance a portion of the Assessment Area One Project.

The Consulting Engineer, in the Engineer's Report, estimated the total cost of the Assessment Area One Project to be approximately \$69,700,000, which consists of (i) \$38,000,00 of master infrastructure improvements necessary for the Development of all of Unit No. 10 and (ii) \$31,700,000 of parcel specific infrastructure costs necessary for the Development of Assessment Area One, as more particularly described below. See "APPENDIX A: ENGINEER'S REPORT" attached hereto for more information. [Discussion on allocation of portion of master improvement below.]

Improvements	Estimated Cost
Master Improvements	
Collector and Arterial Roads	\$21,100,000
Wastewater Treatment Plant (Pro Rata Share)	6,700,000
Water Treatment Plant (Pro Rata Share)	4,800,000
Master Water Management	200,000
Parks/Government	200,000
Consultants and Administration	5,000,000
Total Master Improvements	\$38,000,000
Neighborhood Improvements	
Earthwork	\$10,700,000
Drainage and Stormwater	8,000,000
Potable Water	2,800,000
Wastewater	4,500,000
Master Irrigation	1,600,000
Consultants and Administration	4,100,000
Total Neighborhood Improvements	\$31,700,000
TOTAL	\$69,700,000

As described above, the Engineer's Report contains Master Improvements, which are costs incurred for the Master Development that were allocated to Unit No. 10. These improvements are substantially complete. The Neighborhood Improvements set forth in the Engineer's Report and described above are the District's planned onsite infrastructure within Assessment Area One. Development of Neighborhood

Improvements commenced approximately August 2023. Final completion is expected late summer or early fall 2024. A plat of Assessment Area One was approved by the City of North Port, and recording is expected in March 2024.

The Developer estimates the total land development and construction costs associated with Assessment Area One to be approximately \$44.1 million, which does not include the Master Improvements which are substantially complete. As of January 31, 2024, the Developer has spent approximately \$25.4 million to date on land development activity associated with Assessment Area One, a portion of which includes the Assessment Area One Project. This excludes the costs incurred to install the Master Improvements. Net proceeds of the Series 2024 Bonds are anticipated to finance the District's acquisition of approximately \$17.67 million* of the Assessment Area One Project from the Developer. [The Developer will enter into a completion agreement at closing on the Series 2024 Bonds to complete the parcel infrastructure associated with the Development.] See "THE DEVELOPMENT – Development Plan and Status" and "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

The Consulting Engineer has indicated that all permits necessary to construct the Assessment Area One Project have been obtained or are expected to be obtained in the ordinary course. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" for a more detailed description of the entitlement and permitting status of the Development.

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

The Master Special Assessment Methodology Report – West Villages Improvement District Unit of Development No. 10, dated January 11, 2024 (the "Master Methodology"), as supplemented by the [Preliminary Supplemental Special Assessment Methodology Report – West Villages Improvement District Unit of Development No. 10 (Assessment Area One Project), dated March 14], 2024 (the "Supplemental Methodology" and together with the Master Methodology, the "Assessment Methodology"), which allocate the Series 2024 Assessments to the lands within Assessment Area One, has been prepared by Special District Services, Inc., Palm Beach Gardens, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. The Assessment Methodology is included herein as APPENDIX E. Once the final terms of the Series 2024 Bonds are determined, the Supplemental Methodology will be revised to reflect such final terms. Once levied and imposed, the Series 2024 Assessments are first liens on the lands within Assessment Area One against which they are assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2024 Bonds are payable from and secured by a pledge of the Series 2024 Trust Estate, which consists primarily of the Series 2024 Assessments and the Series 2024 Pledged Funds. [update upon receipt of Supplemental Methodology and plat - The Series 2024 Special Assessments will be assigned to the [589 units] which comprise Assessment Area One on a per unit basis below and as set forth in the Assessment Methodology attached hereto. See "APPENDIX E: ASSESSMENT METHODOLOGY" for more information.]

The lands in the Development are also located within the District's Unit No. 1. Accordingly, in addition to the Series 2024 Special Assessments, the lands in Assessment Area One are subject to non-ad valorem assessments levied by the District in connection with improvements and services provided by Unit No. 1 (the "Unit No. 1 Assessments"). The Unit No. 1 Assessments will continue to be levied against the lands in the Development following the issuance of the Series 2024 Bonds. The Unit No. 1 Assessments are subject to change as development progresses in the District but are \$172 per year (principal and interest) for lands of one-half acre or less for the 2023-2024 fiscal year. See "THE DISTRICT – Outstanding Bond Indebtedness and Previous and Existing Bond Defaults" for more information on the District's prior assessments.

The District also anticipates continuing to levy assessments to cover its operation and administrative costs that, along with Unit No. 1 and District operation and administrative assessments, are expected to be approximately [\$500] per unit in Unit No. 10 annually, but such amounts are subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate in Unit No. 10 of the District in 2023 was approximately 14.6705 mills. These taxes would be payable in addition to the Series 2024 Assessments and other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School Board each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years, taxes levied by these other entities could be substantially higher than in the current year. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

THE DEVELOPMENT

General

The District Lands contain the community known as Wellen Park which is being developed by Wellen Park, LLLP and its affiliates (which may be referred to herein singularly or collectively as the "Master Developer"). The District Lands contain approximately 12,444 acres and at buildout are expected to contain 20,000 - 25,000 units. The District was created to provide for the acquisition, construction, operation and maintenance of infrastructure improvements for the District Lands, which are located within both the City and unincorporated portions of the County.

The District Lands are located along South Tamiami Trail (U.S. 41), south and west of North River Road and approximately six miles west of Interstate 75. Under the Act, the District is authorized to create separate "Units of Development" to facilitate the development of the District Lands. Other portions of the District are in the process of being developed and units are being sold. IslandWalk (Divosta / Pulte Homes) Gran Paradiso (Lennar Homes), Preserve (D.R. Horton), Oasis (M/I Homes) and Tortuga (Lennar Homes) are completed and closed out. Grand Living, a senior living community offering independent living, assisting living and memory care is complete and leasing. An apartment community called Tropia is also complete and actively leasing. Active communities and developers include Antigua (Lennar Homes), Renaissance (Mattamy Homes), Solstice (Toll Brothers), Sunstone (Mattamy Homes), Avelina (Neal Communities), Wysteria (Neal Communities), Gran Place (Sam Rodgers), Wellen Park Golf & Country Club (Lennar Homes), Brightmore (Mattamy Homes), Everly (Homes by West Bay, John Cannon Homes, Lee Wetherington Homes and Neal Signature Homes), Lakespur (Lennar and Pulte) and two build-for-rent communities, Stillwell (Coastal Development) and BB Living (Toll Brothers). Lastly, an age-restricted rental community, Solea, is under construction and pre-leasing with opening anticipated late summer 2024. All of the communities referenced above are in Unit No. 1, 2, 3, 4, 7, 8, or 9.

The area in which the District Lands are located is one of the fastest growing sub-markets in the State of Florida, with approximately 5,968 total homes closed within the District through January 31, 2024. In 2023, communities within Wellen Park (a portion of which is outside the District) sold approximately 862 homes, at an average sales price of approximately \$600,000, making the sub-market one of the top ten selling communities in the country.

The portion of the District Lands that has most recently commenced land development activity is Unit of Development No. 10 ("Unit No. 10" or the "Development"). Unit No. 10 is planned to contain a residential community to be known as "Palmera". Unit No. 10 contains approximately 878.3 acres of land that are planned for approximately 1,149 residential units. Land development associated with Unit No. 10 is being phased. Two separate assessment areas have been created within Unit No. 10 in order to facilitate the District's financing plans. Assessment Area One contains 589 residential units. Assessment Area Two would accommodate approximately 560 lots fifty foot lots, but the actual site plan and product mix have not yet been determined.

The Series 2024 Bonds are being issued in order to finance a portion of the Assessment Area One Project. The Series 2024 Bonds will be secured by the Series 2024 Special Assessments which will at issuance be levied on the 589 units which comprise Assessment Area One as set forth in the Assessment Methodology attached hereto. The Series 2024 Special Assessments will be levied on a portion of the lands securing the Unit No. 1 Bonds. The Series 2024 Assessments will share co-equal lien status with the special assessments securing the Unit No. 1 Bonds.

Manasota Beach Ranchlands, LLLP, a Florida limited liability limited partnership (the "Developer") and an affiliate of Wellen Park, LLLP, is the landowner and developer for Unit No. 10. The Developer is installing infrastructure improvements for Unit No. 10 and has entered into contracts to sell finished lots to homebuilders which include (i) Mattamy Homes, (ii) M/I Homes, (iii) Neal Communities, (iv) Homes by Towne, (v) David Weekley Homes, and (vi) ICI Homes (collectively, the "Builders"). See "THE DEVELOPER" and "—The Builder Contracts and the Builders" herein for more information.

Assessment Area is planned to contain various product types consisting of (i) 132 Coach Homes, (ii) 37 townhomes, (iii) 88 single-family homes on 50' wide lots, (iv) 287 single-family homes on 65' wide lots, and (v) 45 single-family homes on 75' wide lots. Homes within Assessment Area One are expected to range in size from 1,800 square feet to 3,600 square feet with price points expected to range from \$325,000 to \$900,000. The target market for purchasers within Assessment Area One consists primarily of affluent multi-generational homebuyers. See "—Residential Product Offerings" herein for more information.

Update on Wellen Park

Wellen Park is the spring training home of the Atlanta Braves. The stadium therein is a \$100 million complex (exclusive of land acquisition and infrastructure costs), which includes 6,200 fixed seats and 1,000 berm seats, six full and two practice fields, a 55,000-square foot clubhouse and office building, outfield patio and bar areas. The principal purpose of the stadium is for Major League Baseball® spring training. The facility is used by the Braves throughout the year for additional purposes, including extended spring training games and instructional league games. Other year-round activities hosted by the Braves include special events, fantasy camps, concerts and festivals. The campus is also available for community events. The City, County, District and community have access to the Public Plaza and multipurpose fields for art shows and other community events when there are not Atlanta Braves events. The multipurpose grass fields can accommodate soccer, lacrosse and other field sports and will be available throughout the year when not used for overflow parking. Construction of the spring training facility is complete.

Wellen Park also includes the Marketplace, an approximately 24-acre site that includes up to 87,787 leasable square feet and approximately six acres of outparcels, located at the intersection of West Villages Parkway and US 41. The project was a joint venture between GB WV, LLC, an affiliate of The Sembler Company, and WV Parkway Commercial 1, LLLP, an affiliate of the Developer. Construction of the Marketplace is complete. The Marketplace is anchored by a Publix supermarket. The Publix lease is for 48,387 square feet. The Marketplace includes a variety of other tenants as well including Dunkin', HCA Florida Healthcare, West Villages Dental Care, West Villages Animal Clinic and a UPS store. Five outparcels have been sold and closed to unrelated third parties. A 1.66-acre parcel with a ground lease to 7-11 was sold for approximately \$2,705,000 in June 2020, a 1.3-acre parcel with a ground lease to Chase Bank was sold for \$3,150,000 in January 2021, and a 1-acre parcel was sold for \$1,100,000 in August 2021 and has been developed as an Ace Hardware. All of these businesses are open and operating. A fourth outparcel of approximately 1.1 acres was sold for \$1,300,000 in December 2021 and is currently vacant. The fifth and final outparcel which is one acre was sold to Fifth Third Bank for \$1,400,000 and closed in March 2023.

The Wellen Park Welcome Center opened in November 2020. It is a 5,000 square foot facility staffed with ambassadors to meet with potential home buyers to provide information regarding Wellen Park and the local area and to assist them in identifying neighborhoods and homes that meet their specific needs. The new space is equipped with touch screen displays for up-to-minute information on all things Wellen Park from available homes and model plans to upcoming events to local retailer information.

Located across from the Marketplace site is the State College of Florida (approximately 3,000 students) and an undeveloped site owned by Sarasota Memorial Hospital, which is planned for development as 50,000-70,000 square feet of medical office space and a small hospital.

The Wellen Park Commercial District is located in Village E along US 41 and includes the following:

Costco - 110,000 square foot facility, with gas station, is under construction with completion expected approximately June 2024.

Millenium Physicians Group – 40,000 square feet of medical office is under construction with opening projected in the third quarter of 2024.

Casto – 50,000 square feet of medical office is under construction with completion expected in the third quarter of 2025.

Bayside Pet Resort – Complete and open for business.

WMG Developers – Commercial property to include a Panera Bread and Starbucks with completion expected in the second quarter of 2025.

College Preparatory Academy Charter School, with grades K-6 in the 2023 school year and expanding to K-7 for the 2024 – 2025 school year, is currently open, and a voluntary pre-kindergarten is under construction with expected completion in the third quarter of 2024.

Downtown Wellen is designed as a mixed-use development that will serve as a shopping, dining and entertainment destination for the community. The initial phase has gross leasable area of approximately 45,000 square feet and is fully leased to a variety of restaurant, retail and office tenants. This initial phase is complete and 100% leased and open for business. A second phase is planned and is expected to include approximately 40,000 square feet of gross leasable area. The second phase will also be mixed use with commencement of construction planned for summer 2024

There are currently 11 active for-sale residential communities and three active rental communities within the District (in Units 1, 2, 3, 4, 7, 8, and 9), along with additional communities under development.

Land Acquisition and Finance Plan

The Developer, with several of its affiliated entities, acquired approximately 9,675 acres in the District in transactions in May 2014, January 2015, and November 2015 for approximately \$101 million. The Developer and its affiliates have additionally invested approximately \$450 million on land development and construction costs in the District through January 31, 2024. There are currently no mortgages on the Unit No. 10 lands.

The Developer estimates the total land development and construction costs associated with Assessment Area One to be approximately \$44.1 million, which does not include the Master Improvements

which are substantially complete, but does include the [Amenities in the approximate amount of \$ ____]. See "THE PLAN OF IMPROVEMENTS AND THE ASSESSMENT AREA ONE PROJECT" herein for more information. As of January 31, 2024, the Developer has spent approximately \$25.4 million on on-site land development activity associated with Assessment Area One, a portion of which includes the Assessment Area One Project, which amount does not include the Master Improvements. Net proceeds of the Series 2024 Bonds are anticipated to finance the District's acquisition of approximately \$17.67 million* of the Assessment Area One Project from the Developer. [The Developer will enter into a completion agreement at closing on the Series 2024 Bonds to complete the parcel infrastructure associated with the Development.] See question above re Completion Agreement. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Development Plan and Status

Land development associated with Assessment Area One is ongoing, but sufficiently complete to accommodate the contracted closing of 187 lots and 80 coach home units in May 2024. The final completion of the Assessment Area One development is expected by late summer or early fall 2024. Vertical construction and sales of homes by Builders are expected to commence shortly after the initial May land closings. A plat for 420 lots and also including 132 coach homes and 37 townhomes within Assessment Area One has been approved by the City of North Port with recording anticipated in March 2024. Closings with homebuyers are expected to commence late 2024 or early 2025.

The Developer anticipates that approximately 175 – 200 homes within Assessment Area One will close with homebuyers per annum until buildout. This anticipated absorption rate is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rates will occur or be realized in the timeframes anticipated. See "BONDOWNERS' RISKS – Economic Conditions and Changes in Development Plans" herein.

Builder Contracts

The Developer has entered into contracts (collectively, the "Builder Contracts") with the following homebuilders (collectively, the "Builders") as set forth below. The total expected aggregate purchase price for all 589 Units planned for Assessment Area One is expected to be approximately \$83.9 million.

- 132 Coach Home lots to Mattamy Tampa/Sarasota, LLC, a Delaware limited liability company ("Mattamy Homes") at an aggregate price of \$12,833,080 million or an average price of approximately \$97,220 per unit, which is subject to adjustment as set forth in the contract. The initial closing of 80 units is scheduled for June 2024 with the remaining units scheduled to close in April 2026.

- 37 townhome lots to M/I Homes of Ft. Myers/Naples, LLC ("M/I Homes") at a price of \$3,420,650 or \$92,459 per townhome lot. The closing date anticipated by the contract is June 2025.

- 23 single-family 75' wide lots at a price of \$4,312,500 to M/I Homes of Ft. Myers/Naples, LLC ("M/I Homes") or \$187,500 per single-family 75' wide lot. Closing is scheduled for May 2024.

* Preliminary, subject to change.

- 44 single-family 50' wide lots to Neal Communities of Southwest Florida, LLC ("Neal Communities") at a price of \$5,500,000 or \$125,000 per single-family 50' wide lot. Closing is scheduled for May 2024. Neal is the likely buyer for the remainder, but there is no contract yet.

- 22 single-family 75' wide lots to ICI Residential Holdings, LLC ("ICI Homes") at a price of \$4,125,000 or \$187,500 per single-family 75' wide lot. Closing is scheduled for May 2024.

- 144 single-family 65' wide lots to Towne Realty of West Florida, Inc, ("Homes by Towne") at a total price of \$24,104,133 or an average of \$167,390 per single-family 65' wide lot. The initial closing of 49 lots is scheduled for May 2024 with subsequent closings of 47 and 48 lots scheduled for April 2025 and April 2026, respectively.

- 49 single-family 65' wide lots to Weekley Homes, LLC ("David Weekley Homes") at a price of \$7,962,500 or \$162,500 per single-family 65' wide lot. Closing is scheduled for May 2024.

The Builders' obligations to close on lots under the Builder Contracts are conditioned, among other things, upon the completion of the development of such lots. In the event the Developer is not able to satisfy the conditions in the respective Builder Contracts, there is a risk that Builders will not close on lots within Assessment Area One. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Development Approvals

[confirm.] Unit No. 10 is located within Wellen Park Village I which, in turn, is located within the incorporated boundaries of the City. The City has created a Village Land Use Classification for the development of approximately 8,000 acres of land, including Village I and the Development, pursuant to the City's Comprehensive Plan. Wellen Park received a "Village Zoning District" designation under the Village Land Use Classification, pursuant to a zoning ordinance adopted by the City Commission on May 26, 2015. The City approved the Village District Pattern Plan for Village I on April 26, 2022. The land within Unit No. 10 has all zoning approvals necessary for the development described herein. The land is subject to various development agreements with the City. The Consulting Engineer has indicated that all permits necessary to construct the Assessment Area One Project have been obtained or expected to be obtained in the ordinary course. See "APPENDIX A: ENGINEER'S REPORT" for additional information on the status of permits for the Development as a whole. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" and "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Environmental

A Phase 1 Environmental Site Assessment (the "2014 ESA") was performed in March 2014 on approximately 10,000 acres, including all of the lands within the Development. The 2014 ESA identified recognized environmental conditions ("RECs") associated with two LUST (leaking underground storage tank) facilities located adjacent to the District Lands, which are eligible for state funding for site assessment and remedial activities. The 2014 ESA did not reveal the presence of any RECs within the Development and did not recommend additional assessment activities. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein for more information regarding potential environmental risks.

Amenities

Community-wide amenities available to Unit No. 10 and other District residents include the Atlanta Braves spring training complex, "Blue Heron Park", which is a public park constructed in Village B near River Road, the Marketplace shopping center which is anchored by a Publix supermarket, the Downtown Wellen mixed-use development in Village D which includes shopping, dining and entertainment options, the Grand Lake and 20 miles of trails. A community garden is currently being developed and is anticipated to open approximately June 2024. Wellen Park Golf and Country Club, a bundled golf community being developed by Lennar, is currently allowing public access but will eventually be for the exclusive use of its members and guests.

The Developer is constructing central amenities for Unit No. 10 at a total cost of approximately \$16 million (the "Unit No. 10 Amenities"). The Unit No. 10 Amenities are expected to include a coastal resort style social house, outdoor bar and grill overlooking a large format lap pool and resort pool, interior banquet space, cigar lounge/fire pit, golf simulator room, splashpad and playground, fitness studio, 2 spa treatment rooms, 6 pickle ball courts and 2 tennis courts. Completion of the Unit No. 10 Amenities is expected by the third quarter of 2025.

Utilities

The City will provide water and sewer service to the Development from plants previously constructed by and conveyed from the Master Developer. Florida Power & Light Company provides electrical service to the Development. Natural gas will be provided by TECO. The District will own and operate the stormwater management facilities.

Taxes, Fees and Assessments

The Series 2024 Bonds are payable from and secured by a pledge of the Series 2024 Trust Estate, which consists primarily of the Series 2024 Special Assessments and the Series 2024 Pledged Funds. The Series 2024 Special Assessments will be assigned to the [589 units] which comprise Assessment Area One on a per unit basis below and as set forth in the Assessment Methodology attached hereto. See "APPENDIX E: ASSESSMENT METHODOLOGY" for more information.

The lands in the Development are also located within the District's Unit No. 1. Accordingly, in addition to the Series 2024 Special Assessments, the lands in Assessment Area One are subject to non-ad valorem assessments levied by the District in connection with improvements and services provided by Unit No. 1 (the "Unit No. 1 Assessments"). The Unit No. 1 Assessments will continue to be levied against the lands in the Development following the issuance of the Series 2024 Bonds. The Unit No. 1 Assessments are subject to change as development progresses in the District but are \$172 per year (principal and interest) for lands of one-half acre or less for the 2023-2024 fiscal year. See "THE DISTRICT – Outstanding Bond

Indebtedness and Previous and Existing Bond Defaults" for more information on the District's prior assessments.

Set forth below is a chart which illustrates the total net assessments (excluding gross up to account for collection costs and early payment discount) for Unit No. 10 and Unit No. 1 assessments:

The District also anticipates continuing to levy assessments to cover its operation and administrative costs that, along with Unit No. 1 and District operation and administrative assessments, are expected to be approximately [\$500] per unit in Unit No. 10 annually, but such amounts are subject to change. In addition, homes in the Development will be subject to homeowners' association fees which are expected to be approximately [\$3,800] per year. [can we provide estimated HOA?] The coach and townhomes will be subject to additional condominium association assessments which have not yet been determined. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate in Unit No. 10 of the District in 2023 was approximately 14.6705 mills. These taxes would be payable in addition to the Series 2024 Assessments and other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School Board each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years, taxes levied by these other entities could be substantially higher than in the current year.

Education

School age residents in the Development are expected to attend Taylor Ranch Elementary School, Venice Middle School and Venice Senior High School, which are located approximately two miles, three miles and 11 miles away from the Development, respectively, and which were rated by the State in 2023 as A, A, and A, respectively. The School Board may change school boundaries from time to time and there

is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

The College Preparatory Academy is open in the Wellen Park Commercial District (Village E) with grades K-6 in 2023-2024 and K-7 planned for the 2024 – 2025 school year. A voluntary pre-kindergarten is under construction and expected to open in the third quarter of 2023. The School Board acquired land near Unit No. 9 to construct a K-12 school which is expected to open for the 2026 – 2027 school year. An early childhood development center is expected to open in Village D of the District in late 2024. The State College of Florida, with a collegiate high school program, is located adjacent to and between Villages D and E.

Competition

The Development is expected to compete with other neighborhoods in Wellen Park including, most specifically, Everly and Lakespur in Village K (Unit 9) and with projects in the County market generally. Wellen Park overall competes with other large-scale masterplans in the region, particularly Lakewood Ranch and Babcock Ranch. This section does not purport to summarize all of the existing or planned communities in the area of the Development, but rather provides a description of those that the Developer believes pose primary competition to the Development.

Developer Agreements

[subject to update - The Developer will enter into a completion agreement that will obligate the Developer to complete the infrastructure associated with the Development. In addition, the Developer will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the Assessment Area One Project. It should be noted that the Developer has previously granted similar rights ("Prior Collateral Assignments") in connection with the issuance of certain of the District's Prior Bonds, and such rights under such Prior Collateral Assignments may be superior to and take priority over the rights granted under the Collateral Assignment. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2024 Assessments as a result of the Developer's or subsequent landowner's failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Development. Finally, the Developer will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted or unassigned lands within Assessment Area One rise above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism." Such obligation of the Developer is an unsecured obligation. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE DEVELOPER" herein for more information regarding the Developer.]

THE DEVELOPER

Wellen Park LLLP owns 100% of the General Partner. Calben (Florida) Corporation, a Florida corporation, owns 97.5% of Wellen Park, LLLP with minority interests held by Thomas Ranch Land Partners GP, LLC, a Delaware limited liability company (1%), and Thomas Ranch Limited Partnership, an Ontario Canada limited partnership (1.5%). Calben (Florida) Corporation, a Florida corporation, is a 100% subsidiary of Calben (US) Corporation, a Delaware corporation which, in turn, is a subsidiary of Mattamy Group Corporation, a Canadian corporation, which does business under the fictitious name of Mattamy Homes ("Mattamy").

Mattamy is a privately held corporation and one of the largest privately-owned homebuilders in North America. Originally established in 1978 in Ontario, Canada by Peter Gilgan, Mattamy is now Canada's largest new home construction and development firm, with homes built in communities that stretch across the Greater Toronto Area, as well as in Ottawa, Calgary, and Edmonton. With operations across Canada and the United States, Mattamy has sold over 100,000 homes in hundreds of communities and is a leading homebuilding brand in North America. Mattamy is currently represented in eleven US metropolitan areas – Raleigh, Charlotte, Phoenix, Tucson, Jacksonville, Orlando, Naples, Tampa, Sarasota, Southeast Florida and Dallas.

The scope of Mattamy's operations encompasses land acquisition, community design and development, and housing and parkland design and construction, with particular emphasis on creating complete communities. Mattamy offers personalized homes in desired locations across a wide variety of demographics, price points, and ages and stages in life. Its core target market includes first-time buyers and move-up families, as well as the empty-nester and second-home segments.

Mattamy has appointed an Executive Committee ("EC") to provide oversight and approve major decisions related to the Development. The members of the EC are Keith Bass and Larry Nicholson. Day-to-day operational management is provided by Richard Severance. Biographies of each are set forth below:

Neither the Developer nor any of the other entities or individuals listed above are guaranteeing payment of the Series 2024 Bonds or the Series 2024 Assessments. None of the entities listed herein, other than the Developer, has entered into any agreements in connection with the issuance of the Series 2024 Bonds.

TAX MATTERS

Opinion of Bond Counsel

In the opinion of Bond Counsel, the form of which is attached hereto as APPENDIX C, the interest on the Series 2024 Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax under existing statutes, regulations, rulings and court decisions; provided, however, with respect to certain corporations, interest on the Series 2024 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations for tax years beginning after December 31, 2022. Failure by the District to comply subsequent to the issuance of the Series 2024 Bonds with certain requirements of the Internal Revenue Code of 1986, as amended (as previously defined, the "Code"), including but not limited to requirements regarding the use, expenditure and investment of Series 2024 Bond proceeds and the timely payment of certain investment earnings to the Treasury of the United States, may cause interest on the Series 2024 Bonds to become includable in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted to comply with all provisions of the Code necessary to, among other things, maintain the exclusion from gross income of interest on the Series 2024 Bonds for purposes of federal income taxation. In rendering its opinion, Bond Counsel has assumed continuing compliance with such covenants.

Internal Revenue Code of 1986

The Code contains a number of provisions that apply to the Series 2024 Bonds, including, among other things, restrictions relating to the use or investment of the proceeds of the Series 2024 Bonds and the payment of certain arbitrage earnings in excess of the "yield" on the Series 2024 Bonds to the Treasury of the United States. Noncompliance with such provisions may result in interest on the Series 2024 Bonds being included in gross income for federal income tax purposes retroactive to their date of issuance.

Collateral Tax Consequences

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of, the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should be aware that the ownership of the Series 2024 Bonds may result in other collateral federal tax consequences. For example, ownership of the Series 2024 Bonds may result in collateral tax consequences to various types of corporations relating to (1) denial of interest deduction to purchase or carry such Series 2024 Bonds, (2) the branch profits tax, and (3) the inclusion of interest on the Series 2024 Bonds in passive income for certain Subchapter S corporations. In addition, the interest on the Series 2024 Bonds may be included in gross income by recipients of certain Social Security and Railroad Retirement benefits.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2024 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES REFERRED TO ABOVE. PROSPECTIVE SERIES 2024 BONDHOLDERS SHOULD CONSULT WITH THEIR TAX ADVISORS FOR INFORMATION IN THAT REGARD.

[Bank Qualified Obligations]

The District has designated the Series 2024 Bonds as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3)(B) of the Code, which may be treated pursuant to Section 265(b)(3)(A) of the Code as being acquired on August 7, 1986 for purposes of the application of Section 265(b)(2) of the Code in the case of certain financial institutions owning the Series 2024 Bonds. Any change in the findings and facts set forth in the Resolution and in the certifications of the District delivered at the closing with respect to the Series 2024 Bonds and relating to such designation could adversely impact the status of the Series 2024 Bonds as "qualified tax-exempt obligations."]

Florida Taxes

In the opinion of Bond Counsel, the Series 2024 Bonds and interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

Other Tax Matters

Interest on the Series 2024 Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2024 Bonds should consult their tax advisors as to the income tax status of interest on the Series 2024 Bonds in their particular state or local jurisdictions.

The Inflation Reduction Act, H.R. 5376 (the "IRA"), was passed by both houses of the U.S. Congress and was signed by the President on August 16, 2022. As enacted, the IRA includes a 15 percent alternative minimum tax to be imposed on the "adjusted financial statement income", as defined in the IRA, of certain corporations for tax years beginning after December 31, 2022. Interest on the Series 2024 Bonds will be included in the "adjusted financial statement income" of such corporations for purposes of computing the corporate alternative minimum tax. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential tax consequences of owning the Series 2024 Bonds.

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2024 Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alterations of federal tax consequences may have affected the market value of obligations similar to the Series 2024 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2024 Bonds and their market value. No assurance can be given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Series 2024 Bonds.

On February 23, 2016, the Internal Revenue Service issued a notice of proposed rulemaking (the "Proposed Regulations") and notice of public hearing containing proposed regulations that provided guidance regarding the definition of political subdivision for purposes of the rules for tax-exempt bonds, including determinations of entities that are valid issuers of tax-exempt bonds. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." The Proposed Regulations were officially withdrawn on October 20, 2017. See also "BONDOWNERS' RISKS – IRS Examination and Audit Risk" herein.

Original Issue Discount

Certain of the Series 2024 Bonds (the "Discount Bonds") may be offered and sold to the public at an original issue discount, which is the excess of the principal amount of the Discount Bonds over the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity was sold. Original issue discount represents interest which is excluded from gross income for federal income tax purposes to the same extent as interest on the Discount Bonds. Original issue discount will accrue over the term of a Discount Bond at a constant interest rate compounded semi-annually. An initial purchaser who acquires a Discount Bond at the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period such purchaser holds such Discount Bond and will increase its adjusted basis in such Discount Bond by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or other disposition of such Discount Bond. The federal income tax consequences of the purchase, ownership and prepayment, sale or other disposition of Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Owners of Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, prepayment or other disposition of such Discount Bonds and with respect to the state and local tax consequences of owning and disposing of such Discount Bonds.

Bond Premium

Certain of the Series 2024 Bonds (the "Premium Bonds") may be offered and sold to the public at a price in excess of the principal amount of such Premium Bond, which excess constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of the Premium Bonds which term ends on the earlier of the maturity or call date for each Premium Bond which minimizes the yield on said Premium Bonds to the

purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. The federal income tax consequences of the purchase, ownership and sale or other disposition of Premium Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

AGREEMENT BY THE STATE

Under Article I, Section 10 of the Florida Constitution, the State pledges to the holders of certain bonds, including the Series 2024 Bonds, that it will not enact any legislation impairing the ability of the issuer of such bonds to fulfill the terms of any agreement made with the holders of such bonds, such as the Indenture, or which would in any way impair the rights or remedies of such holders as set forth in any contract entered into by the District in connection with the Series 2024 Bonds.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2024 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to "accredited investors" does not denote restrictions on transfers in any secondary market for the Series 2024 Bonds. Investment in the Series 2024 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2024 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2024 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2024 Bonds, or in any way contesting or affecting (i) the validity of the Series 2024 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2024 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Series 2024 Assessment Proceedings.

The Developer

The Developer has represented that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Developer to complete the Assessment Area One Project or the development of lands in Unit No. 10 of the District as described herein, or materially and adversely affect the ability of the Developer to pay the Series 2024 Assessments imposed against the land within Unit No. 10 of the District owned by the Developer or to otherwise perform its various obligations described in this Limited Offering Memorandum.

Contraction/De-Annexation Related Litigation

The West Villagers for Responsible Government, Inc. ("WVRG"), a Florida non-profit corporation, spearheaded a resident-initiated contraction petition pursuant to Florida Statutes Section 171.052 that was filed with the City October 28, 2020 to de-annex a significant portion of the District Lands located within the municipal boundaries of the City from the City's geographical boundaries. The District adopted a resolution opposing contraction/de-annexation of the District Lands.

Pursuant to the Florida Statutes contraction procedures, the City has engaged a consultant to conduct a feasibility study, and the City Commission held a quasi-judicial hearing on April 29, 2021 (the "Hearing"). At the conclusion of the presentation of evidence and testimony, the City Commission deliberated and voted unanimously to reject the petition. WVRG and John Meisel appealed the City Commission's order to the Circuit Court of the Twelfth Judicial Circuit in and for Sarasota County, Florida. On November 15, 2021, the Circuit Court, sitting in its appellate capacity, quashed the City's Commission's vote to reject the petition. The City appealed to the Second District Court of Appeals. On October 7, 2022, the District Court of Appeals denied the City's appeal, thereby rendering the Circuit Court's quash final upon the expiration of the time for rehearing. On October 27, 2022, the City Commission resumed deliberations at a duly noticed public meeting. The City Commission declined to reopen the evidence at such meeting and the City Commissions again deliberated on this matter, considering only the competent substantial evidence presented prior to the closure of the Hearing. After deliberation, the City Commission voted unanimously to reject the petition, with an order entered on November 2, 2022. On December 2, 2022, WVRG filed a petition for Writ of Certiorari to quash the November 2, 2022, quasi-judicial Order of the City Commission denying WVRG's petition for contraction. At this time, the ultimate resolution of such litigation is unknown.

In the unlikely event the District Lands are contracted/de-annexed from the City, the Development could be adversely impacted in a number of potential ways. First, existing development agreements involving the District or the Developer and the City would likely need to be re-negotiated and entered into with the County, including, without limitation, agreements providing for the provision of public services to District residents on a going forward basis and agreements providing for the ownership of public infrastructure facilities already conveyed to the City. Second, the Developer, the District Lands and the Development may be adversely impacted to the extent new permits are required to be obtained from the County that were already obtained from the City. Lastly, the District may need to amend its enabling legislation. It is anticipated that any costs incurred by the District as a result of the contraction/de-annexation would be passed through to District residents through increased Unit No. 1 operations and maintenance assessments.

Potential Litigation Related to Urban Area Calculation

The Act requires the District to comply with Chapter 189, Florida Statutes, including Section 189.041, Florida Statutes, which provides the process for the gradual transition of the District's Board seats

from one-acre one-vote landowner elections to qualified elector general elections. Section 189.041, Florida Statutes, specifically requires the District to prepare urbanization maps identifying the percentage of developed, inhabited residential property within the District ("Urban Area") in order to determine how many Board seats should be transitioned to a general election. The District Engineer prepared the 2023 Urban Area map and presented its findings to the Board at the June 27, 2023 Board meeting, identifying that the District's Urban Area did not warrant an additional seat to transition to a general election at this time.

In July 2023, a landowner contested the District's Urban Area calculation and, in accordance with Section 189.041, Florida Statutes, the District solicited the County Engineer of the County to prepare its own Urban Area calculation and map. The County Urban Area calculation and map was substantially the same as the District's 2023 Urban Area map. At its September 14, 2023 meeting, the District Board reviewed the County-prepared calculation and map, and voted 4-1 to i) approve the 2023 Urban Area map prepared by the District Engineer and ii) direct staff to pursue a legislative amendment to the Act to utilize the non-subjective Board turnover metrics that other large stewardship and improvement districts throughout the state customarily utilize, in order to avoid future debate relative to the Board turnover requirements of the Act.

Pursuant to Section 189.041, Florida Statutes, any District landowner or qualified elector may contest the accuracy of the 2023 Urban Area map by petition to the Circuit Court within 30 days after such adoption. On October 12, 2023, David Fernstrum filed a petition for Declaratory Relief in the Twelfth Judicial Circuit in and for Sarasota County, Florida pursuant to Section 189.041, Florida Statutes, requesting that the Circuit Court judicially determine the District's Urban Area map for 2023. The District plans to vigorously defend its calculations relative to the adoption of the 2023 Urban Area map, and resolution of this matter is not anticipated to have any effect on the issuance of such bonds as Resolution [2024__ delegating the marketing and issuance of the Series 2024 Bonds was approved by the Board __ - __]. It is anticipated that any costs incurred by the District as a result of any litigation would be passed through to District residents through increased District O&M Assessments.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the Consulting Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (who has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Series 2024 Bonds. Except for the payment of certain fees to District Counsel, the Consulting Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2024 Bonds.

NO RATING

No application for a rating for the Series 2024 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2024 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report included in APPENDIX A to this Limited Offering Memorandum has been prepared by Dewberry Engineers Inc., Sarasota, Florida, the Consulting Engineer. APPENDIX A should be read in its entirety for complete information with respect to the subjects discussed therein. Special District Services, Inc., as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX E hereto. APPENDIX E should be read in its entirety for complete information with respect

to the subjects discussed therein. As a condition to closing on the Series 2024 Bonds, the Consulting Engineer and the Methodology Consultant will consent to the inclusion of their reports in this Limited Offering Memorandum.

FINANCIAL INFORMATION

This District will covenant in the Disclosure Agreement (as defined herein), the proposed form of which is set forth in APPENDIX D hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX D, commencing with the audit for the District fiscal year ending September 30, 2023. Attached hereto as APPENDIX F is a copy of the District's audited financial statements for the District's fiscal years ended September 30, 2022 and 2021, as well as the District's unaudited financials as of [August 31, 2023]. Two years of audited financial statements have been made available as required by Florida Administrative Rule 69W-400.003(h) due to the District's previous default on the payment of principal and interest on certain of its Prior Bonds. See "THE DISTRICT – Outstanding Bond Indebtedness and Previous and Existing Bond Defaults" for more information regarding such defaults. Such financial statements, including the auditor's report included within the audited financial statements, have been included in this Limited Offering Memorandum as public documents and consent from the auditor was not requested. Further, the auditors have not performed any services related to, and therefore are not associated with, the preparation of this Limited Offering Memorandum. The Series 2024 Bonds are not general obligation bonds of the District and are payable solely from the Series 2024 Trust Estate.

Beginning October 1, 2015, or by the end of the first full fiscal year after its creation, each special district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business).

The District previously defaulted as to principal and interest on certain of its Prior Bonds, which remain in default. See "THE DISTRICT – Outstanding Bond Indebtedness and Previous and Existing Bond Defaults" herein for more information.

CONTINUING DISCLOSURE

The District and the Developer will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX D, for the benefit of the Series 2024 Bondholders (including owners of beneficial interests in such Series 2024 Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX D: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default

under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2024 Bondholders (including owners of beneficial interests in such Series 2024 Bonds) to bring an action for specific performance.

The District has previously entered into continuing disclosure undertakings pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), with respect to its Prior Bonds. A review of filings made pursuant to such prior undertakings indicates that certain filings required to be made by the District were not timely filed and that notice of such late filings was not always provided, and that certain information was not always provided in the format required. The District will appoint the District Manager to serve as the dissemination agent under the Disclosure Agreement. The District anticipates satisfying all future disclosure obligations required pursuant to its continuing disclosure undertakings and the Rule.

The Developer has previously entered into continuing disclosure undertakings pursuant to the Rule with respect to certain of the District's Prior Bonds. A review of filings made pursuant to such prior undertakings indicates that certain filings required to be made by the Developer were either not filed or not timely filed and that notice of such missed or late filings was not always provided. In addition, certain required filing information was inadvertently omitted. The Developer anticipates satisfying all future disclosure obligations required pursuant to its continuing disclosure undertakings and the Rule. [EMMA review in process.]

(the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase from the District at a purchase price of \$_____ (representing the par amount of the Series 2024 Bonds [plus/less original issue premium/discount of \$_____ and] less Underwriter's discount of \$_____). The Underwriter's obligations are subject to certain conditions precedent and the Underwriter will be obligated to purchase all of the Series 2024 Bonds if any are purchased.

CONTINUING DISCLOSURE AGREEMENT

This Continuing Disclosure Agreement (this "Disclosure Agreement") dated as of [____], 2024 is executed and delivered by the West Villages Improvement District (the "Issuer" or the "District"), Manasota Beach Ranchlands, LLLP, a Florida limited liability limited partnership (the "Developer"), and Special District Services, Inc., a Florida corporation, as dissemination agent (the "Dissemination Agent") in connection with the Issuer's Capital Improvement Revenue Bonds (Unit of Development No. 10), Series 2024 (Assessment Area One) (the "Bonds"). The Bonds are secured pursuant to a Master Trust Indenture dated as of April 1, 2024 (the "Master Indenture") and a First Supplemental Trust Indenture dated as of April 1, 2024 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each entered into by and between the Issuer and U.S. Bank Trust Company, National Association, a national banking association duly organized and existing under the laws of the United States of America and having a designated corporate trust office in Fort Lauderdale, Florida, as trustee (the "Trustee"). (ASSESSMENT AREA ONE)

THIS AGREEMENT (the “Agreement”) is made and entered into this ____ day of ____ 2024, by and between:

West Villages Improvement District, a local unit of special-purpose government established pursuant to Chapter 2004-456, Laws of Florida, as amended, and located within the City of North Port and Sarasota County, Florida (the “District”); and

Manasota Beach Ranchlands, LLLP, a Florida limited liability limited partnership and the owner of certain lands within the boundary of the District whose address is 4901 Vineland Road, Suite 450, Orlando, Florida 32811 (the “Developer,” and together with the District, the “Parties”).

RECITALS

WHEREAS, the District was established for the purposes of planning, financing, constructing, acquiring, operating and/or maintaining certain public infrastructure, including roadways, stormwater management improvements, water and sewer facilities, irrigation facilities, landscape, lighting, signage, furnishings and entry features, and other infrastructure improvements; and

WHEREAS, the Developer is the owner of certain lands located within the boundaries of Unit of Development No. 10 (“Unit No. 10”) within the District upon which the District has constructed or will construct certain infrastructure improvements (the “Development”); and

WHEREAS, the District has adopted an improvement plan for the planning, design, acquisition, construction, and installation of various master infrastructure improvements, facilities, and services within Unit No. 10 (the “Improvements”), and the anticipated cost thereof, as described in that certain *Unit of Development No. 10 Master Engineer’s Report*, dated January 11, 2024, a copy of which is attached hereto as **Exhibit A** and incorporated herein by reference (the “Plan of Improvements”); and

WHEREAS, the District intends to finance a portion of the Improvements through the anticipated issuance of its \$ [REDACTED] West Villages Improvement District Capital Improvement Revenue Bonds (Unit of Development No. 10), Series 2024 (Assessment Area One) (the “Series

Acquisition Agreement (Unit No. 10 - Series 2024 Bonds) – Manasota Beach Ranchlands, LLLP

2024 Bonds”); and

WHEREAS, because the Series 2024 Bonds have not yet been issued, the District has not had sufficient monies on hand to allow the District to fund the cost of preparation of the necessary surveys, reports, drawings, plans, permits, specifications, and related documents which would allow the timely commencement and completion of construction of the Improvements (the “Work Product”); and

WHEREAS, the District acknowledges the Developer’s need to have the Improvements constructed in an expeditious and timely manner in order to develop the Development; and

WHEREAS, the District agrees that it will not have sufficient monies to proceed with either the preparation of the Work Product or the commencement of construction of the Improvements described in **Exhibit A** until such time as the District has closed on the sale of the Series 2024 Bonds; and

WHEREAS, in order to avoid a delay in the commencement of the construction of the Improvements, the Developer has advanced, funded, commenced, and completed and/or will complete certain work to enable the District to expeditiously provide the Improvements; and

WHEREAS, the District desires to commence the purchase of certain portions of the Work Product and the Improvements, and accept assignment of certain agreements regarding the same; and

WHEREAS, in conjunction with the acquisition of the Work Product and/or Improvements, the Developer desires to convey to the District interests in real property sufficient to allow the District to own, operate, maintain, construct, or install the Improvements, if any such conveyances are appropriate, and such conveyances shall be in fee simple, perpetual easement, or other interest as may be in the best interests of the District (the “Real Property”); and

WHEREAS, the Developer and the District desire to enter into this Agreement to set forth the process by which the District may acquire the Work Product, Improvements, and/or Real Property.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt of which and sufficiency of which are hereby acknowledged, the District and the Developer agree as follows:

SECTION 1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated as a material part of this Agreement.

SECTION 2. WORK PRODUCT. The District agrees to pay the actual reasonable cost incurred by the Developer in preparation of the Work Product in accordance with the provisions of

Acquisition Agreement (Unit No. 10 - Series 2024 Bonds) – Manasota Beach Ranchlands, LLLP

this Agreement. The Developer shall provide copies of any and all invoices, bills, receipts, or other evidence of costs incurred by the Developer for the Work Product. The Parties agree to cooperate and use good faith and best efforts to undertake and complete the acquisition process contemplated by this Agreement on such date as the Parties may jointly agree upon (the “Acquisition Date”). The Parties agree that separate or multiple Acquisition Dates may be established for any portion of the acquisitions contemplated by this Agreement. The District Engineer shall review all evidence of cost and shall certify to the District’s Board of Supervisors (the “Board”) the total actual amount of cost, which, in the District Engineer’s sole opinion, is reasonable for the Work Product. The District Engineer’s opinion as to cost shall be set forth in an Engineer’s Certificate which shall accompany the requisition for the funds from the trustee (“Trustee”) for the Series 2024 Bonds. In the event that the Developer disputes the District Engineer’s opinion as to cost, the District and the Developer agree to use good faith efforts to resolve such dispute. If the Parties are unable to resolve any such dispute, the Parties agree to jointly select a third party engineer whose decision as to any such dispute shall be binding upon the Parties. Such decision by a third party engineer shall be set forth in an Engineer’s Affidavit which shall accompany the requisition for the funds from the Trustee. The Parties acknowledge that the Work Product is being acquired for use by the District in connection with the construction of the Improvements.

A. The Developer agrees to convey to the District, and solely to the extent permitted by the terms of the Work Product, the Work Product upon payment of the sums determined to be reasonable by the District Engineer and approved by the District’s Board pursuant to and as set forth in this Agreement.

B. The Developer agrees to release to the District all right, title, and interest which the Developer may have in and to the above described Work Product, as well as all common law, statutory, and other reserved rights, including all copyrights in the Work Product and extensions and renewals thereof under United States law and throughout the world, and all publication rights and all subsidiary rights and other rights in and to the Work Product in all forms, mediums, and media, now known or hereinafter devised; provided, however, that the District agrees and acknowledges that the Developer shall retain the right, title and interest to use the Work Product, and the District shall grant the Developer a license to use the Work Product to the extent reasonably required by the Developer in connection with the ownership, construction, development, and management of the Development or other lands owned by Developer to which such Work Product pertains. To the extent determined necessary by the District, the Developer shall use commercially reasonable efforts to obtain all releases from any professional providing services in connection with the Work Product to enable the District to use and rely upon the Work Product. Such releases may include, but are not limited to, any architectural, engineering, or other professional services.

C. Except as otherwise separately agreed by the Parties with respect to any particular acquisition of Work Product, and without intending to modify any of

the other terms of this Agreement, any conveyance of Work Product shall be on an “AS-IS” basis, and without any representation or warranty from the Developer to the District in respect thereto.

D. The Developer agrees to make reasonable good faith efforts, but without imposing any requirement on Developer to pay for additional warranty rights on behalf of the District, to provide or cause to be provided to the District, either by assignment or directly from such third parties as may be necessary and desirable to the mutual satisfaction of the Parties hereto, a warranty that the Work Product is fit for the purposes to which it will be put by the District, as contemplated by the Plan of Improvements.

E. The District agrees to allow the Developer access to and use of the Work Product without the payment of any fee by the Developer. However, to the extent the Developer’s access to and use of the Work Product causes the District to incur any cost or expense, such as copying costs, the Developer agrees to pay such cost or expense.

SECTION 3. IMPROVEMENTS. The Developer has expended certain funds on behalf of the District relating to the Improvements. The District agrees to acquire or otherwise reimburse the Developer for those portions of the Improvements which have been commenced or completed prior to the issuance of the Series 2024 Bonds. When a portion of the Improvements is ready for conveyance by the Developer to the District, the Developer shall notify the District in writing, describing the nature of the improvement, its general location, and its estimated cost. Developer agrees to provide, at or prior to the Acquisition Date, the following: (i) documentation of actual costs paid; (ii) instruments of conveyance such as special warranty bills of sale or such other instruments as may be reasonably requested by the District; and (iii) any other releases, indemnifications, or documentation as may be reasonably requested by the District. Any real property interests necessary for the functioning of the Improvements to be acquired under this paragraph shall be reviewed and conveyed in accordance with the provisions of Section 5 herein. The District Engineer in consultation with District Counsel shall determine in writing whether the infrastructure to be conveyed is a part of the Improvements contemplated by the Plan of Improvements, and if so, shall provide Developer with a list of items necessary to complete the acquisition. Each such acquisition shall also be subject to the engineering review and certification process described in Section 2 above. The District Manager shall determine, in writing, whether the District has, based on the Developer’s estimate of cost, sufficient unencumbered funds to acquire the improvement.

A. All documentation of any acquisition (e.g., bills of sale, receipts, maintenance bonds, as-builts, evidence of costs, deeds or easements, etc.) shall be to the reasonable satisfaction of the District. If any item acquired is to be conveyed to a third-party governmental entity, then the Developer agrees to cooperate and

provide such certifications, warranties, representations or other items as may be required by that governmental entity, if any.

B. The District Engineer shall certify as to the actual cost of any improvement built or constructed by or at the direction of the Developer, and the District shall pay no more than the actual cost incurred, or the reasonable cost of the improvement, whichever is less, as determined by the District Engineer.

C. The Developer agrees to cooperate in the transfer of any permits to the District or another governmental entity with maintenance obligations for any Improvements conveyed pursuant to this Agreement.

D. Nothing herein shall require the District to accept any Work Product and/or Improvements unless the District Engineer, in his or her professional opinion, is able to certify that, in addition to any other requirements of law: (i) the Work Product and/or Improvements are as set forth in the Plan of Improvements; (ii) the price for such Work Product and/or Improvements is equal to or less than each of (a) the cost actually paid to develop and/or install the Work Product and/or Improvements by the Developer and (b) the reasonable fair market value of the Work Product and/or Improvements; (iii) as to Work Product, the Work Product is capable of being used for the purposes intended by the District, and, as to any Improvements, the Improvements were installed in accordance with their specifications, and are capable of performing the functions for which they were intended; and (iv) as to any Improvements, all known plans, permits and specifications necessary for the operation and maintenance of the Improvements are complete and on file with the District, and have been transferred, or are capable of being transferred, to the District for operations and maintenance responsibilities.

SECTION 4. ASSIGNMENT OF CONTRACTS. The District accepts the assignment of certain contracts. Such acceptance is predicated upon: (i) each contractor providing a bond in the form and manner required by section 255.05, *Florida Statutes*, or the Developer providing adequate alternative security in compliance with section 255.05, *Florida Statutes*, if required; and (ii) receipt by the District of a release from each general contractor acknowledging each assignment and the validity thereof, acknowledging the furnishing of the bond or other security required by section 255.05, *Florida Statutes*, if any, and waiving any and all claims against the District arising as a result of or connected with such assignment. Until such time as the Series 2024 Bonds are actually issued, the Developer agrees to provide such funds as are needed by the District to make all payments for any such assigned contracts when and as needed by the District.

SECTION 5. CONVEYANCE OF REAL PROPERTY.

A. Conveyance. In the event that real property interests are to be conveyed by the Developer and acquired by the District in connection with the

acquisition of the Improvements, and as mutually agreed upon by the District and the Developer, then in such event, the Developer agrees that it will convey to the District at or prior to the Acquisition Date by a special warranty deed, or non-exclusive easement, as reasonably acceptable to the District together with a metes and bounds or other legal description, the Real Property upon which the Improvements are constructed or which are necessary for the operation and maintenance of, and access to the Improvements. The Parties agree that in no event shall the purchase price for the Real Property exceed the lesser of the actual cost to the Developer or the value of an appraisal obtained by the District for this purpose. The Parties agree that the purchase price shall not include amounts attributable to the value of improvements on the Real Property and other improvements serving the Real Property that have been, or will be, funded by the District. The District may determine in its reasonable discretion that fee title is not necessary and, in such cases, shall accept such other interest in the lands upon which the Improvements are constructed as the District deems reasonably acceptable. Such special warranty deed or other instrument shall be subject to a reservation by Developer of its right and privilege to use the area conveyed to construct any Improvements and any future improvements to such area for any related purposes (including, but not limited to, construction traffic relating to the construction of the development) not inconsistent with the District's use, occupation or enjoyment thereof. The Developer shall pay the cost for recording fees and documentary stamps required, if any, for the conveyance of the lands upon which the Improvements are constructed. The Developer shall be responsible for all taxes and assessments levied on the lands upon which the Improvements are constructed until such time as the Developer conveys said lands to the District. At the time of conveyance, the District may require, at Developer's expense, an owner's title insurance policy in a form satisfactory to the District. In the event the title search reveals exceptions to title which render title unmarketable or which, in the District's reasonable discretion, would materially interfere with the District's use of such lands, the District shall not be required to accept such conveyance of Real Property and/or any related Improvements or Work Product.

B. Boundary or Other Adjustments. Developer and the District agree that reasonable future boundary adjustments may be made as deemed necessary and approved by both Parties in order to accurately describe lands conveyed to the District and lands which remain in Developer's ownership; provided, however, that such future boundary adjustments shall not affect the ability of the Developer to have the lots developed. The Parties agree that any land transfers made to accommodate such adjustments shall be accomplished by donation. However, the party requesting such adjustment shall pay any transaction costs resulting from the adjustment, including but not limited to taxes, title insurance, recording fees or other costs.

SECTION 6. TAXES, ASSESSMENTS, AND COSTS.

A. Taxes and assessments on property being acquired. The District is an exempt governmental unit acquiring property pursuant to this Agreement for use exclusively for public purposes. Accordingly, in accordance with Florida law, the Developer agrees to place in escrow with the Sarasota County Tax Collector an amount equal to the current ad valorem taxes and non-ad valorem assessments prorated to the date of transfer of title, based upon the expected assessment and millage rates giving effect to the greatest discount available for early payment.

1. If and only to the extent the property acquired by the District is subject to ad valorem taxes or non-ad valorem assessments, the Developer agrees to reimburse the District for payment, or pay on its behalf, any and all ad valorem taxes and non-ad valorem assessments imposed during the calendar year in which each parcel of property is conveyed.
2. Nothing in this Agreement shall prevent the District from asserting any rights to challenge any taxes or assessments imposed, if any, on any property of the District.

B. Notice. The Parties agree to provide notice to the other within ten (10) calendar days of receipt of any notice of potential or actual taxes, assessments, or costs, as a result of any transaction pursuant to this Agreement, or notice of any other taxes, assessments or costs imposed on the property acquired by the District as described in Subsection A above. The Developer covenants to make any payments due hereunder in a timely manner in accordance with Florida law. In the event that the Developer fails to make timely payment of any such taxes or costs, the Developer acknowledges the District's right to make such payment. If the District makes such payment, the Developer agrees to reimburse the District within thirty (30) calendar days of receiving notice of such payment, and to include in such reimbursement any fees, costs, penalties, or other expenses which accrued to the District as a result of making such a payment, including interest at the maximum rate allowed by law from the date of the payment made by the District.

C. Tax liability not created. Nothing herein is intended to create or shall create any new or additional tax liability on behalf of the Developer or the District. Furthermore, the Parties reserve all respective rights to challenge, pay under protest, contest or litigate the imposition of any tax, assessment, or cost in good faith they believe is unlawfully or inequitably imposed and agree to cooperate in good faith in the challenge of any such imposition.

SECTION 7. ACQUISITION IN ADVANCE OF RECEIPT OF PROCEEDS. The District and Developer hereby agree that an acquisition by the District may be completed prior to the District obtaining proceeds from the Series 2024 Bonds ("Prior Acquisitions"). The District agrees to pursue the issuance of the Series 2024 Bonds in good faith and, within thirty (30) days from the issuance of such Series 2024 Bonds, to make payment for any Prior Acquisitions completed pursuant to the terms of this Agreement; provided, however, that in the event Bond Counsel

determines that any such Prior Acquisitions are not properly compensable for any reason, including, but not limited to, federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to make payment for such Prior Acquisitions. Interest shall not accrue on the amounts owed for any Prior Acquisitions. In the event the District does not or cannot issue the Series 2024 Bonds within five (5) years from the date of this Agreement, and, thus does not make payment to the Developer for the Prior Acquisitions, the Parties agree that the District shall have no reimbursement obligation whatsoever. The Developer acknowledges that the District intends to convey some or all of the Improvements to the City of North Port and/or Sarasota County and consents to the District's conveyance of such improvements prior to payment for any Prior Acquisitions.

SECTION 8. DEFAULT. A default by either Party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance, but excluding special, consequential or punitive damages.

SECTION 9. INDEMNIFICATION. For all actions or activities which occur prior to the date of the acquisition of the relevant Real Property, Improvement or Work Product hereunder, the Developer agrees to indemnify and hold harmless the District and its officers, staff, agents and employees from any and all liability, claims, actions, suits or demands by any person, corporation or other entity for injuries, death, property damage or claims of any nature arising out of, or in connection with, the use by the Developer, its officers, agents, employees, invitees or affiliates, of the Real Property, Improvement, or Work Product, including litigation or any appellate proceedings with respect thereto, irrespective of the date of the initiation or notice of the claim, suit, etc.; provided, however, that the Developer shall not indemnify the District for a default by the District under this Agreement or the use of such Real Property, Improvement or Work Product by the District, its engineers, employees, contractors, or such persons' or entities' negligence.

SECTION 10. ENFORCEMENT OF AGREEMENT. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the substantially prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees, paralegal fees and expert witness fees, and costs for trial, alternative dispute resolution, or appellate proceedings.

SECTION 11. ENTIRE AGREEMENT. This instrument shall constitute the final and complete expression of the agreement between the District and the Developer relating to the subject matter of this Agreement.

SECTION 12. AMENDMENTS. This Agreement shall constitute the entire agreement between the parties regarding the subject matter hereof and may be modified in writing only by the mutual agreement of all Parties, and with the prior written consent of the Trustee and the holders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding.

SECTION 13. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer. The District and the Developer have complied with all the requirements of law. The District and the Developer have full power and authority to comply with the terms and provisions of this Agreement.

SECTION 14. NOTICES. All notices, requests, consents and other communications under this Agreement (“Notices”) shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the Parties, as follows:

SECTION 15. ARM’S LENGTH TRANSACTION. This Agreement has been negotiated fully between the District and the Developer as an arm’s length transaction. All Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, all Parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against any party hereto.

SECTION 16. THIRD PARTY BENEFICIARIES. This Agreement is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or entity other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns. Notwithstanding the foregoing, nothing in this paragraph shall be construed as impairing or modifying the rights of any holders of Series 2024 Bonds (the “Bondholders”) issued by the District for the purpose of acquiring any Work Product, Improvements and/or Real Property. Also, notwithstanding anything herein to the contrary, the Trustee for the Series 2024 Bonds, on behalf of the Bondholders, shall be a direct third party beneficiary of the terms and conditions of this Agreement and shall, acting at the direction of the holders of a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding, be entitled to cause the District to enforce the Developer’s obligations hereunder.

SECTION 17. ASSIGNMENT. This Agreement may be assigned, in whole or in part, by either party only upon the written consent of the other, which consent shall not be unreasonably withheld, and the Trustee and Bondholders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding. Such consent shall not be required in the event of a sale of the majority of the Development then-owned by the Developer pursuant to which the unaffiliated purchaser agrees to assume any remaining obligations of the Developer under this Agreement. Upon the merger, amendment, or name change of the District, the Agreement will be assumed by operation of law by the District’s successor in interest and no consent to such assumption shall be required.

SECTION 18. APPLICABLE LAW AND VENUE. This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Venue shall be in Sarasota County, Florida.

SECTION 19. EFFECTIVE DATE. This Agreement shall be effective upon its execution by the District and the Developer.

SECTION 21. PUBLIC RECORDS. The Developer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and will be treated as such in accordance with Florida law.

SECTION 22. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

SECTION 23. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

SECTION 24. HEADINGS FOR CONVENIENCE ONLY. The descriptive headings in this Agreement are for convenience only and shall not control nor affect the meaning or construction of any of the provisions of this Agreement.

SECTION 25. COUNTERPARTS. Such exercise of Remedied Rights by the District may include foreclosure proceedings, acceptance of a deed in lieu of foreclosure and the establishment of a special-purpose entity ("SPE") to hold title to the Lands, as designee of the District. The Developer hereby agrees to unconditionally collaterally assign to the District or its designee, and to the extent assignable, and to the extent that they are owned or controlled by Developer, all of its Development and Contract Rights as security for Developer's payment and performance and discharge of its obligation to pay the Series 2024 Assessments levied against the Lands. Notwithstanding any contrary terms in this Assignment, the Development and Contract Rights exclude: (i) any portion of the Development and Contract Rights which relate solely to developed and platted lots which have been conveyed to unaffiliated homebuilders or end-users effective as of such conveyance, and (ii) any portion of the Development and Contract Rights which relate solely to any portion of the Lands which has been transferred, dedicated and/or conveyed, or is in the future conveyed, to the City of North Port, Sarasota County, the District, any utility provider, governmental or quasi-governmental entity, any applicable homeowner's or property owner's association in accordance with Florida law or other governing entity or association as may be required by the Development and Contract Rights, in each case effective as of such transfer, conveyance and/or dedication, as applicable. Subject to the foregoing, the Development and Contract Rights shall include, but not be limited to, the following:

1. Any declaration of covenants of a homeowner's association governing the Lands, as recorded in the Official Records of Sarasota County, Florida, and as the same may be supplemented, amended and restated from time to time, including, without limitation, all of the right, title, interest, powers, privileges, benefits and options of the "Developer" or "Declarant" thereunder.

2. Engineering and construction plans and specifications for grading, traffic capacity analyses, roadways, site drainage, storm water drainage, signage, water distribution, waste water collection, and other improvements to or affecting the Lands.

3. Preliminary and final plats and/or site plans for the Lands.

4. To the extent that they are owned or controlled by Developer, architectural plans and specifications for buildings and other improvements to the Lands.

5. Permits, approvals, agreements, resolutions, variances, licenses, and franchises and applications therefor whether approved or in process pending before or granted by governmental authorities, or any of their respective agencies, for or affecting the development of

the Lands and construction of improvements thereon, as well as offsite to the extent that the offsite improvements are necessary or required to complete the development of the Lands.

6. Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the development of the Lands or the construction of improvements thereon, together with all warranties, guaranties and indemnities of any kind or nature associated therewith.

7. Franchise or other agreements for the provision of water and waste water service to the Lands, and all hookup fees and utility deposits paid by Developer in connection therewith.

8. Permit fees, impact fees, deposits and other assessments and impositions paid by Developer to any governmental authority or utility and capacity reservations, impact fee credits and other credits due to Developer from any governmental authority or utility provider, including credit for any dedication or contribution of Lands by Developer in connection with the development of the Lands or the construction of improvements thereon.

9. All future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing and any guarantees of performance of obligations to Developer arising thereunder by any means, including, but not limited to, pursuant to governmental requirements, administrative or formal action by third parties, or written agreement with governmental authorities or third parties.

B. This Assignment is not intended to and shall not impair or interfere with the development of the Lands, including, without limitation, any purchase and sale agreements with a homebuilder(s) relative to all or a portion of the Land (the “Builder Contracts”), and shall only be inchoate and shall become an effective and absolute assignment and assumption of the Development and Contract Rights upon failure of the Developer to pay the Series 2024 Assessments levied against the Lands owned by the Developer, if such failure remains uncured after passage of any applicable cure period; provided, however, that such assignment shall only be effective and absolute to the extent that this Assignment has not been terminated earlier pursuant to the terms hereof.

C. If this Assignment has not become absolute, it shall automatically terminate upon the earliest to occur of the following events: (i) payment of the Series 2024 Bonds in full; (ii) Development Completion; (iii) transfer of any Development and Contract Rights to the City of North Port, Sarasota County, the State, the District, any utility provider, any other governmental or quasi-governmental entity, or any homeowners’ or property owner’s association but only to the extent of such transfer; or (iv) transfer of any portion of the Lands that are developed and subject to a final plat to an unaffiliated homebuilder or end-user but only as to such portion transferred, from time to time (herein, the “Term”). At Developer’s request from time to time, District and Developer will record a notice or other appropriate instrument in the Official Records of Sarasota County, Florida, confirming the end of the Term or the release of any property encumbered by this Assignment (and any other instrument encumbering the property of Developer), subject to the reasonable approval of the District and subject to conformance with the Plan of Improvements and documents applicable thereto.

SECTION 3. DEVELOPER WARRANTIES. The Developer represents and warrants to the District that, subject to the Builder Contracts now or hereafter executed by the Developer pursuant to the terms of the Builder Contracts:

A. The Developer has made no assignment of the Development and Contract Rights to any person other than the District.

B. To the actual knowledge of the Developer, the Developer has not done any act or omitted to do any act which will prevent the District from, or limit the District in, acting under any of the provisions hereof.

C. To the actual knowledge of the Developer, there is no material default under the terms of the existing Contract Documents, subject to any notice and cure periods, and all such Contract Documents remain in full force and effect.

D. The Developer is not prohibited under agreement with any other person or under any judgment or decree from the execution, delivery and performance of this Assignment.

E. No action has been brought or threatened which would in any way interfere with the right of the Developer to execute this Assignment and perform all of its obligations herein contained.

F. Any transfer, conveyance or sale of the Lands, shall subject any and all affiliated entities or successors-in-interest of the Developer to this Assignment.

SECTION 4. DEVELOPER COVENANTS. The Developer covenants with the District that during the Term (as defined above):

A. The Developer will use reasonable, good faith efforts to: (i) fulfill, perform, and observe each and every material condition and covenant of the Developer relating to the Development and Contract Rights, including, but not limited to, any material changes in the Development and Contract Rights; and (ii) give notice to the District of any claim of material default relating to the Development and Contract Rights given to or by the Developer, together with a complete copy of any such claim.

B. In the event of the institution of any involuntary bankruptcy, reorganization or insolvency proceedings against the Developer or the appointment of a receiver or a similar official with respect to all or a substantial part of the properties of the Developer, the Developer shall endeavor in good faith to have such proceedings dismissed or such appointment vacated within a period of one-hundred and twenty (120) days.

SECTION 5. DISTRICT OBLIGATIONS. Nothing herein shall be construed as an obligation on the part of the District to accept any liability for all or any portion of the Development and Contract Rights unless it chooses to do so in its sole discretion. Nor shall any provision hereunder be construed to place any liability or obligation on the District for compliance with the terms and provisions of all or any portion of the Development and Contract Rights.

SECTION 6. EVENT(S) OF DEFAULT. Any breach of the Developer’s warranties contained in Section 3 hereof or breach of covenants contained in Section 4 hereof, or the failure to timely pay the Series 2024 Assessments levied and imposed upon Lands owned by the Developer, shall, after the giving of notice and an opportunity to cure to Developer (which cure period shall not be less than sixty (60) days, and shall not be construed to extend any other cure periods provided hereunder, unless the District, in its sole discretion, agrees to a longer cure period) constitute an Event of Default (hereinafter referred to as an “Event of Default”) under this Assignment.

SECTION 7. REMEDIES UPON EVENT(S) OF DEFAULT.

A. Upon an Event of Default, the District or the District’s designee may, as the District’s sole and exclusive remedies under this Assignment (and separate and apart from any Remedied Rights or other rights provided by law), take any or all of the following actions, at the District’s option:

- i. Perform any and all obligations of the Developer relating to the Development and Contract Rights and exercise any and all rights of the Developer therein as fully as Developer could;
- ii. Initiate, appear in, or defend any action arising out of or affecting the Development and Contract Rights; and
- iii. Sue for, or otherwise collect and receive, monies due under the Contract Documents, including those past due and unpaid, and apply the same against all costs and expenses of collection and then against all costs and expenses of operation of the Lands or the performance of the Developer’s obligations under the Contract Documents. Neither entry upon and taking possession of the Lands nor the collection of monies due under the Contract Documents shall in any way operate to cure or waive any default under any instrument given by the Developer to the District, or prohibit the taking of any other action by District under any such instrument, or at law or in equity, to enforce payment of the obligations secured hereby or to realize on any other security.

B. To be effective upon the occurrence of an Event of Default, and after the Developer’s receipt of a demand notice from the District following an Event of Default, the Developer will use reasonable, good faith efforts: (i) at the sole cost and expense of the Developer, to enforce the performance and observance of each and every material covenant and condition of the Contract Documents to be performed or observed; and (ii) to appear in and defend any action involving the Contract Documents or the obligations or liabilities of the Developer or any guarantor thereunder. Also to be effective upon the occurrence of an Event of Default, and after Developer’s receipt of a demand notice from the District following an Event of Default, the Developer will neither modify the terms of the Contract Documents in any material respect (unless required so to do by the terms thereof or to comply with documents executed in connection with the issuance of the Series 2024 Bonds) nor waive or release any person from the performance of

any obligation to be performed under the terms of the Contract Documents or from liability on account of any warranty given by such person, without the prior consent of the District, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, the Developer will not at any time take any action (or omit to take any action) with respect to the Development and Contract Rights that materially and adversely affects the rights of the District and the holders of the Series 2024 Bonds.

SECTION 8. AUTHORIZATION. Upon the occurrence of and during the continuation of an Event of Default, the Developer does hereby authorize and shall direct any party to any agreement relating to the Development and Contract Rights to tender performance thereunder to the District upon written notice and request from the District. Any such performance in favor of the District shall constitute a full release and discharge to the extent of such performance as fully as though made directly to the Developer.

SECTION 9. SECURITY AGREEMENT. Subject to the terms of this Assignment, this Assignment shall be a security agreement between the Developer, as the debtor, and the District, as the secured party, covering the Development and Contract Rights and Contract Documents that constitute personal property governed by the Florida Uniform Commercial Code (the “Code”), and the Developer grants to the District a security interest in such Development and Contract Rights and Contract Documents. Notwithstanding the foregoing, the District shall not be entitled to exercise any right as a secured party, including, without limitation, the filing of any and all financing statements, until the occurrence of an Event of Default hereunder, subject to any applicable notice and cure period.

SECTION 10. AMENDMENTS. This Assignment shall constitute the entire agreement between the parties regarding the subject matter hereof and may be modified in writing only by the mutual agreement of all parties, and with the prior written consent of the trustee for the Series 2024 Bonds (the “Trustee”) and the holders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding.

SECTION 11. SUCCESSORS; THIRD PARTY BENEFICIARIES. This Assignment is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Assignment. Nothing in this Assignment expressed or implied is intended or shall be construed to confer upon any person or corporation other than the District and the Developer any right, remedy, or claim under or by reason of this Assignment or any of the provisions or conditions of this Assignment; and all of the provisions, representations, covenants, and conditions contained in this Assignment shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns. Notwithstanding anything herein to the contrary, the Trustee, on behalf of the holders of the Series 2024 Bonds, shall be a direct third party beneficiary of the terms and conditions of this Assignment and shall, acting at the direction of the holders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding, be entitled to cause the District to enforce the Developer’s obligations hereunder. The Trustee has not assumed any obligations hereunder.

SECTION 12. ENFORCEMENT. In the event that either party is required to enforce this Assignment by court proceedings or otherwise, then the parties agree that the substantially prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees, paralegal fees and expert witness fees and costs for trial, alternative dispute resolution, or appellate proceedings.

SECTION 13. AUTHORIZATION. The execution of this Assignment has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law with respect to the executories of this Assignment; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

MANASOTA BEACH RANCHLANDS, LLLP REGARDING
THE COMPLETION OF CERTAIN IMPROVEMENTS**

UNIT OF DEVELOPMENT NO. 10 – SERIES 2024 BONDS

(ASSESSMENT AREA ONE)

THIS AGREEMENT (the “Agreement”) is made and entered into this _____ day of _____ 2024, by and between:

West Villages Improvement District, a local unit of special-purpose government established pursuant to Chapter 2004-456, Laws of Florida, as amended, and located within the City of North Port and Sarasota County, Florida (the “District”); and

Manasota Beach Ranchlands, LLLP, a Florida limited liability limited partnership and the owner of certain lands within the boundary of the District whose address is 4901 Vineland Road, Suite 450, Orlando, Florida 32811 (the “Developer”).

RECITALS

WHEREAS, the District is a local unit of special-purpose government created and existing pursuant to Chapter 2004-456, *Laws of Florida*, as amended (the “Act”) for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure improvements; and

WHEREAS, the Act authorizes the District to issue bonds for the purpose, among others, of planning, financing, constructing, operating and/or maintaining certain infrastructure improvements, including but not limited to roadways, stormwater management improvements, water and sewer facilities, irrigation facilities, landscape, lighting, signage, furnishings and entry features, and other infrastructure improvements within or without the boundaries of the District; and

WHEREAS, the Developer is the owner and developer of the lands located within the boundaries of Unit of Development No. 10 ("Unit No. 10") within the District (the “Development”); and

WHEREAS, the District has adopted an improvement plan for the planning, design, acquisition, construction, and installation of various master infrastructure improvements, facilities and services within Unit No. 10 (the “Improvements”) as described in that certain *Unit of Development No. 10 Master Engineer’s Report*, dated January 11, 2024, a copy of which is attached hereto as **Exhibit A** and incorporated herein by reference (the “Plan of Improvements”); and

WHEREAS, the District has imposed special assessments on the property within Unit No. 10 of the District to secure financing for the construction and/or acquisition of the infrastructure improvements described in **Exhibit A**, and has validated up to \$120,000,000 in Special Assessment Revenue Bonds to fund the planning, design, permitting, construction and/or acquisition of improvements, including the Improvements; and

WHEREAS, the District intends to finance a portion of the Improvements through the use of proceeds from the sale of its \$ [REDACTED] aggregate principal amount of West Villages Improvement District Capital Improvement Revenue Bonds (Unit of Development No. 10), Series 2024 (Assessment Area One) (the “Series 2024 Bonds”); and

WHEREAS, in order to ensure that the Improvements are completed and funding is available in a timely manner to provide for their completion, the Developer and the District hereby agree that the District will be obligated to issue no more than \$ [REDACTED] in bonds to fund the Improvements and the Developer will make provision for any additional funds that may be needed in the future for the completion of the Improvements over and above that amount including, but not limited to, all administrative, legal, warranty, engineering, permitting or other related soft costs.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which is hereby acknowledged, the District and the Developer agree as follows:

SECTION 1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated by reference as a material part of this Agreement.

SECTION 2. COMPLETION OF IMPROVEMENTS. The Developer and the District agree and acknowledge that the District’s proposed Series 2024 Bonds may provide only a portion of the funds necessary to complete the Improvements. In the event that the cost of the Improvements is such that the construction funds available from the Series 2024 Bonds proceeds are insufficient to complete the Improvements, the Developer hereby agrees to complete, cause to be completed, or provide funds to the District in an amount sufficient to allow the District to complete or cause to be completed, those portions of the Improvements which remain unfunded (as well as any water and wastewater facilities necessary for the development of lands securing the Series 2024 Bonds) and also including, but not limited to, all administrative, legal, warranty, engineering, permitting or other related soft costs (the “Remaining Improvements”) whether pursuant to existing contracts, including change orders thereto, contracts assigned by the Developer to the District, or future contracts. Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness to provide funds for any portion of the Remaining Improvements. The District and the Developer hereby acknowledge and agree that the District’s execution of this Agreement constitutes the manner and means by which any and all portions of the Remaining Improvements are to be funded and completed.

A. When all or any portion of the Remaining Improvements are the subject of a District contract, the Developer shall provide funds or cause funds to be provided directly to the District in an amount sufficient to complete the Remaining Improvements pursuant to such contract, including change orders thereto, upon written notice from the District.

B. When any portion of the Remaining Improvements is not the subject of a District contract, the Developer may choose to: (1) complete, cause to be completed, provide funds or cause funds to be provided to the District in an amount sufficient to allow the District to complete or cause to be completed, those Remaining Improvements; or (2) have the District enter into a contract and proceed under Section 2(a) above, subject, in each case, to a formal determination by the District's Board of Supervisors that the option selected by the Developer will not adversely impact the District, and is in the District's best interests.

SECTION 3. OTHER CONDITIONS AND ACKNOWLEDGMENTS

A. The District and the Developer agree and acknowledge that the exact location, size, configuration and composition of the Improvements may change from that described in the Plan of Improvements, depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. Material changes to the scope of the Improvements shall be made by a written amendment to the Plan of Improvements, which shall include an estimate of the cost of the changes, which amendment shall require the prior written consent of the Trustee (as defined herein) acting at the direction of the holders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding.

B. The District and Developer agree and acknowledge that any and all portions of the Remaining Improvements which are constructed, or caused to be constructed, by the Developer for the benefit of the District shall be conveyed to the District or such other appropriate unit of local government as is designated in the Plan of Improvements or required by governmental regulation or development approval. All conveyances to another governmental entity shall be in accordance with and in the same manner as provided in any agreement between the District and the appropriate unit of local government.

C. Notwithstanding anything to the contrary contained in this Agreement, the payment or performance by Developer of its completion obligations hereunder is expressly subject to, dependent and conditioned upon the following: (1) the issuance of \$ [REDACTED] par amount of Series 2024 Bonds and use of the proceeds thereof to fund the Improvements; and (2) the scope, configuration, size and/or composition of the Improvements not materially changing without the consent of the Developer. Such consent is not necessary and the Developer must meet its completion obligations when the scope, configuration, size and/or composition of the Improvements are materially changed in response to a requirement imposed by a regulatory agency.

SECTION 4. DEFAULT AND PROTECTION AGAINST THIRD PARTY INTERFERENCE. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance. Except as expressly set forth herein, the District shall be solely responsible for enforcing its rights under this Agreement against any interfering third party. Except as expressly set forth herein, nothing contained in this Agreement shall limit or impair the District's right to protect its rights from interference by a third party to this Agreement.

SECTION 5. RECOVERY OF COSTS AND FEES. In the event any party is required to enforce this Agreement by court proceedings or otherwise, then the substantially prevailing party, as determined by the applicable court or other dispute resolution provider, shall be entitled to recover from the non-prevailing party all fees and costs incurred, including reasonable attorneys' fees, paralegal fees and expert witness fees, and costs incurred prior to or during any litigation or other dispute resolution and including all fees and costs incurred in appellate proceedings.

SECTION 6. AMENDMENTS. This Agreement shall constitute the entire agreement between the parties regarding the subject matter hereof and may be modified in writing only by the mutual agreement of all parties, and with the prior written consent of the trustee for the Series 2024 Bonds (the "Trustee") and the holders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding.

SECTION 7. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer, both the District and the Developer have complied with all the requirements of law, and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

SECTION 8. NOTICES. All notices, requests, consents and other communications under this Agreement ("Notices") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the parties, as follows:

SECTION 9. ARM’S LENGTH TRANSACTION. This Agreement has been negotiated fully between the District and the Developer as an arm’s length transaction. Both parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, both parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Developer.

SECTION 10. THIRD PARTY BENEFICIARIES. This Agreement is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns. Notwithstanding anything herein to the contrary, the Trustee, on behalf of the holders of the Series 2024 Bonds, shall be a direct third party beneficiary of the terms and conditions of this Agreement and shall, acting at the direction of the holders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding, be entitled to cause the District to enforce the Developer’s obligations hereunder. The Trustee has not assumed any obligations hereunder.

SECTION 11. ASSIGNMENT. This Agreement may be assigned, in whole or in part, by either party only upon the written consent of the other, which consent shall not be unreasonably withheld, and the Trustee and the holders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding.

SECTION 12. CONTROLLING LAW; VENUE. This Agreement and the provisions contained in this Agreement shall be construed, interpreted, and controlled according to the laws of the State

SECTION 16. SOVEREIGN IMMUNITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

**AGREEMENT REGARDING THE TRUE-UP AND PAYMENT OF SPECIAL
ASSESSMENTS FOR CAPITAL IMPROVEMENT REVENUE BONDS**

UNIT OF DEVELOPMENT NO. 10 – SERIES 2024 BONDS

(ASSESSMENT AREA ONE PROJECT)

THIS AGREEMENT (the “Agreement”) is made and entered into this ____ day of ____ 2024,
by and between:

West Villages Improvement District, a local unit of special-purpose government established pursuant to Chapter 2004-456, Laws of Florida, as amended, and located within the City of North Port and Sarasota County, Florida (the “District”); and

Manasota Beach Ranchlands, LLLP, a Florida limited liability limited partnership and the owner of certain lands within the boundary of the District whose address is 4901 Vineland Road, Suite 450, Orlando, Florida 32811 (the “Landowner”).

RECITALS

WHEREAS, the District is a local unit of special-purpose government created and existing pursuant to Chapter 2004-456, *Laws of Florida*, as amended (the “Act”) for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure; and

WHEREAS, pursuant to the Act, the District is authorized to levy such taxes, special assessments, fees and other charges as may be necessary in furtherance of the District’s activities and services; and

WHEREAS, Landowner is the owner and developer of certain lands within Unit of Development No. 10 (“Unit No. 10”) within the District, as identified on **Exhibit A** (the “Lands”), which is attached hereto and incorporated herein; and

WHEREAS, the District has adopted an improvement plan to finance the planning, design, acquisition, construction, and installation of certain master infrastructure improvements, facilities, and services within Unit No. 10 (the “Improvements”) as described in that certain *Unit of*

Development No. 10 Master Engineer's Report, dated January 11, 2024 (the "Plan of Improvements"); and

WHEREAS, the District intends to finance all or a portion of the Improvements through the anticipated issuance of Capital Improvement Revenue Bonds (Unit of Development No. 10), Series 2024 (Assessment Area One), in the aggregate principal amount of \$ [REDACTED] (the "Series 2024 Bonds"); and

WHEREAS, pursuant to Resolutions 2024-03, 2024-04, 2024-06 and 2024- [REDACTED] (the "Assessment Resolutions"), the District has imposed special assessments (the "Series 2024 Assessments") on the Lands to secure the repayment of the Series 2024 Bonds; and

WHEREAS, Landowner agrees that all Lands, including Landowner's property, benefit from the timely design, construction, and/or acquisition of the Improvements; and

WHEREAS, Landowner agrees that the Series 2024 Assessments have been validly imposed and constitute valid, legal and binding liens upon the Lands within the District upon which the Series 2024 Assessments are imposed; and

WHEREAS, to the extent permitted by law, Landowner waives any defect in notice or publication or in the proceedings to levy, impose and collect the Series 2024 Assessments on the Lands; and

WHEREAS, the District's *Master Special Assessment Methodology Report, Unit of Development No. 10*, dated January 11, 2024 and the *First Supplemental Special Assessment Methodology Report, Unit of Development No. 10*, dated [REDACTED], 2024 (collectively, the "Assessment Report"), provides that as the Lands are platted or declarations are recorded, the allocation of the amounts assessed to and constituting a lien upon the Lands would be calculated based upon certain density assumptions relating to the number of each type of residential unit to be constructed on the developable acres within the Lands, which assumptions were provided by Landowner; and

WHEREAS, Landowner intends that the Lands will be developed based on then-existing market conditions, and the actual densities developed may be greater or lesser than the densities assumed in the District's Assessment Report; and

WHEREAS, the Assessment Report anticipates a mechanism by which Landowner shall, if required, make certain payments to the District in order to satisfy, in whole or in part, the assessments allocated and the liens imposed pursuant to the Assessment Resolutions, the amount of such payments being determined generally by a calculation of the remaining unallocated debt prior to the recording of certain plats, replats, or declarations for a parcel or tract, as described in the District's Assessment Report (which payments shall collectively be referred to as the "True-Up Payment"); and

WHEREAS, Landowner and the District desire to enter into an agreement to confirm Landowner's intention and obligation to make the True-Up Payment, if required, relative to the Series 2024 Assessments, subject to the terms and conditions contained herein.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which is hereby acknowledged, the parties agree as follows:

SECTION 1. RECITALS. The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement.

SECTION 2. VALIDITY OF ASSESSMENTS. The Assessment Resolutions have been duly adopted by the District. The Series 2024 Assessments imposed as a lien by the District are legal, valid and binding liens on the land against which assessed until paid, coequal with the lien of all state, county, city, district, and municipal taxes, and superior in dignity to all other liens, titles, and claims. Landowner hereby waives and relinquishes any rights it may have to challenge, object to or otherwise fail to pay such Series 2024 Assessments.

SECTION 3. COVENANT TO PAY. Landowner agrees and covenants to timely pay all such Series 2024 Assessments levied and imposed by the District pursuant to the Assessment Resolutions on assessable property owned by Landowner, whether the Series 2024 Assessments are collected by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, by the District, or by any other method allowable by law. Landowner further agrees that to the extent Landowner fails to timely pay all Series 2024 Assessments collected directly by the District, said unpaid Series 2024 Assessments (including True-Up Payments) may be placed on the tax roll by the District for collection by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year.

SECTION 4. SPECIAL ASSESSMENT REALLOCATION.

A. Assumptions as to Series 2024 Assessments. As of the date of the execution of this Agreement, Landowner has informed the District that it plans to provide for the construction of a total of sufficient residential units to absorb the [REDACTED] Equivalent Residential Units (“ERUs”) as contemplated by the Assessment Report (hereinafter, collectively referred to as the “Units”) over the approximately [REDACTED] gross acres comprising the Lands.

B. Process for Reallocation of Assessments. The Series 2024 Assessments will initially be imposed on an ERU-basis for platted/recorded units, and on an equal-acreage basis for unplatted acreage which will be reallocated as these lands become subject to a plat, replat, or recorded declaration. In connection with the development of such acreage, the Series 2024 Assessments imposed on the acreage subject to the plat, replat, or recorded declaration will be allocated based upon the precise number of ERUs within the area subject to such plat, replat, or recorded declaration. In furtherance thereof, at such time as additional developable acreage is to be subject to a plat, replat, or recorded declaration, the Landowner covenants that such document(s) shall be presented to the District and the District shall allocate the Series 2024 Assessments to those Units that are to be subject to the plat, replat, or recorded declaration and the remaining acreage in accordance with the District’s Assessment Report and shall cause such reallocation to be recorded in the District’s Improvement Lien Book.

i. It is an express condition of the lien established by the Assessment Resolutions that at the time of recording of any and all plats, replats, or declarations containing any portion of the lands within the Lands, as the District's boundaries may be amended from time to time, that such document(s) shall be presented to the District for review and allocation of the Series 2024 Assessments to the Units to be subject to the plat, replat, or recorded declaration, and the remaining property in accordance with the District's Assessment Report (hereinafter referred to as the "Reallocation"). Landowner covenants to comply, or cause others to comply, with this requirement for the Reallocation. The parties agree that no further action by the Board of Supervisors shall be required. The District's review of the plats, replats, or recorded declaration shall be limited solely to the Reallocation of the Series 2024 Assessments and enforcement of the District's assessment lien. Nothing herein shall in any way operate to or be construed as providing any other plat, replat, or declaration approval or disapproval powers to the District.

ii. At such time as a plat, replat, or recorded declaration is presented to the District, the following provisions shall apply. Commencing on that date and reoccurring at each time that a plat, replat or recorded declaration is presented to the District (each such date being a "True-Up Date"), the District shall determine if the debt per acre remaining on the unplatted developable land is greater than the debt per acre at the time of imposition of the Series 2024 Assessments and if it is, or that the remaining unplatted developable land is not entitled to support the remaining unassigned debt, a True-Up Payment in the amount of such excess shall become due and payable by Landowner that tax year, in addition to the regular Series 2024 Assessments installment payable for lands owned by the Landowner. The District will ensure collection of such amounts in a timely manner in order to meet its debt service obligations, and in all cases, Landowner agrees that such payments shall be made in order to ensure the District's timely payments of the debt service obligations on the Series 2024 Bonds. If such True-Up Payment is made at least forty-five (45) days prior to an interest payment date on the Series 2024 Bonds, the Landowner shall include accrued interest as part of the True-Up Payment to such interest payment date. If such True-Up Payment becomes due within forty-five (45) days of the next interest payment date, accrued interest shall be calculated to the next succeeding interest payment date.

iii. The foregoing is based on the District's understanding with Landowner that Landowner will provide for the construction of a total of sufficient residential units to absorb the [REDACTED] ERUs within the Lands as identified in the Assessment Report. However, the District agrees that nothing herein prohibits more or less than the currently planned ERUs from being developed. In no event shall the District collect Series 2024 Assessments pursuant to the Assessment Resolutions in excess of the total debt service related to the Improvements, including all costs of financing and interest; provided, however, that the District may collect Series 2024 Assessments in excess of the annual debt service related to the Improvements, including all costs of financing and interest, which shall be applied to prepay the Series 2024 Bonds. If the strict application of the True-Up methodology to any reallocation pursuant to this paragraph would result in Series 2024 Assessments collected in excess of the District's total debt service obligation for the Improvements, the District agrees to take appropriate action by resolution to equitably reallocate the Series 2024 Assessments.

iv. Notwithstanding anything to the contrary, the Landowner shall not be required to make True-Up Payments for any portion of the Lands that have been conveyed to the District by the Landowner by any foreclosure or deed in lieu thereof.

SECTION 5. ENFORCEMENT. This Agreement is intended to be an additional method of enforcement of Landowner's obligation to pay and to abide by the requirements of the Series 2024 Assessments, including the making of the True-Up Payment, as set forth in the Assessment Resolutions. A default by any party under this Agreement shall entitle any other party to all remedies available at law or in equity, excluding special, consequential and punitive damages.

SECTION 6. RECOVERY OF COSTS AND FEES. In the event any party is required to enforce this Agreement by court proceedings or otherwise, then the substantially prevailing party, as determined by the applicable court or other dispute resolution provider, shall be entitled to recover from the non-prevailing party all fees and costs incurred, including reasonable attorneys' fees, paralegal fees and expert witness fees, and costs incurred prior to or during any litigation or other dispute resolution and including all fees and costs incurred in appellate proceedings.

SECTION 8. ASSIGNMENT.

A. Landowner may not assign its True-Up obligations under this Agreement except in accordance with the terms of Section 8(B) below. This Agreement shall constitute a covenant running with title to the Lands, binding upon Landowner and its successors and assigns as to the Lands or portions thereof, and any transferee of any portion of the Lands except as noted below.

B. Landowner shall not transfer any portion of the Lands to any third party without satisfying any True-Up Payment that results from a True-Up analysis that will be performed by the District Manager as a condition to such transfer (the “Transfer Condition”). A third party acquiring any portion of the Lands shall automatically be bound by this Agreement and assume Landowner’s True-Up obligation under this Agreement with respect to such lands. Such a transferee shall be deemed the “Landowner” from and after such transfer for all purposes as to such portion of the Lands so transferred. Any transfer that is consummated pursuant to this Section 8(B) shall operate as a release of Landowner from its obligations under this Agreement as to such portion of the Lands transferred and only arising from and after the date of such transfer and payment of any True-Up Payment due pursuant to the Transfer Condition. Nothing herein shall apply to transfers of Lands exempt from assessments to Sarasota County, the District, a municipality, other governmental agencies or a homeowner association created to serve any portion of the project in accordance with Florida law. Furthermore, notwithstanding anything herein to the contrary, residential units subject to a plat or recorded declaration and sold to end users shall be automatically released from any and all true up obligations under this Agreement.

SECTION 9. AMENDMENT. This Agreement shall constitute the entire agreement between the parties regarding the subject matter hereof and may be modified in writing only by the mutual agreement of all parties, and with the prior written consent of the trustee for the Series 2024 Bonds (the “Trustee”), acting at the direction of the holders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding.

SECTION 10. TERMINATION. This Agreement shall continue in effect until the earlier of: (1) the entirety of the Lands being developed and subject to a plat, replat, or recorded declaration and the District’s receipt of payment of any associated True-Up Payments; or (2) the payment in full of all outstanding Series 2024 Bonds.

SECTION 11. NEGOTIATION AT ARM’S LENGTH. This Agreement has been negotiated fully between the parties as an arms’ length transaction. All parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, all parties are deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against either party.

SECTION 12. BENEFICIARIES. This Agreement is solely for the benefit of the formal parties herein and no right or cause of action shall accrue upon or by reason hereof, to or for the

benefit of any third party not a formal party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the parties hereto any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors and assigns. Notwithstanding the foregoing, the Trustee, on behalf of the holders of the Series 2024 Bonds, shall be a direct third-party beneficiary of the terms and conditions of this Agreement and shall, acting at the direction of the holders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding, be entitled to cause the District to enforce the Landowner's obligations hereunder. The Trustee has not assumed any obligations hereunder.

SECTION 13. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

SECTION 14. APPLICABLE LAW; VENUE. This Agreement shall be governed by the laws of the State of Florida. Venue shall be in Sarasota County, Florida.

SECTION 15. PUBLIC RECORDS. The Landowner understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and may require treatment as such in accordance with Florida law.

SECTION 16. EXECUTION IN COUNTERPARTS. This instrument may be executed in any number of counterparts, each of which, when executed and delivered, shall constitute an original, and such counterparts together shall constitute one and the same instrument.
